Project Central

Read 4-H project reviews at
ohio4h.org/projectcentral.

It is a great project for any age group.

This project book does not have much reading. It has easy questions and FUN activities!

A good project for anyone who is willing to do research.

Building these robots were Fantastic! My only problem is that the kit is really expensive.

[What] I liked most about this project is that I got to try new patterns and it helped me sew better.

I would recommend this project to anyone who loves rabbits.

This is my favorite project I have ever done.

The only suggestion I have for others taking this book is to get started early because many activities require indoor care before planting outside.

THE OHIO STATE UNIVERSITY

COLLEGE OF FOOD, AGRICULTURAL,
AND ENVIRONMENTAL SCIENCES

CFAES provides research and related educational programs to clientele on a nondiscriminatory basis. For more information, visit cfaesdiversity.osu.edu. For an accessible format of publication, visit cfaes.osu.edu/accessibility.

OHIO 4-H: A GATEWAY TO OPPORTUNITY

Ohio 4-H is:

- The youth development branch of The Ohio State University.
- Guidance for youth to grow into responsible, skilled adults.
- A non-formal educational program for youth.
- A fun and educational club environment in which youth experience friends at meetings, social activities, camps, and fairs.
- A program that engages youth in learning activities.

Ohio 4-H projects include rockets, dogs, cats, shooting sports, exploring the outdoors, trees, woodworking, creative art, scrapbooking, cake decorating, and many more. Ohio 4-H is not just cows, plows, and cooking!

If you'd like to see what projects look like and what's available, check out Project Central. This website shows each book, up through the first chapter. Visit projectcentral.ohio4h.org for more information.
