County-Use of Ohio 4-H/OSF Dog Rules and Regulations

County usage of all Ohio 4-H/Ohio State Fair Dog Show Rules and Regulations is recommended for consistency and continuity in the 4-H dog programs throughout the state. However, counties may adapt The Ohio 4-H/Ohio State Fair Dog Show Rules and Regulations for county level evaluations to allow for a more positive experience for youth. Some examples include:

- *Adding, deleting or modifying classes offered to accommodate entry numbers or experience, such as dividing Pre-Novice into Pre-Novice A and Pre-Novice B classes*
- *Adding “C” classes when needed.* At the Ohio State Fair, except for certain advanced obedience classes, youth are required to move to a higher level if winning. However, depending on the size of classes at the county level, it may not be feasible for a youth to move to a higher level after winning. They may be the only youth in the class, or may not be ready as a team to move to the higher level. Therefore, either permitting youth winning first place to repeat a class, or creating a “C” class for certain obedience classes, allows that youth to continue training at the same level to become successful and not get discouraged, dropping out of the dog project.
- *Adapting age divisions for participation.* For example, Showmanship and You and Your Dog are divided into Junior, Intermediate, and Senior classes at the State Fair. Counties may offer Junior and Senior classes, or even just one Showmanship class, depending on numbers.
- *Combining A and B classes.* Counties may combine an A and B class into one class provided the class exercise requirements are the same. However, record-keeping is required to ensure that youth/dog teams who are inexperienced “A” teams, are recognized as such so that they are not excluded from participating at the “A” level at the Ohio State Fair in the same 4-H year, if applicable.

2020 General Dog Show Rules for Ohio 4-H/Ohio State Fair Participation

Note: Changes and/or additions for 2020 are underlined.

Preface

Below are the rules for participating in the 2020 Ohio State Fair Junior Fair Dog Show. It is your responsibility to read, understand, and follow these rules. Please refer to the *County-Use of Ohio/OSF Dog Rules and Regulations* at the beginning of this section to find examples of how these rules can be modified for county use.

1. Prior to participating in 4-H dog activities with a dog (which includes the Ohio State Fair Dog Show), a 2020 Permission to Participate in Ohio 4-H Dog Activities Disclosure and Release of Claims form MUST be signed by the 4-H member and a parent or guardian for this year's 4-H dog projects. **This form for the current year must be on file in the county Extension office for each youth before they can participate in the Ohio 4-H Dog Program activities with a dog.**
2. Individuals who violate any rule and/or exhibit poor sportsmanship during the Ohio State Fair Junior Fair Dog Show will be disqualified from showing.
3. Any dog exhibiting unsafe or threatening behavior *at any time before, during, or after exhibition* MUST be removed from the fairgrounds and will not be permitted to return at any time throughout the Dog Show. Determination of the show committee and/or judge will be final.
4. A dog that snaps, bites, or attempts to bite while in the ring must be immediately excused from the ring and then removed from the Fairgrounds for the remainder of the Dog Show.
5. Individuals are not permitted to have any discussion with judges at any time throughout the Dog Show. (This does not include discussions or questions during Agility or Rally Briefings or Walkthroughs.)
6. Determinations of the Show Committee and/or Judges are FINAL.
7. Judges' judging and scoring decisions are FINAL.
8. Individuals with concerns must express them in writing, give them to Show Personnel, and those concerns will be discussed at the fall Ohio 4-H Dog Advisory Committee meeting. Confrontations with judges and/or show personnel may result in disqualification of exhibitor and removal of individuals from the Fairgrounds.
9. Ohio State Fair Dog Show information can be found at <http://go.osu.edu/osfdogs>.

1. Youth must be enrolled in 4-H, and ages 8 and in the third grade, or 9 years old and older regardless of grade level, as of January 1, 2020, with the last year of eligibility, or participation, in 4-H being the year in which the individual turns 19.

5. Prior to showing at the Ohio State Fair, the exhibitor is expected to understand and agree to follow the *2020 Ohio State Fair Junior Fair Dog Show Rules*, including the exercises to be performed for the judge, and to be able to perform those exercises prior to the Ohio State Fair Dog Show.

3. *Hardship cases* are defined as dogs that replace the original project enrolled by the exhibitor after the county's enrollment deadline, or no later than April 1.

5. *Ownership – Non-registered purchased dogs:* A non-registered dog purchased from a private owner, pet shop, humane society, dog rescue, etc., must have the exhibitor's name or a member of his/her immediate family's name, on the bill of sale. It is recommended that a copy of this bill of sale be on file in the county Extension office.
6. *Ownership – Dogs found/gifts:* If a dog was given to the exhibitor or immediate family, or found by the exhibitor or immediate family, the exhibitor or a member of his/her immediate family receiving or finding the dog should verify the date received or found by use of veterinary records, dog licenses, and other forms of records, and write a statement as to the definite or approximate date the dog was received as a gift or found. It is recommended that a copy of this statement be on file in the county Extension office.

