County-Use of Ohio 4-H/OSF Dog Rules and Regulations

County usage of all Ohio 4-H/Ohio State Fair Dog Show Rules and Regulations is recommended for consistency and continuity in the 4-H dog programs throughout the state. However, counties may adapt The Ohio 4-H/Ohio State Fair Dog Show Rules and Regulations for county level evaluations to allow for a more positive experience for youth. Some examples include:

- *Adding, deleting or modifying classes offered to accommodate entry numbers or experience, such as dividing Pre-Novice into Pre-Novice A and Pre-Novice B classes*
- *Adding “C” classes when needed.* At the Ohio State Fair, except for certain advanced obedience classes, youth are required to move to a higher level if winning. However, depending on the size of classes at the county level, it may not be feasible for a youth to move to a higher level after winning. They may be the only youth in the class, or may not be ready as a team to move to the higher level. Therefore, either permitting youth winning first place to repeat a class, or creating a “C” class for certain obedience classes, allows that youth to continue training at the same level to become successful and not get discouraged, dropping out of the dog project.
- *Adapting age divisions for participation.* For example, Showmanship and You and Your Dog are divided into Junior, Intermediate, and Senior classes at the State Fair. Counties may offer Junior and Senior classes, or even just one Showmanship class, depending on numbers.
- *Combining A and B classes.* Counties may combine an A and B class into one class provided the class exercise requirements are the same. However, record-keeping is required to ensure that youth/dog teams who are inexperienced “A” teams, are recognized as such so that they are not excluded from participating at the “A” level at the Ohio State Fair in the same 4-H year, if applicable.

2020 General Dog Show Rules for Ohio 4-H/Ohio State Fair Participation

Note: Changes and/or additions for 2020 are underlined.

Preface

Below are the rules for participating in the 2020 Ohio State Fair Junior Fair Dog Show. It is your responsibility to read, understand, and follow these rules. Please refer to the *County-Use of Ohio/OSF Dog Rules and Regulations* at the beginning of this section to find examples of how these rules can be modified for county use.

1. Prior to participating in 4-H dog activities with a dog (which includes the Ohio State Fair Dog Show), a 2020 Permission to Participate in Ohio 4-H Dog Activities Disclosure and Release of Claims form MUST be signed by the 4-H member and a parent or guardian for this year's 4-H dog projects. **This form for the current year must be on file in the county Extension office for each youth before they can participate in the Ohio 4-H Dog Program activities with a dog.**
2. Individuals who violate any rule and/or exhibit poor sportsmanship during the Ohio State Fair Junior Fair Dog Show will be disqualified from showing.
3. Any dog exhibiting unsafe or threatening behavior *at any time before, during, or after exhibition* MUST be removed from the fairgrounds and will not be permitted to return at any time throughout the Dog Show. Determination of the show committee and/or judge will be final.
4. A dog that snaps, bites, or attempts to bite while in the ring must be immediately excused from the ring and then removed from the Fairgrounds for the remainder of the Dog Show.
5. Individuals are not permitted to have any discussion with judges at any time throughout the Dog Show. (This does not include discussions or questions during Agility or Rally Briefings or Walkthroughs.)
6. Determinations of the Show Committee and/or Judges are FINAL.
7. Judges' judging and scoring decisions are FINAL.
8. Individuals with concerns must express them in writing, give them to Show Personnel, and those concerns will be discussed at the fall Ohio 4-H Dog Advisory Committee meeting. Confrontations with judges and/or show personnel may result in disqualification of exhibitor and removal of individuals from the Fairgrounds.
9. Ohio State Fair Dog Show information can be found at <http://go.osu.edu/osfdogs>.

5. Prior to showing at the Ohio State Fair, the exhibitor is expected to understand and agree to follow the *2020 Ohio State Fair Junior Fair Dog Show Rules*, including the exercises to be performed for the judge, and to be able to perform those exercises prior to the Ohio State Fair Dog Show.

It is recommended that a copy of this bill of sale be on file in the county Extension office.

Check with your county Extension office for your county’s policy.) Handlers and/or dogs not meeting this requirement **MUST** show in a “B” class. Refer to “A” class information in the rules for each show discipline.

