Ohio State Day at the Cincinnati Zoo & Botanical Garden

A special event will also take place at 9:15 am to celebrate OSU Extension's 100th Anniversary, just inside the main gate on Vine Street Plaza. Dr. Bruce McPheron (Vice President and Executive Dean of the College of Food, Agricultural and Environmental Sciences) and OSU Extension Director Keith Smith (and others from Administrative Cabinet) will be with us.

Advance sale tickets are available only on line. A lot of effort by many people has gone into making this a great day. OSU Extension, Hamilton County will have educational stations placed throughout the zoo. Come visit with your co-workers, be a part of this OSU Day hosted by the OSU Alumni Association, and join in the fun. It's a great way to spend a Saturday as the summer winds down and the school season is just around the corner. Please share with family, friends, and anyone who can help make this day a success. The day is open to everyone. Thank you very much for your help. We hope to see you and many OSU supporters / friends at the zoo.
