

## Fiscal Reporting for 2024 Grant Impact Report

### Guidance for running Workday reports:

1. Search for “Sources and Uses by Cost Center” in Workday and select that report.

2. Fill out the following report criteria:

- **Organization**- This is your county cost center
- **Period**- Select the current period
- **Time Period**- Select Calendar Year (Standard)
- **Worktags**- Always add GF605354 and PG107927. *If you have more than one grant, you will need to also include your assignee tag.*

### Example:

Company	*	<input type="text" value="x The Ohio State University ..."/>	:	
Organization	*	<input type="text" value="x Cost Center: CC11946 FAES ..."/>	:	<div>Your county cost center</div>
Period	*	<input type="text" value="x FY2023 - 02-Aug"/>	:	<div>Select the current period</div>
Time Period	*	<input type="text" value="x Calendar Year (Standard) ..."/>	:	
Ledger	*	<input type="text" value="x Actuals"/>	:	
Amount Type	*	<input type="text" value="x Activity"/>	:	
Budget Structure	*	<input type="text" value="x Adaptive Operating Budget ..."/>	:	
Budget Plan Name		<input type="text"/>	:	
Worktags		<input type="text" value="x Gift: GF605354 Ohio 4-H ..."/>	:	<div>*Add program tag (PG107927) and assignee tag if you have more than one</div>
Exclude Worktag		<input type="text"/>	:	

3. Click “OK” to run the report

4. Click on the blue numbers under “net margin” column. A pop-up box with detail for the expenses will appear.

5. Click on the Excel button at the top of the pop-up box.

6. This will export the report into excel.

**\*Note:** When viewing your report, it is important to pay attention to the “Accounting Dates” column. Any lines that are from 2022 will not be relevant to your expenses this year.
