### **GOALS/OBJECTIVES**

It's 2024, and we're looking for all future change agents! Join us for an incredible week of a new CWF experience.

Rooted in legacy but reimagined for today, CWF is THE event for teens to learn leadership and communication skills through history, democracy, and our amendments.

For 7 days, teens from around the nation will gather to have meaningful discussions, hear from prominent speakers, influential leaders, and engaging young people who have created an impact. They will connect with 500 other teens and learn the skills they need to lead their local communities and become change agents to build a brighter future.

A new CWF summit takes place June 20 and 21 allowing teens to connect while listening and learning from government speakers, community changemakers and renowned journalists.
