2015 Ohio 4-H Delegation to Japan

Participating in the Ohio 4-H Delegation to Japan gives Ohio youth the opportunity to learn more about themselves and the lives of others. Delegates live with a Japanese family for either one or two months and take part in Labo camps and activities with host brothers and sisters. Many Ohio youth stay with the family of the Japanese youth who has previously visited them in Ohio, although this is not a requirement.

Language fluency is not a prerequisite, but basic language study is required in advance of departure. Applicants need not be current or former 4-H members to apply … in fact, they become 4-H participants through participation on this opportunity! (Note that applicants who have never participated in any 4-H program in the past are not eligible for scholarships.)

Ohio sends a delegation to Japan on “odd” years only, so the next group after this summer will travel in 2017. Ohio youth aged 12 to 18 (12 by date of departure and still 18 on date of return) who are willing to prepare for the exchange by studying the language, country and culture of Japan are invited to apply. Delegates should be willing to become an active member of their host family.

Optional “Nihongo” Language Program

An optional opportunity for those who would like to become conversant in Japanese is an intensive 1-month “Nihongo” language program. Labo offers this program at their downtown Tokyo office from June 10–July 8. Participants will then join the regular Ohio delegation for the month-long homestay until August 6. Nihongo students live with a Tokyo host family and attend classes during the day. (Youth may also request a particular host family for the Nihongo program, if they know one in the Tokyo area.) The cost is $1,400 and covers tuition, books, cultural excursions and daily public transportation to the Labo Office. Participants are responsible for paying for their weekday lunches (about $180). Host families provide lodging and all other meals.

$2,000 + Scholarships Available!

A “Previous-Hosting Scholarship Application” is part of the general application packet for outbound travel – no other form is necessary. To learn your scholarship amount before applying, contact Mary Lynn Thalheimer (thalheimer.1@osu.edu) with your hosting history.
