A 4-H member may use multiple dogs the same year to earn points toward an OSF Championship Title provided the dogs are shown in different events. However, in one given year at the Ohio State Fair Dog Shows (2017), youth can receive no more than the following points per event, regardless of the number of dogs exhibited or classes entered in that event:
One (1) point will be awarded for participation in any of these State Fair events:
1. Agility
2. Assistance Dogs
3. 4-H PetPALS
4. Brace
5. Drill Team
6. Obedience
7. You and Your Dog

An additional 5 points for earning a gold medal or placing 1st through 15th will be awarded per event, per year, regardless of the number of dogs entered in that event. For example: placement in ONE obedience class, regardless of the number of obedience classes exhibited = 5 points; placement in ONE
rally class, regardless of the number of rally classes exhibited = 5 points; placement in ONE agility class, regardless of the number of agility classes exhibited = 5 points.

Awards: A pin and T-shirt will be presented to each exhibitor receiving his/her first Title at the Ohio State Fair during the Ohio State Fair Dog Show. Exhibitors receiving second or third titles will receive an additional award depending on sponsorship.

4-H Exhibitor Versatility Award

The purpose of the 4-H Exhibitor Versatility Award is to: (1) encourage youth to participate in several classes (including Skillathon and Poster) at the Ohio State Fair Dog Show, and (2) award youth for achieving excellence in the classes in which they are showing or participating. To earn a 4-H Exhibitor Versatility Award, exhibitors must place in FIVE (5) classes as follows: (1) receive a gold medal in Agility; (2) receive a gold medal in the Assistance Dog class; (3) receive a gold medal in Rally Novice A; (4) receive an achievement award in the 4-H PetPALS dog class; (5) place in the top five in all classes receiving placings, including the Skillathon and Poster Contest. Youth violating any of the 2017 Ohio State Fair Junior Fair Dog Show Rules or with points taken off for poor sportsmanship will not be eligible for this award. An exhibitor must show in five (5) classes and earn one placing as described above per class, with one dog in each of those classes. The 4-H Exhibitor Versatility Award is based on the number of classes, not number of dogs per class (i.e. for agility and rally). An exhibitor may earn one 4-H Exhibitor Versatility Award a year.

Youth must keep track of their points toward earning the 4-H Exhibitor Versatility Award on a form provided at Registration. This form must be turned in at the Registration table once enough points have been earned to receive this award. After verification that points earned are adequate to receive this award, the award will be presented.

Terminology
1. **Discipline** – refers to a show category. Each of the following is a Discipline: Showmanship, Obedience (including Team and Brace), Rally, Agility, You and Your Dog, Drill Team, Canine Freestyle, 4-H PetPALS, and Assistance Dogs.
2. **Level** – refers to sub-categories within certain disciplines. For example, Novice is a level in the Obedience discipline; Rally Excellent is a level in the Rally discipline.

3. **Class** – refers to the two classes within certain disciplines and/or discipline levels. The letters “A” and “B” refer to the experience of the youth and dog.
   a. **“A” classes are for handlers or dogs with NO training or showing experience prior to the county’s current project year.** “A” classes can never be repeated by the same youth, regardless of what dog is shown. “A” classes can never be repeated by the same dog, regardless of what youth shows that dog. Refer to “A” class information in the rules for each show discipline.
   b. **“B” classes can be repeated by the same youth regardless of what dog is shown, and by the same dog, regardless of who shows that dog, provided the youth and/or dog are not the class winners (exception: Showmanship and You & Your Dog).** If/when a youth and/or dog wins first place in a “B” class, the youth and dog must move to the next level (exception: Showmanship and You & Your Dog). A dog must move to a higher level within a discipline, once that dog begins performing at that higher level. (Refer to each of the show discipline rules for rules specific to that discipline.)

**Eligibility**

Youth may enter any of the disciplines, levels, and classes they are eligible for as outlined in the 2017 Ohio State Fair Junior Fair Dog Show Rules. The handler and dog must be able to perform the exercises required of the disciplines/levels/class(es) entered. **Youth may not enter classes without both youth and dogs being prepared prior to the State Fair to perform the required exercises.** A zero (0) will be given to any handler/dog team not attempting an exercise, except as provided otherwise specifically in the rules. A zero (0) on the exhibitor’s score sheet will result in an incomplete for that class, and therefore the exhibitor will not be eligible for an award, except as provided otherwise specifically in the rules.

