Columbus, Ohio 43210-1084

Dear Friends,

Congratulations to all 4-H professionals, support staff, and volunteers who helped make the 2001 4-H program year a great success! The 4-H program continues to expand to meet the needs of communities across Ohio. As you know, 4-H youth benefit from not only increased subject matter skills, but better decision making abilities, learning to solve problems, and increasing their self-confidence and sense of belonging. All of these skills develop competent, contributing, and caring citizens for mankind's future. Furthermore, you are also aware of the importance of youth having the sustained presence of a caring adult in their lives. Ohio 4-H is extremely proud of the positive relationships developed between our 4-H professionals and volunteers and the youth they work with.

Best of luck during 2002 as you celebrate our first 100 years of positive youth development!

Sincerely,

Jeff King
State 4-H Leader and Assistant Director
Ohio State University Extension

Terminology

4-H: The Extension youth development education program of the Cooperative Extension Service

Participants in 4-H: 4-H youth development education programs are created and conducted by the Cooperative Extension System and its partners principally for specific developmental levels of youth within the span of the grades K-12. "Special" 4-H programs are offered to mentally challenged individuals of any age. In addition, Collegiate 4-H organizations provide volunteer service, social and educational opportunities for young adults in college. Adults participating in 4-H educational programs may do so as volunteers and/or to learn about working with youth as parents, as volunteers, or as professionals. The 4-H name and emblem can appropriately be used with this full range of youth and adult participants.

Ethnicity:

In compliance with Department of Justice rules and regulations, all recipient agencies of federally assisted programs, which are required to collect and record racial participation data must use the following revised racial-ethnic categories. These categories are:

American Indian or Alaskan Native: A person having origins in any of the original peoples of North America, and who maintains cultural identification through tribal identification or community recognition.

Asian or Pacific Islander: A person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands. This area includes, for example, China, Japan, Korea, the Philippine Islands, and Samoa.

Black, not of Hispanic Origin: A person having origins in any of the black racial groups of Africa.

White, not of Hispanic Origin: A person having origins in any of the original peoples of Europe, North Africa, or Middle East.

Hispanic: A person of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish culture or origin.

Residence Classifications

1. Farm. Use the U.S. Census definition for a farm which includes all persons living in rural territory on places from which \$1,000 or more of agricultural products were sold, or normally would have been sold, in the reporting year.

2. Towns under 10,000 and rural non-farm. Persons who live in towns under 10,000 population in rural non-farm and open country situations not reported as farm in above definition.

3. Towns and cities, with populations of 10,000 and up to 50,000 and their suburbs. Include participants who live within the immediately built-up areas surrounding such towns and cities even though they might live somewhat beyond the immediate city limits.

4. Suburbs of cities over 50,000. Report the number of participants in the urbanized and contiguous suburbs and towns surrounding a city over 50,000. This category conforms to the urbanized portion of metropolitan rings included in standard metropolitan statistical areas (SMSA's).

5. Central cities over 50,000. Report the participants within the boundaries of metropolitan cities over 50,000 population. This category includes twin cities of standard metropolitan statistical areas (SMSA's).
