Achievement Form Workshop

For 4-H members completing an achievement form AND 4-H professionals/parents who want to learn more!

Individuals are invited to this workshop to:

- Learn about opportunities that can arise from successful achievement form completion.
- Improve their record keeping skills.
- Enhance their form to make it even stronger.

There will be two options for attendees:

- Option 1: Basic Overview-Ideal for first time achievement form completion or general information. This session will cover basic information about completing the form.
- Option 2: More In-Depth Session-Ideal for 2+ year completion of the form. It will offer work stations and coaches available to help attendees with already started or completed achievement forms.

Workshop attendees will be equipped with:

- Samples of achievement forms
- Verb lists to help enhance descriptions to use on form
- Items to include on achievement forms that may have been overlooked
- Experts who have either been successful or helped successful youth

Attendees are encouraged to bring their previous or already started achievement form with them! Parents and advisors also welcome!