Exhibitors may show one or more project dogs, provided the exhibitors and dogs meet the eligibility requirements of each respective class, as follows (refer to each respective show discipline rulebook for more detailed and complete information):

**Show Disciplines**

1. **Agility**
   
   Youth may enter any number of project dogs in Agility and are permitted to enter more than one dog per Agility class. Youth showing in Agility may show the same or different project dog(s) in other disciplines/classes provided they meet those eligibility requirements.

2. **Obedience**
   
   Beginner Novice A
   
   Beginner Novice A is for the first-year member and first-year dog with no prior show experience. **Beginner Novice A youth are not permitted to show the same or different dog in any other obedience class.** This is like any other “A” class and can never be repeated by youth or dog. Youth may show one project dog in Beginner Novice A.

   Beginner Novice B and Pre-Novice
   
   Youth may show one project dog in Beginner Novice B OR Pre-Novice, decided upon according to skill level and preference. **A youth cannot show in both Beginner Novice B and Pre-Novice in the same year with the same or different dog.** A dog cannot be shown in both Beginner Novice B and Pre-Novice in the same year. Youth may show the same dog in other non-obedience classes and/or a different dog in other disciplines/classes provided they meet those eligibility requirements. Youth may NOT show the same dog in another obedience class the same year.
Novice
Youth may show one project dog at the Novice level, provided the youth and dog meet class eligibility requirements. Youth may show the same dog in other non-obedience classes (not including non-regular obedience classes) and/or a different dog in other disciplines/classes provided they meet those eligibility requirements. Youth may NOT show the same dog in another obedience class the same year.

Advanced Obedience
Youth may show two project dogs in each of the following Obedience classes: Graduate Novice, Open, Graduate Open, and Utility provided youth and dogs meet eligibility requirements. Youth showing two dogs in “A” classes must meet the requirements of neither the youth and/or dogs having any previous experience at that respective obedience level. Youth and/or dogs cannot repeat the “A” class, and must move to the “B” class in that respective level at the very minimum. If a youth and/or dog wins the first place trophy, s/he must move to a higher level with the same dog; however, can continue to show at the same “B” level with the other dog, providing meeting eligibility requirements. Exception: Youth/dog team winning Open B may repeat this class until ready to move to Graduate Open A. Youth winning Graduate Open B may repeat this class until ready to move to Utility A. Youth may show the same dog or different dog in other non-obedience disciplines (not including non-regular obedience classes) and/or a different dog in other obedience levels provided they meet those eligibility requirements. Youth may NOT show the same dog in another obedience class the same year.

3. Brace
Youth must show two project dogs that are capable of performing the Novice exercises. Youth may show the same dogs or different dog in other disciplines/classes provided they meet those eligibility requirements. Youth showing in Beginner Novice or Pre-Novice classes cannot show in Brace.

4. Teams
Youth may show a Beginner Novice B or Pre-Novice project dog in the Pre-Novice Team class, and show a Novice level or above project dog in the Advanced Team class if having multiple dogs. Youth may show the same dog or different dog in other disciplines/classes provided they meet those eligibility requirements. Team alternates should register for their respective Team class on the 2017 Ohio State Fair Dog Show Entry Form to be eligible to replace another team member.

5. Rally
Youth may show a maximum of two project dogs per Rally level. A level is Rally Novice, Rally Advanced, or Rally Excellent. Youth may show the same dog or different dog in other disciplines/classes provided they meet those eligibility requirements.

6. Showmanship
Showmanship classes are based on age of youth and show experience of the youth and dog. Therefore, an exhibitor and dog can show in ONE Showmanship class only. Youth may show the same dog or different dog in other disciplines/classes provided they meet those eligibility requirements.

7. You and Your Dog
You and Your Dog classes are based on the age of youth. Therefore, an exhibitor and dog can show in ONE You and Your Dog class only. Youth may show the same dog or different dog in other disciplines/classes provided they meet those eligibility requirements.

8. 4-H PetPALS

**Rally Rules and Regulations**

**Note:** These Rules and Regulations are in effect for the 2017 Ohio State Fair. It is strongly recommended that these Rules and Regulations be followed at the county level.

