

4-H Flannel Tissue Holder
Handmade By JOANN

SUPPLIES & TOOLS:

14"x 7" print cotton flannel

14"x 7" solid cotton flannel

Fabric marker

Sewing supplies

Scissors

Ruler/measuring tape

DIRECTIONS:

Use a 1/4" seam allowance

Cut two 4 1/2"x 6" pieces of each flannel for front.

Cut two 4"x 6" of each flannel for back.

Back:

Fold print down 2" from the top.

Place folded print RS up onto RS of back flannel piece.

Sew edges together.

Front:

Fold each print piece down 2" from top; then fold in half lengthwise and finger press.

Fold each solid piece in half lengthwise and finger press.

Place the print piece around the solid piece as shown in the photo.

Sew edges together.

With RS together, lay the front on top of the back. Match the sides and top & overlap center front pieces.

Sew edges together. Turn RS out.
