Assistant Superintendents

GENERAL GUIDELINES
1. Age of Participants:

2. Participation Guidelines:
   • Winner of any one class in 2016 is not eligible to participate in the same project in either age level for 2017.
   • Each county may only send one participant per class.
   • Each participant may only compete in one project. Each participant will be competing on an individual basis.
   • Participants eligible for the clock trophy must meet the project age levels for either the junior (ages 8-13), age level or the senior (ages 14-18) age level. All participants are eligible for Outstanding of the Day.
   • Outstanding of the Day awards and clock trophies will be presented at 4:30 p.m.

3. Type of Evaluation:
   • Each individual will participate in three different stations. The stations will include a Skill Station – being an activity applying knowledge focusing on MyPlate (www.choosemyplate.gov) and a Portfolio station with members sharing their learning experience in a folder or binder using pictures, illustrations, written information – documenting what they learned from their project, and an interview station -- answering questions directly from their book. Both stations will be specific to the project they are enrolled in.
   • Activity stations will be based on information contained in the 4-H project books.
   • Registration will begin 15 minutes before time indicated for each county, and date for participants in each class and skill level.
   • This event will take approximately 1-1 ½ hour to complete.

4. Participant to bring:
   • All participants should bring a pencil, their three pronged folder with their completed “Portfolio” and a blank clipboard; do not bring anything else. See attached information regarding Portfolio.
   • Participants may not bring prepared food, posters, daily menus, or other props to the State Fair Food and Nutrition Activity.
   • Participants may not bring project books into the judging area.

Food and Nutrition Project Evaluation Guidelines

- The Skills Station will be where the participant will apply knowledge learned from the MyPlate information that can be found in their book, their county 4-H office, or online at [www.choosemyplate.gov](http://www.choosemyplate.gov). The website is an extensive review of the information to study to increase their knowledge.

- The Interview station allows the participant to answer questions taken directly from their specific project book. This allows the participant to share information they learned from their project related to food and nutrition.

- The Portfolio is project specific and is used to enhance a conversation between the member and a judge about activities the member completed within the project. The participant will be responsible for bringing a 3 pronged folder or binder that includes 8 ½” x 11” pages. Participants will create a maximum of one page (one-sided only) per “activity area” or “interest area” as designated in the front of their project books. Ideas for these pages include journaling, a timeline, and photos taken during their project, or any other format that would illustrate the work and knowledge of the participant. Each page could be different or can be a combination of styles allowing the 4-H’er to reflect on their learning experience. **There will be no points for scrapbooking style.** The portfolio is to be completed prior to arriving at the state fair. (See the document titled “Portfolio Interest Areas.”)

- Portfolios are judged based on the verbal presentation, organization of the material in the portfolio, inclusion of their efforts in required “Activity or Interest” area pages, and communication with the judge describing their portfolio.

- The member will present the portfolio to the judge and have the opportunity to explain their active involvement in their project.

- The member’s project book may not be a part of their portfolio.