**Introduction**

Rally is a sport in which the dog and handler complete a course that has been designed by the rally judge. The judge tells the handler to begin, and the dog and handler proceed at a brisk pace through a course of designated stations, 10-20 depending on the level. Each of these stations has an 8 ½” x 11” sign providing instructions regarding the next skill that is to be performed, via words, directional arrows,
colors, and geometric shapes. The dog and handler team moves continuously at a brisk but normal pace with the dog under control at the handler’s left side. There should be a sense of teamwork between the dog and handler both during the numbered exercises and between the exercise signs; however, perfect heel position is not required. After the judge’s “Forward” order, the team is on its own to complete the entire sequence of numbered signs correctly. Unless otherwise specified in the Rally Regulations, handlers are permitted to talk, praise, encourage, give additional commands and or signals using one or both arms, clap their hands, pat their legs or use any verbal means of encouragement. The handler must move in a natural manner. The handler’s arms need not be maintained in any particular position. At any time during the performance, loud or harsh commands, intimidating signals, and touching the dog (unless specified in the Rally Regulations) will be penalized.

Ring Size and Conditions
The ring sizes for Rally shall be 40 x 50 feet to 50 x 60 feet (between 2,000 and 3,000 square feet) with a minimum width of 30 feet. The floor must have firm footing, using rubber or similar non-slip material at least 4 feet wide for the takeoffs and landings of all jumps, unless the judge feels the surface does not require it. At an outdoor show, the ground should be clean and level. Any grass should be cut short.

Handler’s Appearance
Exhibitors should be neat, clean, and well-groomed in appearance. They should wear clothing that is comfortable to handle in and appropriate for dog shows. Clothing should not distract, limit or hinder the judge’s view of the dog. Youth with long hair should tie it back to keep it from interfering with handling or the judge’s view.

Acceptable clothing for all Rally classes includes slacks, dressy shorts, skorts, capri or crop pants, colored dress jeans, collared blouses and shirts, polo shirts, or similar attire, closed-toe shoes, rubber-soled shoes, flats, and similar type footwear.

Inappropriate clothing includes clothing that is too tight or too revealing, such as short skirts, short shorts, tank tops, halter tops, spaghetti straps, low cut blouses or shirts, shorts hanging too low on the waist, clothing with holes or tears in the fabric, blue jeans, faded or torn jeans of any kind, or other similar types of clothing. Do not wear shirts with club names or logos, or clothing with lettering and distracting or offensive wording or designs. Do not wear hats. Do not wear sandals, open-toed shoes, high-heeled shoes, clogs, or similar type footwear. Exhibitors dressed inappropriately will have points deducted or may be excused from the show ring.

Dog’s Appearance
Dogs must be clean, well-brushed and in good physical condition appropriate for the dog’s age. The coat must be free from mats and loose hair.

Hair in Dog’s Eyes
Any dog whose hair surrounding the eyes, ears, or beard interferes with its performance may have its hair tied back with elastic bands or small plain barrettes. Ribbons or bows are not permitted.

Collars
Acceptable collars while in the rally show ring: Well-fitting plain buckle or quick release collars, martingales, or slip collars of an appropriate single length of leather, fabric or chain with two rings, one on each end. Flat securely attached tags are permitted on these collars. Nothing may be hanging from the dog’s collar.

Acceptable collars while outside the show ring: Head halters, fancy collars, harnesses and studded collars are permitted on dogs.
Unacceptable collars anywhere on the Fairgrounds: Pinch collars, collars with prongs or spikes on inside or outside, electronic collars, or any other special training collars, or muzzles. Youth are subject to disqualification from showing and removal from the Fairgrounds if their dogs are seen wearing these collars or devices.

Leashes
For Rally Novice classes, leashes must be made of fabric or leather and long enough to provide adequate slack.

All dogs must be kept on leash except when in the show ring or exercise area, and must be brought into and taken out of the ring on leash. Dogs must be kept on leash in the ring when brought in to receive awards.

Interference and Double Handling
Assistance, interference, or attempts to control a dog from outside the ring is not permitted. A judge who is aware of such double handling or interference must substantially penalize the dog.

Fouling the Ring
A 25-point deduction will be made for any dog fouling the ring. The exhibitor and his/her dog are not to be excused from the ring. Judging is to continue once the area is properly cleaned.

Fouling includes urine, feces or vomit. In exceptionally poor ring conditions, judges should confer with the show committee and other judges to determine scoring if fouling should occur.