Junior Fair exhibitors in respective activities and classes are expected to perform in those events and demonstrate those skills which are listed in these *2020 Ohio State Fair Junior Fair Dog Show Rules*, in the *Ohio 4-H Dog Resource Handbook*, *Ohio 4-H Dog Project and Record Book*, and on the various 2020 dog 4-H judging score sheets.

The junior fair participant, their parent/guardian, and 4-H advisor must document achievements. The Ohio State Fair Championship Title is for the handler, regardless of the number of dogs shown.

Requirements

1. 4-H member may earn one Title per year regardless of the number of dogs shown;
2. 4-H member must accumulate 25 points to earn a Title;
3. Points will carry over from one year to the next;
4. Subsequent Titles will be awarded for each additional 25 points;
5. Points are recorded for the handler; and
6. All State Fair Dog Show participation rules apply.

Point System – Regular Classes

A 4-H member may use multiple dogs the same year to earn points toward an OSF Championship Title provided the dogs are shown in different events. However, in one given year at the Ohio State Fair Dog Shows (2020), youth can receive no more than the following points per event, regardless of the number of dogs exhibited or classes entered in that event:

One (1) point will be awarded for participation in any of these State Fair events:

- | | |
|---------------------|--------------------|
| 1. Agility | 9. Showmanship |
| 2. Assistance Dogs | 10. Freestyle |
| 3. 4-H PetPALS | 11. Team |
| 4. Brace | 12. Poster Contest |
| 5. Drill Team | 13. Skillathon |
| 6. Obedience | 14. AKC Trick Dog* |
| 7. You and Your Dog | 15. AKC CGC* |
| 8. Rally | |

An additional 5 points for earning a gold medal or placing 1st through 15th will be awarded per event, per year, regardless of the number of dogs entered in that event. For example: placement in ONE obedience class, regardless of the number of obedience classes exhibited = 5 points; placement in ONE rally class, regardless of the number of rally classes exhibited = 5 points; placement in ONE agility class, regardless of the number of agility classes exhibited = 5 points. Exhibitors must meet all of the criteria according to the score sheet to receive 5 points for the 4-H PetPALS class. Exhibitors must meet all of the expectations according to the score sheet to receive 5 points for the Assistance Dog class.

* For Trick Dog and CGC classes, exhibitors may earn points for participation only. An exhibitor may earn 1 point for participation in ONE Trick Dog class and 1 point for participation in ONE CGC class.

Awards: A pin and T-shirt will be presented to each exhibitor receiving his/her first Title at the Ohio State Fair during the Ohio State Fair Dog Show. Exhibitors receiving second titles, third titles, etc. will receive an award depending on sponsorship.

4-H Exhibitor Versatility Award

The purpose of the 4-H Exhibitor Versatility Award (EVA) is to: (1) encourage youth to participate in several classes (including Skillathon and Poster) at the Ohio State Fair Dog Show, and (2) award youth for achieving excellence in the classes in which they are showing or participating. To earn a 4-H Exhibitor

Versatility Award, exhibitors must place in FIVE (5) classes as follows: (1) receive a gold medal in Agility; (2) meet all of the expectations according to the score sheet in the Assistance Dog class; (3) meet all of the criteria according to the score sheet in the 4-H PetPALS dog class; (4) place in the top five in all classes receiving placings, including the Skillathon and Poster Contest. Youth violating any of the *2020 Ohio State Fair Junior Fair Dog Show Rules* or with points taken off for poor sportsmanship will not be eligible for this award. An exhibitor must show in five (5) classes and earn one placing as described above per class, with one dog in each of those classes. The 4-H Exhibitor Versatility Award is based on the number of classes, not number of dogs per class (i.e. for agility and rally). An exhibitor may earn one 4-H Exhibitor Versatility Award a year.

4-H Exhibitor Versatility Award Forms: Exhibitors must request an EVA Form from Steve at Registration. The exhibitor must keep track of their points toward earning the 4-H Exhibitor Versatility Award on this form, and return it to Steve at the Registration table once enough points have been earned to receive this award. Steve will verify all points earned. After verification that points earned are adequate to receive this award, the award will be presented.