Training

1. Lessons, instruction and advice for the exhibitor are encouraged. As long as the exhibitor is present in the learning situation, and handles or trains the dog the majority of the time present, such assistance can include occasional handling or training by another person. 2. The judge will not permit an exhibitor to train or practice any exercise in the show ring at any time.

(A new "project year" typically begins following the exhibitor's county fair, or State Fair if after the OSF exhibitor's county fair, or county's 4-H awards program. Check with your county Extension office for your county's policy.) Handlers and/or dogs not meeting this requirement **MUST** show in a "B" class. Refer to "A" class information in the rules for each show discipline.
4. Junior Fair exhibitors in respective activities and classes are expected to perform in those events and demonstrate those skills which are listed in these *2020 Ohio State Fair Junior Fair Dog Show Rules*, in the *Ohio 4-H Dog Resource Handbook*, *Ohio 4-H Dog Project and Record Book*, and on the various 2020 dog 4-H judging score sheets.

State Fair Championship Title

Exhibitors showing their dogs at the Ohio State Fair Junior Fair Dog Show may apply for titling by recording State Fair achievements during their 4-H careers. The junior fair participant, their parent/guardian, and 4-H advisor must document achievements. The Ohio State Fair Championship Title is for the handler, regardless of the number of dogs shown.

Requirements

1. 4-H member may earn one Title per year regardless of the number of dogs shown;
2. 4-H member must accumulate 25 points to earn a Title;
3. Points will carry over from one year to the next;
4. Subsequent Titles will be awarded for each additional 25 points;
5. Points are recorded for the handler; and
6. All State Fair Dog Show participation rules apply.

Point System – Regular Classes

A 4-H member may use multiple dogs the same year to earn points toward an OSF Championship Title provided the dogs are shown in different events. However, in one given year at the Ohio State Fair Dog Shows (2020), youth can receive no more than the following points per event, regardless of the number of dogs exhibited or classes entered in that event:

One (1) point will be awarded for participation in any of these State Fair events:

- | | |
|---------------------|--------------------|
| 1. Agility | 9. Showmanship |
| 2. Assistance Dogs | 10. Freestyle |
| 3. 4-H PetPALS | 11. Team |
| 4. Brace | 12. Poster Contest |
| 5. Drill Team | 13. Skillathon |
| 6. Obedience | 14. AKC Trick Dog* |
| 7. You and Your Dog | 15. AKC CGC* |
| 8. Rally | |

An additional 5 points for earning a gold medal or placing 1st through 15th will be awarded per event, per year, regardless of the number of dogs entered in that event. For example: placement in ONE obedience class, regardless of the number of obedience classes exhibited = 5 points; placement in ONE rally class, regardless of the number of rally classes exhibited = 5 points; placement in ONE agility class, regardless of the number of agility classes exhibited = 5 points. Exhibitors must meet all of the criteria according to the score sheet to receive 5 points for the 4-H PetPALS class. Exhibitors must meet all of the expectations according to the score sheet to receive 5 points for the Assistance Dog class.

* For Trick Dog and CGC classes, exhibitors may earn points for participation only. An exhibitor may earn 1 point for participation in ONE Trick Dog class and 1 point for participation in ONE CGC class.

Awards: A pin and T-shirt will be presented to each exhibitor receiving his/her first Title at the Ohio State Fair during the Ohio State Fair Dog Show. Exhibitors receiving second titles, third titles, etc. will receive an award depending on sponsorship.

4-H Exhibitor Versatility Award

The purpose of the 4-H Exhibitor Versatility Award (EVA) is to: (1) encourage youth to participate in several classes (including Skillathon and Poster) at the Ohio State Fair Dog Show, and (2) award youth for achieving excellence in the classes in which they are showing or participating. To earn a 4-H Exhibitor

Versatility Award, exhibitors must place in FIVE (5) classes as follows: (1) receive a gold medal in Agility; (2) meet all of the expectations according to the score sheet in the Assistance Dog class; (3) meet all of the criteria according to the score sheet in the 4-H PetPALS dog class; (4) place in the top five in all classes receiving placings, including the Skillathon and Poster Contest. Youth violating any of the *2020 Ohio State Fair Junior Fair Dog Show Rules* or with points taken off for poor sportsmanship will not be eligible for this award. An exhibitor must show in five (5) classes and earn one placing as described above per class, with one dog in each of those classes. The 4-H Exhibitor Versatility Award is based on the number of classes, not number of dogs per class (i.e. for agility and rally). An exhibitor may earn one 4-H Exhibitor Versatility Award a year.