Levels and Classes
Level refers to a Rally sub-category, such as Rally Novice. Class refers to the two classes within the Rally sub-category. The letters “A” and “B” refer to the experience of the youth and dog. “A” classes are for handlers or dogs with NO training or showing experience prior to the county’s current project year. “A” classes can never be repeated by the same youth, regardless of what dog is shown. “A” classes can never be repeated by the same dog, regardless of what youth shows that dog. “B” classes can be repeated by the same youth regardless of what dog is shown, and by the same dog, regardless of who shows that dog, provided the youth and/or dog are not the class winners. Exception: Refer to Rally class information to read exceptions for Rally Novice B and Rally Novice C. Handlers or dogs winning first place in a “B” class, must move to the next level the next project year. For Rally Novice B that move must be immediately: Refer to Rally Novice B and Rally Novice C class information. A dog must move to a higher level, once that dog begins performing at that higher level.

Earning Rally Titles Outside of 4-H
Exhibitors showing their dogs at any Licensed or Member Rally Obedience Trial or at a Sanctioned Match must show their dogs at the same or higher level B classes than they are showing in AKC, UKC, or other titling shows. Dogs completing their Rally Novice (RN) title (or UKC or other titling equivalents) prior to July 1, 2017, must show in Rally Advanced classes. Dogs completing their Rally Advanced (RA) title (or UKC, or other titling equivalents) prior to July 1, 2017, must show in Rally Excellent classes. Any dog receiving one or more legs toward a title anytime during the project year must then move into the appropriate B class at the time the first leg was earned. Fun matches do not apply.

Rally Classes Offered at 2017 Ohio State Fair

The following Rally classes will be offered July 31, August 1, 2, 3:

- Rally Novice A
- Rally Novice B
- Rally Novice C*
- Rally Advanced A
- Rally Advanced B
- Rally Advanced B
- Rally Excellent A
- Rally Excellent B
- Rally Excellent B
*Counties are not expected to add Rally Novice C classes to their fun matches or fair show schedules. This class is added to Ohio State Fair Rally because of the number of youth showing in Rally Novice B not ready to move to Rally Advanced A.

AKC Rally Information
AKC Rally information, including rules and signs can be found at http://www.akc.org/dog_shows_trials/rally/index.cfm.

Rally Classes Information
Youth may show a maximum of two project dogs per Rally level. A level is Rally Novice, or Rally Advanced, or Rally Excellent.

Rally Novice A, B, and C classes are performed entirely on leash. Beginner Novice and Pre-Novice level dogs must be shown in either Rally Novice A, B, or C, depending on their experience and accumulative placings in Rally. Rally Advanced A & B classes are performed off leash. Rally Excellent A & B classes are performed off leash. *Rally is a different discipline than Obedience. Moving up in one discipline does not mean a mandatory move-up in another discipline.*

Awards for exhibitors placing in Rally will be presented each day.

Rally Novice
All exercises are judged on leash. All dogs must enter and leave the ring on leash. Rally Novice A, B, and C must have 10 to 15 stations (Start and Finish not included) with a minimum of three (3) and a maximum of five (5) stationary exercises per class.

Rally Novice A
This class is for the exhibitor and/or dog that has no training or showing experience in Rally prior to the county’s current project year. Once an exhibitor and/or dog shows in this class, he/she must move to Rally Novice B at the very minimum. This class can never be repeated by an exhibitor or dog. Exhibitors and dogs must meet the eligibility requirements of the 2017 Ohio State Fair Junior Fair Dog Show to participate in Rally at the Ohio State Fair.

Rally Novice B
This class is for the first (1st) or second (2nd) year Rally Novice exhibitor and/or dog who has had prior experience showing at the Rally Novice level prior to the county’s current project year. They have not yet progressed to the Rally Advanced A level or higher. Once placing 2nd through 5th over an accumulative period of time in three (3) Rally Novice B classes at the Ohio State Fair with the same dog, the exhibitor and dog MUST immediately move to the Rally Novice C class. Once winning first (1st) in a Rally Novice B class, the exhibitor and/or dog must move to a Rally Novice C or Rally Advanced A class. *For example: Jane Doe and her dog Rover win first place in Rally Novice B on Monday, July 31. They MUST show in Rally Novice C or Rally Advanced A on Tuesday, August 1. Exhibitors and dogs must meet the eligibility requirements of the 2017 Ohio State Fair Junior Fair Dog Show to participate in Rally at the Ohio State Fair.*

