

COMMUNICATION DAYS
Youth Center
Wednesday, July 31 and Thursday, August 1, 2019
Sally McClaskey, Assistant Superintendent

GENERAL RULES

1. **A member who was a clock trophy winner in any one class in 2018 is not eligible to participate in the same class in 2019.**
2. A member who has given a talk or participated in the marketing division in one year is expected to give a new and different talk or present new and different marketing concepts the next year.
3. All work is to be original work created by the 4-H member(s) for 4-H.
4. Entries must be made by the Extension Office in each county by July 22, 2019.

PRESENTATION DIVISION RULES

1. Previous clock trophy winners in the Presentation Division must wait until they are age-eligible to enter a new class (i.e. a junior individual must wait until s/he is of age for the intermediate class to participate.)
2. Counties may have up to a total of twenty-five (25) entries in the Presentation Division, Classes J-1 through J-6. No more than five entries in any one of these classes are permitted, and no individual may participate in more than one of these classes. Counties are encouraged to conduct a qualifying event and to provide participants with feedback that will help them prepare for the state-level competition.
3. **Members are expected to participate in the Presentation Division, Classes J-1 through J-6, on the day their county is scheduled to compete. In the event of a conflict with another State Fair event, a member may request permission to change *time of day*. Members who choose to participate on a different day from the one scheduled for their county will receive feedback from the judges but will not be eligible for awards.**
4. A team presentation consists of two people sharing the speaking and teaching role. When members of a team fall into different age categories, they will participate in the older class.
5. Easels, a microphone, a table, laptop computer, screen, LCD projector, and extension cord will be available for use by participants. Presentation must be Windows compatible.
6. The laptop provided for your use will run a recent edition of PowerPoint. If you use other software programs you may bring your own laptop, but must be able to set it up and troubleshoot any issues. Members may bring a USB flash drive to use on the equipment provided and should have the knowledge of how to install it. No Wi-Fi connection is available.
7. All presentations will be given inside the Youth Center.
8. Due to the limitations of the building's facilities, no large animals (i.e. Horse, Beef, Sheep, Goat, Dairy or Hogs over 20 pounds) may be used in a 4-H presentation. Members should use models, photographs, or illustrations to make their point when giving a talk about large animals
9. Any small animal (under 20 pounds) may be used in a 4-H presentation provided the animals do not place the public at risk and provided they meet all of the health requirements established by the Ohio Department of Agriculture Livestock Health Requirements found in the Ohio State Fair Livestock Exhibitor Handbook. Current health and shot records must be carried with the animal. Animals must remain caged or leashed before and after the presentation.
10. Members should set up their presentation on their own with no outside assistance. There will be a judge's helper available to help with set up. A reasonable amount of time will be allotted for set-up.
11. All presentations will be timed. Timing begins when *the member begins to speak* and ends following the conclusion. Questions and answers are not included in the official time.
12. **Firearms, bows, arrows, weapons, air pistols or air rifles, paintball guns, gun cases, or any reasonable facsimile are not permitted on the fairgrounds and may not be used in a demonstration or illustrated talk.** Plastic replicas are permissible, but caution is urged in the use of items that look truly authentic as they may create concerns with the Fair Security and may not be permitted on the grounds.
13. Members who use PowerPoint, Prezi, or other similar technology in an Illustrated Talk or Demonstration (J-3 through J-6) should use the technology to supplement their delivery. The presentation may not consist solely of a pre-recorded narration. The member is required to provide a live delivery of the topic.
14. Members using technology that experience computer glitches may, with permission of the judge, call upon outside assistance for technical help. Members are expected to be able to perform routine set-up and use of the equipment.
15. When members using technology experience an equipment failure or glitch that cannot be resolved in a reasonable time (a few minutes), the judge may elect to move to the next presentation. The member will be given time to work out the technical problem off stage and then re-schedule the presentation with the judge's helper. If the member experiences a second failure, the presentation will be ended and evaluated accordingly.
16. Presenters should plan to arrive 15 minutes prior to their scheduled time to check in at the registration desk and receive a score sheet. Every effort will be made to have participants finished with their presentations and

feedback session within an hour of their arrival, but presenters may have to wait if entries exceed expectations and judging is backed up.

17. Upon completion of the feedback session with the judge, presenters will be excused and may return for the Awards Ceremony, which will be held in the Youth Center at or about 5:00 p.m. each day.
18. If a presenter is bringing a heavy item or small animal, they should contact their county Extension office and request an Ohio State Fair Loading/Unloading pass. This pass makes it possible to pull a vehicle up to the Youth Center and unload before being required to park. Note: Anyone planning to unload must do so BEFORE parking to avoid being charged twice.
19. See specific class rules and schedule below for additional information.
