

I am pleased to invite you to participate in Ohio 4-H Shooting Sports State Trainer Invitational Workshop on September 16-17-18, 2016 at Canter's Cave 4-H Camp near Jackson, Ohio. You will need to arrive at camp during the evening hours of Thursday, Sept. 15th, in order to be ready for this 3-day intensive training workshop. Workshop instructors have been carefully selected to provide you with the best training for developing your leadership and teaching skills in order to become state trainers within Ohio's 4-H shooting sports program.

Please select by circling the discipline you would like on the registration form.

In order to accommodate your work and family schedules, this state trainer workshop has been condensed from five to three days. Days will be long and instruction will be intensive in order to cover the necessary material. Participants for this training will be carefully selected so we can keep the class size small to insure more individual attention.

Because ODNR funds are not available to subsidize this workshop, cost will be \$170.00 To put this in perspective, please know that national workshop fees run between \$300-\$400 plus out-of-state travel and an extra day or two.

Please complete the enclosed registration form and return it as soon as possible. If you know you will not be able to attend for any reason, please notify me immediately so those on the wait list may be offered the opportunity to attend.

Looking forward to seeing you in September.
