

# Ohio 4-H State Leadership Camp

The Ohio 4-H State Leadership Camp is the premiere leadership development opportunity available to Ohio 4-H members. The camp is open to young men and young women age 15 to 18 years old with significant leadership potential or leadership experience within their home county's 4-H program.

The focus of the five-day leadership experience is the development of concrete peer leadership skills that will enable participants to have an immediate impact in their home 4-H club, county, community, or school. The camp is active and engaging—there's very little sitting and listening, and much opportunity for group interaction. Participants leave the camp ready to take on new challenges.