4-H Exhibitor Versatility Award Forms: Exhibitors must request an EVA Form from Steve at Registration. The exhibitor must keep track of their points toward earning the 4-H Exhibitor Versatility Award on this form, and return it to Steve at the Registration table once enough points have been earned to receive this award. Steve will verify all points earned. After verification that points earned are adequate to receive this award, the award will be presented.

Terminology

1. **Discipline** – refers to a show category. Each of the following is a Discipline: Showmanship, Obedience (including Team and Brace), Rally, Agility, You and Your Dog, Drill Team, Canine Freestyle, 4-H PetPALS, Assistance Dogs, Tricks, and Canine Good Citizen.
2. **Level** – refers to sub-categories within certain disciplines. For example, Novice is a level in the Obedience discipline; Rally Excellent is a level in the Rally discipline.
3. **Class** – refers to the two classes within certain disciplines and/or discipline levels. The letters “**A**” and “**B**” refer to the experience of the youth **and** dog.
 - a. “**A**” classes are for handlers or dogs with **NO** training or showing experience prior to the county’s current project year. “**A**” classes can never be repeated by the same youth, regardless of what dog is shown. “**A**” classes can never be repeated by the same dog, regardless of what youth shows that dog. Refer to “**A**” class information in the rules for each show discipline.
 - b. “**B**” classes can be repeated by the same youth regardless of what dog is shown, and by the same dog, regardless of who shows that dog, provided the youth and/or dog are not the class winners (exception: Showmanship and You & Your Dog). If/when a youth and/or dog wins first place in a “**B**” class, the youth and dog must move to the next level (exception: Showmanship, You & Your Dog, and specified advanced obedience classes). A dog must move to a higher level within a discipline, once that dog begins performing at that higher level. (Refer to each of the show discipline’s rules for rules specific to that discipline.)

Eligibility

Youth may enter any of the disciplines, levels, and classes they are eligible for as outlined in the *2020 Ohio State Fair Junior Fair Dog Show Rules*. The handler and dog must be able to perform the exercises required of the disciplines/levels/class(s) entered. *Youth may not enter classes without both youth and dogs being prepared prior to the State Fair to perform the required exercises. A zero (0) will be given to any handler/dog team not attempting an exercise, except as provided otherwise specifically in the rules. A zero (0) on the exhibitor’s score sheet will result in an incomplete for that class, and therefore the exhibitor will not be eligible for an award, except as provided otherwise specifically in the rules.*

Exhibitors may show one or more project dogs, provided the exhibitors and dogs meet the eligibility requirements of each respective class, as follows (refer to each respective show discipline rulebook for more detailed and complete information):

Show Disciplines

1. Agility

Youth may enter any number of project dogs in Agility and are permitted to enter more than one dog per Agility class. Youth showing in Agility may show the same or different project dog(s) in other disciplines/classes provided they meet those eligibility requirements.

2. Obedience

Beginner Novice A

Beginner Novice A is for the first-year member and first-year dog with no prior show experience.

Beginner Novice A youth are not permitted to show the same or different dog in any other obedience

Inappropriate clothing for Drill Team and Freestyle classes includes clothing that is too tight or too revealing, such as short skirts, short shorts, tank tops, halter tops, spaghetti straps, low cut blouses or shirts, shorts hanging too low on the waist, or other similar types of clothing. Do not wear shirts with club names or logos, or clothing with lettering and distracting or offensive wording or designs. Drill Team Classes Offered at 2020 Ohio State Fair Monday, August 3 Drill Team (4-9 members)

Judging Requirements

Obedience Exercises: Obedience will be judged using the same criteria as individual obedience classes.

Heeling – The team can do any form of heeling patterns. Heeling patterns must include at least **three (3) sits, one (1) fast and one (1) slow** movement.

Figure 8 – The Figure 8 can be done in any type of formation. There must be **two (2) sits** during the Figure 8 pattern.

Stand for Examination – The Stand for Examination can be done in any type of formation. It must be done **once (1 time)** during the presentation. Either the handler may examine their own dog or have another drill team member examine the dog.

Recall – The Recall can be done in any type of formation. There must be at least **one (1) Recall** per dog and handler team during the performance.

Down – One (1) 1-minute Down must be completed by all dog/handler teams at the same time during the performance. The Down may be on or off leash. The Down can be done in any formation. Dogs must stay in the down position. Handlers can have movement during the Down. Examples include handler dancing, marching, and moving around or away from the dog while it is in the down position.

Required Elements:

Moving Circles – Every dog and handler team must participate in at least **two (2)** moving circles.

