

2023 Ohio State 4-H Dairy Judging Contest

Registration for the State contest will be online this year through the Spring Dairy Expo Entry page. Registration should be available sometime around February 1st. **Please take advantage of the early registration discount.** The deadline for pre-registration is Wednesday, March 1, 2023. I realize that our kids are very busy and sometimes schedules do change so you may also make substitutions or changes the day of the contest as needed.

To make this easier for you we eliminated the need for the County 4-H extension agent's signature prior to the contest. **We will be validating enrollment with the county agents following the contest (this is not for the Open division).** There are several reasons for this, the first being that the actual 4-H enrollment deadline for most counties is April 15th. Another reason is to improve accountability for multiple county teams, and lastly, it will save the coaches from having to collect signatures.
