4-H: The youth development education program of the Ohio State University Extension.

Participants in 4 -H: 4-H youth development education programs are created and conducted by the Cooperative Extension System and its partners principally for specific developmental levels of youth within the span of the grades K-12. “Special” 4-H programs are offered to mentally challenged individuals of any age. In addition, Collegiate 4-H organizations provide volunteer service, social and educational opportunities for young adults in college. Adults participating in 4-H educational programs may do so as volunteers and/or to learn about working with youth as parents, as volunteers, or as professionals. The 4-H name and emblem can appropriately be used with this full range of youth and adult participants.