Terminology

1. **Discipline** – refers to a show category. Each of the following is a Discipline: Showmanship, Obedience (including Team and Brace), Rally, Agility, You and Your Dog, Drill Team, Canine Freestyle, 4-H PetPALS, Assistance Dogs, Tricks, and Canine Good Citizen.
2. **Level** – refers to sub-categories within certain disciplines. For example, Novice is a level in the Obedience discipline; Rally Excellent is a level in the Rally discipline.
3. **Class** – refers to the two classes within certain disciplines and/or discipline levels. The letters “**A**” and “**B**” refer to the experience of the youth **and** dog.
 - a. “**A**” classes are for handlers or dogs with **NO** training or showing experience prior to the county’s current project year. “**A**” classes can never be repeated by the same youth, regardless of what dog is shown. “**A**” classes can never be repeated by the same dog, regardless of what youth shows that dog. Refer to “**A**” class information in the rules for each show discipline.
 - b. “**B**” classes can be repeated by the same youth regardless of what dog is shown, and by the same dog, regardless of who shows that dog, provided the youth and/or dog are not the class winners (exception: Showmanship and You & Your Dog). If/when a youth and/or dog wins first place in a “**B**” class, the youth and dog must move to the next level (exception: Showmanship, You & Your Dog, and specified advanced obedience classes). A dog must move to a higher level within a discipline, once that dog begins performing at that higher level. (Refer to each of the show discipline’s rules for rules specific to that discipline.)

Eligibility

Youth may enter any of the disciplines, levels, and classes they are eligible for as outlined in the *2020 Ohio State Fair Junior Fair Dog Show Rules*. The handler and dog must be able to perform the exercises required of the disciplines/levels/class(s) entered. *Youth may not enter classes without both youth and dogs being prepared prior to the State Fair to perform the required exercises. A zero (0) will be given to any handler/dog team not attempting an exercise, except as provided otherwise specifically in the rules. A zero (0) on the exhibitor’s score sheet will result in an incomplete for that class, and therefore the exhibitor will not be eligible for an award, except as provided otherwise specifically in the rules.*

Exhibitors may show one or more project dogs, provided the exhibitors and dogs meet the eligibility requirements of each respective class, as follows (refer to each respective show discipline rulebook for more detailed and complete information):

2020 Dog Obedience Rules for Ohio 4-H/Ohio State Fair Participation

NOTE: These Rules and Regulations are in effect for the 2020 Ohio State Fair and strongly recommended to be followed at the County level.

Introduction

The purpose of obedience is to demonstrate the dog's usefulness as a companion. Youth train their dogs to behave in the home, in public places and in the presence of other dogs in a manner that will reflect credit in the sport of obedience at all times and under all conditions. 4-H obedience competition demonstrates the handler's ability to work as a team with their 4-H dog project, following specified routines in the obedience ring and emphasizing the usefulness of their dog as a companion. All participants should be guided by the principles of good sportsmanship both in and out of the ring. All exhibitors in a class are required to perform the same exercises in the same manner so that the quality of the performances may be scored.

The 2020 Dog Obedience Score Sheets representing the exercises for each obedience class can be found at www.go.osu.edu/resourcesdogs or www.go.osu.edu/osfdogs.

Ring Size

Obedience rings should be rectangular in shape, and about 40 feet x 50 feet for all obedience classes. The Utility ring should never be less than 35 feet x 50 feet, and the Novice or Open ring should not be less than 30 feet x 40 feet. The floor must have firm footing, using rubber or similar non-slip material at least 4 feet wide for the takeoffs and landings of all jumps, unless the judge feels the surface does not require it.

The recommended size for a ring at an outdoor show or trial is 40 feet x 50 feet. The ground should be clean and level. Any grass should be cut short. For the Open classes, there must be an appropriate place for the handlers to go completely out of sight of their dogs. Under unusual or adverse weather conditions, there may be a separate regulation size ring for the group exercises. If inclement weather at an outdoor show or trial necessitates the judging of obedience under shelter, the requirements as to ring size may be waived.

Handler's Appearance

Exhibitors should be neat, clean, and well-groomed in appearance. They should wear clothing that is comfortable to handle in and appropriate for dog shows. Clothing should not distract, limit or hinder the judge's view of the dog. Youth with long hair should tie it back to keep it from interfering with handling or the judge's view.

