2017 Ohio State Fair Junior Fair Dog Skillathon Rules

General Information
A Skillathon is an event held to test an individual’s knowledge of specific subject matter using the experiential learning model of exploring, reflecting and applying that knowledge. Using materials directly or modified from the Dog Learning Laboratory Kit, as well as activities developed from information provided in the 4-H Dog Resource Handbook, Skillathons are created to challenge the exhibitor’s knowledge of all aspects of dogs.

The Dog Skillathon is comprised of four educational and challenging activities stations per age levels. Youth move from station to station, attempting to perform the tasks they are given. A facilitator is present at each station to offer directions if needed, without helping the exhibitor perform the station tasks, and without offering answers. Station scores are recorded on the exhibitor’s score sheet by each facilitator, and entered into a computer program that calculates each youth’s placing.

Date
Tuesday, August 1 –10:00 am – 3:00 pm – Buckeye Sports Center

Awards
Awards will be presented Tuesday, August 1, approximately 4:30pm, following completion of the Skillathon. Youth in each age division will receive 1st through 10th place ribbons. The winner of each age division will receive an award. The champion of each age group (Junior, Intermediate, Senior) will receive a director’s chair.

Rules
1. The Dog Skillathon is open to any 4-H member, age 8 and in the 3rd grade to age 18 as of January 1, 2017, and FFA members. Therefore, 4-H and FFA members turning 19 on or before December 31, 2017 are too old to participate in the Dog Skillathon.

2. Youth need not take dog projects to participate in the Dog Skillathon. Youth may participate regardless of what 4-H or FFA projects are taken.

3. Skillathon lines are divided into three age groups: Junior (8-11 yrs.), Intermediate (12-14 yrs.) and Senior (15-18 yrs.).

4. There are 10 age divisions – 8/9 year-olds through 18 year-olds. A parent/guardian, or responsible adult, MUST sign the youth’s Skillathon score sheet at the Skillathon registration table verifying the
youth is in the correct age division BEFORE the youth can participate in the Skillathon. This is to verify age division. If it is determined at the completion of the Skillathon that an exhibitor was entered in the wrong age division, the exhibitor will be removed from the competition and not eligible for placings or awards.

5. Once youth register for the Skillathon, they are expected to remain in the waiting area and go through the line when called. Once youth enter the Skillathon evaluation area, they CANNOT leave. If they leave, they will forfeit any further participation in the 2017 Dog Skillathon.

6. Skillathon stations will be timed. All youth will have a maximum of four (4) minutes to complete each skillathon station.

7. Skillathon participants are not permitted to bring study materials or electronic devices such as cell phones into the Skillathon evaluation area.

8. The four subject matter station categories will be posted by June 15 at www.go.osu.edu/dog on the Dog Skillathon page.