Rally Novice C
This class is for the 3rd and subsequent years’ Rally Novice exhibitor who does not choose to move to Rally Advanced A. Moving to Rally Novice C may occur in the same year the exhibitor and dog have reached the accumulation of placing 2nd through 5th in three (3) Rally Novice B classes, or have placed 1st in Rally Novice B. Move up from Rally Novice B to Rally Novice C would then be immediate THIS project year. Exhibitors and dogs in Rally Novice C are those that have not yet progressed to the Rally Advanced A level or higher. Once winning a Rally Novice C class, the exhibitor and/or dog are encouraged to move to Rally Advanced A, but may choose to stay in Rally Novice C. Exhibitors and dogs must meet the
eligibility requirements of the 2017 Ohio State Fair Junior Fair Dog Show to participate in Rally at the Ohio State Fair.

Rally Advanced

For Rally Advanced classes, all exercises are judged off leash. All dogs must enter and leave the ring on leash. Rally Advanced A and B must have between 12 - 17 stations (Start and Finish not included) with a minimum of three (3) and a maximum of seven (7) stationary exercises per class. Courses shall have a minimum of three Advanced level stations plus one required jump per class.

Rally Advanced A

This class is for the exhibitor and/or dog who have not had any training or showing experience at the Rally Advanced level prior the county’s current project year. If they have any training or showing experience at the Rally Advanced level prior to the county’s current project year, they must show at the Rally Advanced B level at the very minimum. Once an exhibitor shows in this class, he/she must move to Rally Advanced B at the very minimum. Once a dog has been shown in this class, the dog must be shown in the Rally Advanced B class at the very minimum. Exhibitors and dogs must meet the eligibility requirements of the 2017 Ohio State Fair Junior Fair Dog Show to participate in Rally at the Ohio State Fair.

Rally Advanced B

This class is for the exhibitor and/or dog who has shown in Rally Advanced A OR has had any training or showing experience at the Rally Advanced level prior to the county’s current project year. Once winning this class, the exhibitor and/or dog must move to Rally Excellent A at the very minimum the next project year. Exhibitors and dogs must meet the eligibility requirements of the 2017 Ohio State Fair Junior Fair Dog Show to participate in Rally at the Ohio State Fair.

Jumps

One jump must be used for Rally Advanced classes. It may be any jump used as standard equipment in obedience classes (broad jump, high jump, or bar jump), except that 4-foot wide jumps may be used in place of 5-foot wide jumps. A 4-inch high jump board and bar jump will be supplied for dogs that have a height at the withers of less than 10 inches. This jump will be constructed so the maximum height does not exceed 4 inches, with a half-inch tolerance. This can be a separate board or support system placed between the two standard uprights. The bar or high jump board used to create this 4-inch jump height can be supported by a means other than the two standard uprights. Designs should be such that they do not interfere with the jumping of a dog. Various colors and decorations are allowed; however, there must be nothing hanging from the jump. It is the judge’s responsibility to see that the jumps are set for each dog in accordance with these regulations.

The Broad Jump will consist of three telescoping hurdles, each approximately 8 inches wide. The largest board will measure about 4 feet 10 inches long (if from a 5-foot set) and about 5 inches at the highest point. In the ring, broad jump hurdles will be arranged in order of size from smallest to largest. They will be evenly spaced, covering a distance equal to twice the height of the high jump set for each dog. Three hurdles will be used for a jump of 32 inches and two hurdles for a jump of 16 or 24 inches. When decreasing the number of hurdles in the jump, the highest hurdle will be removed first.

The High Jump consists of two uprights and solid boards of varying widths that combine to make each dog’s required jump height.

The Bar Jump also has two uprights. These are constructed to support only a striped bar which is set at the dog’s required jump height. The bar jump may be used in the same way as the high jump.
However, if the bar jump is to be used as a jump in both directions, the uprights must be offset to allow the bar to be knocked off from either direction.

**Send to Jump (Sign #210)**

The sign for this station will be placed at least 10 feet before the jump. The sign for this station and the one after it will be set so the handler maintains at least a 3-foot path away from the jump while the dog performs the jump and returns to the handler. The set up and performance of this sign should not be confused with sign #103 – Send Over Jump-Handler Passes By.

Note: After sending the dog to the jump the handler may pause as needed, but must not pass the jump until the dog has returned to the heel position.

**Jump Heights**

The dog’s jump height shall be listed on the entry form. Entries may be arranged according to the jump height of the dogs, from either high to low or low to high. All 4-H dogs jump the height listed above.