Acceptable clothing for all Obedience classes includes slacks, dressy shorts, skorts, capris or crop pants, colored dress jeans, collared blouses and shirts, polo shirts, or similar attire, closed-toe shoes, rubber-soled shoes, flats, and similar type footwear.

Inappropriate clothing includes clothing that is too tight or too revealing, such as short skirts, short shorts, tank tops, halter tops, spaghetti straps, low cut blouses or shirts, shorts hanging too low on the waist, clothing with holes or tears in the fabric, blue jeans, faded or torn jeans of any kind, or other similar types of clothing. Do not wear shirts with club names or logos, or clothing with lettering and distracting or offensive wording or designs. Do not wear hats. Do not wear sandals, open-toed shoes, high-heeled shoes, clogs, or similar type footwear. *Exhibitors dressed inappropriately will have points deducted or may be excused from the show ring.*

Dog's Appearance

Dogs must be clean, well-brushed and in good physical condition appropriate for the dog's age. The coat must be free from mats and loose hair. Ears must be clean and free from hair in the ear canal.

Hair in Dog's Eyes

Any dog whose hair surrounding the eyes, ears, or beard interferes with its performance may have its hair tied back with elastic bands or small plain barrettes. Ribbons or bows are not permitted.

Collars

Acceptable collars while in the obedience show ring: Well-fitting plain buckle or quick release collars, martingales, or slip collars of an appropriate single length of leather, fabric or chain with two rings, one on each end. Flat securely attached tags are permitted on these collars. Nothing may be hanging from the dog's collar.

Acceptable collars while outside the show ring: Head halters, fancy collars, harnesses, and studded collars are permitted on dogs.

Unacceptable collars anywhere on the Fairgrounds: Pinch collars, collars with prongs or spikes on inside or outside, electronic collars, or any other special training collars, or muzzles. Youth are subject to disqualification from showing and removal from the Fairgrounds if their dogs are seen wearing these collars or devices.

Leashes

Leashes must be made of fabric or leather and *must* be 6 feet in length for Beginner Novice and Pre-Novice classes. The Novice Group Exercise – Sit and Down Stay must be performed with the dog on a 6-foot leash. For other classes, the leash need be only of sufficient length to provide adequate slack in the Heel on Leash exercise, unless stated otherwise. Chain leashes are not acceptable.

Leashes must be clipped to the collar when dogs are brought in for classes requiring an on-leash exercise, a group exercise and awards. In a class where a leash is not required for the performance of the individual exercises, the dog may be brought into and taken out of the ring on a leash that slips/attaches through the dog's collar.

Unless designated otherwise, the handler will leave the leash on the judge's table between the individual exercises and during all exercises performed off leash.

Dumbbells

Dumbbells must be made of one or more solid pieces of wood or of non-wooden material similar in size, shape and weight to a wooden dumbbell. Metal dumbbells are not permitted. Dumbbells will not be hollowed out. They may be unfinished, coated with a clear finish, or may be any color. They may not have decorations or attachments but may bear an inconspicuous mark for identification. The size of the dumbbell will be proportionate to the size of the dog. The judge must approve the dumbbell.

Bait

Food, treats, or toys are *not* permitted in the show ring or show ring areas during obedience classes. Exhibitors may take dogs out of holding rings and off show floor to give rewards, and then return immediately when finished.

Heel Position

The heel position, as defined in these rules, applies whether the dog is sitting, standing, lying down, or moving at heel. The dog should be at the handler's left side straight in line with the direction the handler is facing. The area from the dog's head to shoulder is to be in line with the handler's left hip. The dog should be close to the handler, without crowding, so the handler has freedom of motion at all times. The dog should stop when the handler stops, and sit quietly until the handler gives him a command to move. When beginning the heel, the handler steps off with their left foot. This is not considered an extra command.

Hands

The Heel on Leash and Figure Eight exercise specifically states that the hands must be in a natural position but do not require that they be at the handler's side while heeling on leash. On the other hand, no judge should consider that a handler is unnatural just because they do not perform with the hands and arms in the same position for each exercise.

