

Online Training Help Guide

1. To access the National Shooting Sports online training, visit www.4-hshootingsportscollege.com

This section contains a collage of images on the left and a login form on the right. The collage consists of nine small photos: a man in a blue shirt shooting a rifle, a person in a grey shirt shooting a bow, a man in a white shirt and hat looking through a scope, two young boys holding a large target, a person in a red shirt shooting a handgun, a close-up of a target with arrows, a woman in a black jacket holding a medal, and two people sitting at a table. The login form on the right features the National Shooting Sports logo at the top. Below the logo, there are two input fields: "Email" with the placeholder "test@example.com" and a checkmark icon, and "Password" with a lock icon. Below these fields are two buttons: "LOGIN" in orange and "SIGN UP" in blue. At the bottom of the form are two links: "Forgot Password?" and "Help".

2. If you do not have an account, click the 'SIGN UP' link to create an account
