# What is Citizenship Washington Focus?

---

**Citizenship Washington Focus (CWF)** is a citizenship program conducted by National 4-H Council for high school youth. For five weeks during the summer, delegations of 14–19-year-olds from across the country attend this five-day program at the Hyatt Regency Bethesda just outside Washington, D.C. This program gives participants hands-on opportunities to learn and practice skills that promote “Better Citizens Today, Better Leaders Tomorrow”. Participants learn by attending workshops, committees, field trips, and social events.

Participants attend workshops, committees, field trips, social events, visit Capitol Hill, and meet with Congresspeople, all of which provide delegates with hands-on opportunities to learn and grow. Strategy sessions include committee work, selection of issues, introduction of a bill, and mock legislative process. Participants learn and practice skills that will make them better citizens and more successful individuals.

Most importantly, participants learn how to have a positive influence on their communities, homes, and schools. After learning the “how-to” steps and observing several successful youth-coordinated projects, they are asked to implement those ideas back home in their own communities.

## Communication from the State 4-H Office

---

You will receive two important emails concerning your trip. In emails you will receive info about your trip and forms to return to the state 4-H Office. The mailings will include:

- 1) The first email will include forms for you to complete and return to us by the May 13 deadline. You will also indicate a pickup point where you will be meeting the bus.
- 2) The second email will include the names of your group leaders, confirmed pick up points and a review of the Ohio CWF Dress Code.

# Program Goals

---

## **WELCOME TO THE CITIZENSHIP WASHINGTON FOCUS PROGRAM!**

While attending Citizenship Washington Focus, the Ohio delegation hopes to achieve several program goals. These may consist of the following:

- Understand the importance of civic and social responsibilities as they relate to the development of better citizens and leaders.
- Strengthen your communication, leadership, and other citizenship skills on a national level.
- Exchange ideas, practice respect, and form friendships with other youth from diverse backgrounds.
- Experience hands-on learning using the historical backdrop of our nation's Capital City, Washington, D.C.

In order to accomplish these goals, we will be engaging in activities that may consist of the following experiences:

- A look behind the scenes in our nation's capital, and a chance to meet senators and representatives.
- Motivational speakers, workshops and assemblies that increase individual commitment to citizen involvement and build lifetime skills for success.
- Activities that encourage new and lasting friendships.
- An enthusiastic collegiate staff working daily with the youth.

During CWF, groups will interact with National 4-H Council Conference Staff and Program Assistants who play a key role in the implementation of the Citizenship Washington Focus program. The staff greets visiting groups and orients them with the hotel, leads workshops and assemblies, advises committees, arranges room set-ups and audiovisual equipment, and assists group coordinators. Off campus, P.A.'s aid groups by providing route information and basic interpretation of sites and coordinating field trip logistics.

Program Assistants are college-age students from across the United States, selected for their leadership and public speaking abilities. They arrive in Washington, D.C. in mid-May and undergo an intensive three-week training period to learn how to facilitate the Citizenship Washington Focus program.

# COVID Protocol

---

National 4-H Council is committed to the health and safety of all youth and adults participating in our National 4-H Positive Youth Development (PYD) experiences as we continue to experience the COVID-19 pandemic. Council continues to follow the latest CDC guidance as well as District of Columbia, State of Maryland and Montgomery County, MD guidance and directives regarding COVID-19. As of March 23, 2022, the following protocols will be implemented to help mitigate the risks of exposure to COVID-19 for all participants. These are NOT optional for any youth and adults attending Citizenship Washington Focus. Individuals who are unable to comply with these protocols will be asked to leave immediately at their own expense.

These protocols may be further updated prior to or during the event(s), based on any new directives or guidance from the federal, District of Columbia, State of Maryland and/or Montgomery County, MD governments.

- Everyone attending must provide proof of either a complete COVID-19 vaccination series or a negative COVID-19 test result within 72 hours prior to their arrival in Bethesda, MD. Any individual who, due to health reasons, is unable to abide by any of the required protocols and wishes to attend must provide a signed letter from their doctor requesting a waiver.
- Masks not required, but strongly recommended. In accordance with the most recent CDC, State of Maryland and Montgomery County Guidelines, masks are not required. However, individuals may choose to wear a mask at any time. While the District of Columbia has dropped its vaccination and mask requirements to enter restaurants and other venues, it is important to note that masks ARE STILL REQUIRED on public transportation throughout Maryland, Virginia and Washington, DC. Please keep this in mind as you plan your travel. Montgomery County (the county in which the meeting hotel is located) is classified by the CDC as an area of low COVID-19 transmission. Participants will be responsible for providing their own well-fitting masks should they wish to wear a mask during their Summit and/or CWF experience.
- All participants will be encouraged to wash their hands multiple times throughout the day as recommended by the CDC. It is suggested that participants bring their own hand sanitizer to be used in addition to the sanitizer provided in all public areas of the hotel.
- Based on current CDC information and clinical expertise, older adults (65 and older), those who are unvaccinated and people of any age who have underlying medical conditions might be at higher risk for severe illness from COVID-19. These individuals should consider implementing additional protective protocols. These decisions are the responsibility of the individual, and those who assume liability for their decisions.

## **Prior to Leaving for Bethesda, MD:**

All participants are to self-monitor. If a participant is showing any of the following symptoms listed below at the time of the trip departure and/or on the two days prior, you are NOT to leave your home state.

- Fever (body temperature of 99.5 degrees F or higher)
- Chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue or muscle and body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

If a youth or adult delegate experiences COVID-19 symptoms once they arrive at the Hyatt Regency Bethesda, they will be isolated as a precaution and sent home as soon as possible. The state 4-H program of the participant will be responsible for arranging transportation, additional room charges for isolation, and supervision of the delegate until they can travel back home.