Moving Straight Lines – Each dog and handler team must participate in at least **two (2)** moving straight lines.

Team Participation – All dog and handler teams must participate in the entire routine.

Presentation:

Overall Presentation/Entertainment Value – This is a score that will be given for the overall entertainment value or crowd appeal of the presentation. Judges will consider these questions during scoring: Was it entertaining? Did the presentation keep the viewers' attention throughout the **whole** routine? Were handlers and dogs enjoying themselves? Did the routine flow well? Was the flow smooth from one exercise/element to the next?

Routine Complexity and Element Execution – This score will take into consideration degree of difficulty and how precise the elements were executed within the routine. Elements with a higher degree of difficulty that were well executed will be given higher point consideration. Routines do not have to be difficult to receive a high score! An easy movement done well will be given higher points consideration than a difficult element done poorly.

Creativity – Judges will be granting points based on creativity and originality of individual elements within the performance. They will also look at how the attire contributes to the overall theme. When considering the attire, judges will look at creative use of materials and NOT the amount of money spent to produce an outfit. Props are permitted only as wearable parts of the exhibitor’s clothing. *Stationary props are not permitted.*

Music Appropriate to Routine – The judge will consider the tempo and genera of music to see if the routine fits the music selection. Judges will look to see if pace of the routine matches tempo of the music.

Attitude/Enthusiasm – Points will be awarded for positive attitudes and enthusiasm. Remember, ***all team members contribute to this score.***

Use of Space – Teams will be awarded points for effectively using the entire show arena. The ring size will be 50 feet x 50 feet. Teams need to stay inside this diameter.

Penalties

Animal Respect – Judges will watch to see that the dog is a respected partner of the team. They may ask themselves these questions: Is the dog a willing participant? Has the dog been “dragged” throughout the routine? Is the handler treating the dog like a prop or like a teammate? Is the handler aware that there is a dog on the leash? Is the dog given inappropriate corrections? Are the elements in the routine appropriate for the dog’s condition and age? If the handler shows lack of respect for his/her teammate, they will incur a **substantial** point deduction per occurrence.

Disciplining – The show ring is not the proper place to discipline your dog. An exhibitor disciplining a dog in the show ring will be excused from further competition in that class.

Fouling the Ring – There will be a **25-point** deduction for each instance of a dog fouling in the ring. (Refer to Fouling the Ring, page 18.)

Barking – Points will be deducted for barking unless it is an obvious part of the routine.

Dog Leaves the Ring – There will be a **10-point** deduction for each instance of a dog leaving the ring.

Unusual Behavior – Points will be deducted for and not limited to the following: dog aggression, dog displaying dominance, dog visiting spectators, etc. A dog that snaps, bites or attempts to bite will be immediately excused from the ring.

Inappropriate Music – Points will be deducted for music that is offensive or has inappropriate language.

Rules Violations – Deductions will be taken for violating rules found in the *2020 Ohio State Fair Jr. Fair Dog Show Rules/Show Venue Rules.*

Time Violations – **Five (5)** points will be deducted for presentations less than 5 minutes and more than 7 minutes.

2. Music must be provided in a manner that can be connected to an auxiliary cord. One person must be responsible for the device. CDs will not be accepted.
3. Music checks will be available immediately before each competitor's routine to ensure the volume is at the competitor's preferred level prior to the performance. It is recommended competitors use the music checks conscientiously, as placement of the speakers may be different at each event and may affect the dog's performance. Toys and/or training aids (other than food/food treats) may be used in the ring during music checks.
4. No food (animal or human), treats, bait, or training aids are allowed in the ring while a routine is being judged. Violations will result in the routine being disqualified.
5. The routine will be performed in an area approximately 50' x 50'.
6. In the instance of a sound system failure, show coordinators will ensure that each competitor receives a fair, complete, and uninterrupted performance of their routine. The music can either be restarted from the beginning or from the point of interruption, and the exhibitor can either restart the routine or continue from the point of interruption.
7. The routine must start, continue, and finish within the confines of the ring area.

8. Use of Ring Space: The goal with this, for all routines, is for the dog(s) and handler(s) to cover as much of the total ring area as possible, presenting moves in various areas of the ring and balancing the routine throughout the ring space. At least 50% of the total ring area should be used during a routine.
9. All movements of the dog(s) should appear natural and safe for the dog to perform. There should be no intentional held or forced movement of the dog(s) by the handler(s).

13. In division levels where exhibitors are given choice to do their routine either On or Off leash, all On and Off leash competitors of each division level, together, compete for placements.
14. The judging time of the routine will start when either the dog or handler begin to move (not when the music starts). The time will stop when both the dog and handler have stopped moving / the ending pose of the routine, or when the 15-second overtime is reached, whichever comes first.