**Rally Excellent**

All exercises are judged off leash. All dogs must enter and leave the ring on leash. Rally Excellent must have between 15 to 20 stations (Start, Finish and Call to Heel marker not included) with a minimum of three (3) and a maximum of seven (7) stationary exercises. Courses shall have a minimum of two (2) Advanced level stations and a minimum of three (3) Excellent level stations, plus the two (2) required jumps and the Sit Stay exercise per class. Unlike in the Rally Novice and Advanced classes, in Rally Excellent, handlers are not allowed to pat their legs or clap their hands to encourage the dog. Verbal encouragement, multiple commands and/or inaudible signals using one or both arms and hands are allowed; the handler’s arms need not be maintained in any particular position at any time. Handlers may not touch their dog or make any physical corrections.

**Rally Excellent A**

This class is for the exhibitor and/or dog who have not had any training or showing experience at the Rally Excellent level prior the county’s current project year. If they have any training or showing experience at the Rally Excellent level prior to the county’s current project year, they must show at the Rally Excellent B level at the very minimum. Once an exhibitor shows in this class, he/she must move to Rally Excellent B at the very minimum. Once a dog has been shown in this class, the dog must be shown in the Rally Excellent B class at the very minimum. Exhibitors and dogs must meet the eligibility requirements of the 2017 Ohio State Fair Junior Fair Dog Show to participate in Rally at the Ohio State Fair.

**Rally Excellent B**

This class is for the exhibitor and/or dog who has shown in Rally Excellent A OR has had any training or showing experience at the Rally Excellent level prior to the county’s current project year. Once winning this class, the exhibitor and/or dog may stay in this class indefinitely. Exhibitors and dogs must meet the eligibility requirements of the 2017 Ohio State Fair Junior Fair Dog Show to participate in Rally at the Ohio State Fair.
Two jumps must be used for the Rally Excellent B class. Jumps may be any jump used as standard equipment in obedience classes (broad jump, high jump, or bar jump), except that 4-foot wide jumps may be used in place of 5-foot wide jumps. Various colors and decorations are allowed; however, there must be nothing hanging from the jump. Jumps may not be used consecutively on the course.

**Sit Stay Exercise (Sign #298)**
The judge will designate the area or person in charge of the leash prior to the excellent walkthrough. All exhibitors must be informed of where they need to go to retrieve their leash or from whom during the walkthrough. Immediately following the Finish Sign the handler and dog will go to the Sit Stay sign. The handler will sit the dog, and command and/or signal the dog to sit stay. The handler will then walk forward at least fifteen (15) feet, retrieve the leash from any of the following: gate steward, judge or designated area next to the ring exit, and return to heel position by walking around and behind the dog. The judge will order “Exercise Finished” at which time the judging of the Sit Stay Exercise will be complete. The handler will then attach the leash and exit the ring. The Sit Stay Exercise is not considered to be one of the stationary exercises on the course.

**Timing**
All dogs will be timed. Times will be used only in the event of ties for a placement. Timing will begin when the judge gives the order “Forward” and will end when dog and handler cross the Finish station.

**Rally Scoring**
Times will be recorded but not posted. The maximum number of points that can be deducted for any station is 10, with the exception of a Maximum Point Deduction.

**Incorrectly Performed (IP) stations** occur when a team attempts a station and fails to perform the principal parts of the station on the first attempt. The handler may choose to retry the station once for a correct performance, accepting the mandatory 3-point deduction for the retry of the station. The station is considered an IP if the handler chooses not to retry or fails to perform the station correctly on the second attempt. (This means the handler and dog have two (2) attempts to correctly perform a station.)

**Handler errors** can be assessed from 1 to 10 points up to Maximum Point Deductions. Handler errors can be assessed at any station or during movement between stations on a course. Once a handler has stopped on any halt exercise, the handler cannot move their feet to assist a dog without incurring a handler error.

**Ties** will be broken by the fastest time, with the fastest time winning.

**Awards**
A trophy will be presented to the first place winner in Rally Novice A, Rally Novice B, Rally Novice C, Rally Advanced A, Rally Advanced B, Rally Excellent A, and Rally Excellent B classes each day. First through fifteenth place rosettes will be awarded in Rally Novice A, Rally Novice B, Rally Novice C, Rally Advanced A, Rally Advanced B, Rally Excellent A, and Rally Excellent B classes each day. All Rally exhibitors will receive participation ribbons.
