

## NATIONAL 4-H DAIRY CONFERENCE

### *Background and Purpose*

The National 4-H Dairy Conference provides an excellent opportunity for 4-H'ers enrolled in Dairy projects to learn more about the dairy industry, as well as to meet youth from other states. The mission of the conference is to: reward delegates for their state level achievements in the area of dairy cows and dairy goats, provide delegates the opportunity to practice new dairy related skills, observe new dairy techniques, encourage delegates to conduct educational dairy activities in their local communities, foster an increased understanding and appreciation of the dairy industry, meet new people, and share ideas. 4-H members, preferably with a background in dairy cows and dairy goats, are selected annually to attend this conference.

### *Selection Procedures and Criteria*

All 4-H members are eligible who: 1) have at least reached their 14th birthday, but did not reach their 19th birthday, before **January 1, 2018** (Note: 4-H membership ends December 31 of the year in which an individual attains the age of 19); 2) are currently enrolled as an Ohio 4-H member; 3) have a permanent residence in Ohio at the time they participate in the conference; and 4) have not received this award before.
