

# Ohio 4-H News & Notes

## Week of June 23, 2013

### **OFFICIALS REMIND FAIR GOERS TO PRACTICE GOOD HYGIENE**

As Ohio's 2013 agricultural fair season kicks off, the Ohio Departments of Health (ODH) and Agriculture (ODA) are reminding Ohioans to practice good hygiene when visiting livestock exhibits this summer.

ODA they asked that we remind our 4-H Exhibitors again about good hygiene and the threat of influenza etc. at county fairs. Please send this out to your 4-H members and families again and ask that they continue getting the word out about proper hygiene and remind kids, especially with animals they are planning to exhibit, that if the animals express signs of illness that the animals will not be allowed on the fair grounds.