# National CWF On-Site Details

---

## **CONFERENCE SITE**

You will be staying at the Hyatt Regency, Bethesda. Meetings and assemblies will be held on-site at the hotel.

## **LODGING**

Two people will be assigned per room which includes a private bathroom. Bedding and towels will be provided. You will be assigned a roommate from Ohio who is not from your own county. Room assignments and roommates are not divulged ahead of time.

## **MEALS**

Meals are served buffet-style at the hotel. There will be a variety of foods with vegetarian selections available. On tour days, you will need to purchase meals on the Capitol Mall, in museum cafeterias, or at fast food restaurants. Remember, costs are higher in an East Coast city than in the midwest. Budget accordingly.

## **TRADING ITEMS**

Exchanging trading items is a great way to meet people and an event is planned around it at CWF. The Ohio 4-H Youth Development Office will provide you with ten Ohio 4-H pins for starters, but you will need 40-50 items altogether. You may want to be creative and make your own pins, magnets or calling card packs! Handmade items are often the most desirable. You may also want to seek out small donations from Ohio companies to give away.

# Security and Safety

---

## SECURITY IN WASHINGTON D.C. AREA

Washington, D.C. has a population of about 600,000 residents with almost 5,000,000 people in the metro area. Any large urban area has unsafe neighborhoods and “shady characters”; Washington, D.C. is no exception. Just off the main Mall area, there are many street people who try to talk to or sell all sorts of overpriced trinkets to unsuspecting out-of-towners. They are all too aware that tourists are easy targets (especially young tourists who are not “street smart”). While some of these people are just down on their luck, some are also beggars, thieves, or pickpockets. For your safety, do not talk with them, give them money, or even let them know you have a wallet!

When tourists are unaccustomed to seeing street people, they sometimes make fun of them or take their photos. Please respect their dignity and privacy; they have feelings like everyone else.

Former CWF delegates and chaperones offer this advice for staying safe on the trip:

- Use a buddy system and always stay in groups of at least four.
- Don't wear your name tag outside of conference buildings.
- When with the group; do not lag behind where you could accidentally become separated from them.
- Do not go out at night or before dawn, even for a group run.
- Always be aware of your surroundings and use caution on the streets.
- Do not talk with street people or give money to strangers!
- Do not flash money which could be easily grabbed.
- Pay attention to transactions and count returned change after purchases.
- Keep shopping bags closed and in front of you when walking so no one can remove or add anything.

## EMERGENCY CONTACTS

Chaperones and their telephone numbers will be listed in a letter that will be emailed to you. If you have questions, please call the State 4-H Office at 614-247-8148. If you must cancel at the last moment or become delayed due to emergency, please contact the chaperone for your group. Your chaperones will be expecting you at the boarding site. We must know if you are canceling, even if at the last minute.

In case of a serious illness or health emergency, you can also **DIAL 911**, if the front desk has not already done so. This number will contact Montgomery County Emergency Services. An operator will answer and ask: Police, Fire, or Ambulance? Callers should respond appropriately. Callers will be transferred to the appropriate operator, who will ask about the nature of the emergency. The dispatcher will then send the proper response team: EMT, Ambulance, Rescue Squad, etc. Montgomery County has one of the best emergency response services in the U.S. There are three fire house/rescue/ambulance facilities within about 1.5 miles of the Hyatt Regency Bethesda. Help will arrive within minutes following your call. In the meantime, stay calm, and keep the patient calm. Hotel Address: 7400 Wisconsin Ave, Bethesda, MD, 20814.

After you check in at the Hotel, you will have a direct room phone number to share with family at home.

# Staying in Touch

---

## CELL PHONES

You may bring a cell phone with the understanding that:

- expensive roaming charges may apply to your phone;
- cell phones must be **turned off during all scheduled programs, including tours.**
- they may be used to take photos but please ask chaperones if the setting allows photographs;
- cell phones may be used **only** during scheduled free time or to contact adult chaperones while offsite;
- cell phones may not be used after curfew (your roommate will want to sleep);
- if a cell phone privilege is abused, Adult Advisors will confiscate the phone and return it later.

# Spending Money

---

## SPENDING MONEY

You will be responsible for purchasing meals enroute and two lunches and one dinner on your own during CWF. You may also want to bring a little extra money for souvenirs. Program staff suggests budgeting at least \$26 per day, for a total of \$160-\$250. Some people will spend more; others will spend much less. Budget carefully to allow for expenses on the return trip.

You should consider obtaining travelers checks or prepaid Visa instead of carrying all cash. If you bring traveler's checks, you need to bring a government issued photo ID (drivers' license or state ID) in order to cash them. National 4-H Center will cash traveler's checks at their front desk. Some shops will also only if you present a government issued photo ID.

# Ohio CWF Dress Code

During your week in Washington, you will meet many people and will be representing the 4-H program, your family, county, Ohio, and youth of America, so plan to dress accordingly. Your appearance must reflect your position as an ambassador of 4-H and Ohio! (You cannot dress as if you were “on vacation”.) If in doubt about an item of clothing, dress on the conservative side! We suggest borrowing items rather than purchasing clothing you would seldom wear. Please be aware that Ohio’s Dress Code is enforced by your chaperones, and you will be asked to change if your clothing is inappropriate. (The Dress Code applies to both youth and adult participants.) A dress code classification system has been developed which describes the type of dress expected for each CWF activity. The following categories have been established to correspond to activities outlined in the Tentative Program schedule found in the CWF program section on the national web site: Very Casual, Casual, Professional Casual, Dressy. **Washington, D.C. will be very hot and humid with daytime temperatures ranging from the high 80’s to high 90’s!** Lightweight, light-colored cotton clothing is recommended.