In all exercises where the dog is required to heel free, one of these options should be followed: (1) when the handler is in motion, the arms and hands must move naturally at the sides and must hang naturally at the sides when stopped; or (2) the right hand and arm must move naturally at the side, while the left hand must be held against the front of the body, centered at the waist, with the left forearm carried against the body. In either of the above circumstances, the handler's hands and arms may be adjusted during the fast part of an exercise in order to maintain balance.

In any exercise requiring the dog to sit in front, the handler's arms and hands must hang naturally at their sides. Any movement of the handler's hands or arms from the time the dog sits in front and prior to the dog returning to the heel position will be considered an additional signal or command and will be penalized unless such movement is otherwise permitted by these regulations.

Commands and Signals

The dog's name may be used **once** immediately before any verbal command, or before a verbal command and signal when these rules allow command and/or signal. The handler is not to use the dog's name with any signal not given simultaneously with a verbal command. The dog's name, when given immediately before a verbal command, will not be considered as an additional command, but a dog that responds to its name without waiting for the verbal command will be scored as having anticipated the command. The dog should never anticipate the handler's directions, but wait for the appropriate commands and/or signals. Moving forward at the heel without any command or signal other than the natural forward movement of the handler's body will not be considered anticipation.

Loud commands by handlers to their dogs create a poor impression of obedience and should be avoided. Shouting is not necessary, even in a noisy place, if the dog is properly trained to respond to a normal tone of voice. Commands the judge deems as excessively loud will be substantially penalized.

When a signal is permitted, it must be a single gesture with one arm and hand only, and the arm and hand must immediately be returned to a natural position. A handler may bend their body and knees to bring their hand level with the dog's eyes while giving a signal to a dog in heel position. Signals must be inaudible, and the handler must not touch the dog. Any unusual noise or motion may be considered to be a signal. Position of the arms and hands and movements of the head and/or body that aid the dog will be considered additional signals. Signaling a correction to a dog is forbidden and will be penalized.

When these rules mention a "**command or signal**," only a single command **or** signal may be given, **not** both. Handlers will be penalized for giving extra commands or signals, or for giving a command and signal simultaneously. When these rules specify "**command and/or signal**," the handler may give either a command **or** a signal, or both a command **and** signal simultaneously. The name will not be used with any signal not given simultaneously with a verbal command. Any extra commands or signals must be penalized.

The dog should never anticipate the handler's directions but will wait for the appropriate commands and/or signals. Moving forward at the heel without any command or signal other than the natural forward movement of the handler's body will not be considered anticipation.

Lack for prompt response by the dog to a command or signal is subject to a penalty. Delay in following a judge's order to give a command or signal must be penalized, unless the judge directs the delay. Whistling of any kind is prohibited.

Additional Commands or Signals

If a handler gives an additional command or signal not permitted by these *Regulations*, a maximum point deduction will be made. This includes giving a signal or command when none is permitted or using the dog's name with a permitted signal but without a permitted command.

Handling between Exercises

In the Beginner Novice, Pre-Novice, and Novice classes, the dog may be guided gently by the collar between exercises. No other physical guidance is permitted, and if used, must receive minor or substantial penalties, depending on the circumstances.

In the Graduate Novice, Graduate Open, Open, and Utility classes, there will be a substantial penalty for any dog that is physically guided at any time or not readily controllable. Minor penalties will be imposed for a dog that does not respond promptly to its handler's commands or signals before or between exercises in these classes.

Praise

Praise and petting are encouraged and allowed between and after exercises. However, points will be deducted from the total score for a dog that is not under reasonable control while being praised. There will be a substantial penalty for any dog that is picked up or carried at any time in the obedience ring while under judgment. Note: A dog is under judgment from the time it enters the ring until it leaves the ring.

Interference and Double Handling

Assistance, interference, or attempts to control a dog from outside the ring is not permitted. A judge who is aware of such double handling or interference must substantially penalize the dog.

Leaving the Ring

A dog leaving the ring *between* exercises shall receive a 10-point deduction. A dog leaving the ring *during* an exercise shall receive a maximum point deduction. (In 4-H, a maximum point deduction means that at least one-half of the total points for that exercise (in which the dog leaves the ring while performing) will be deducted.

Fouling the Ring

A 25-point deduction will be made for any dog fouling the ring. The exhibitor and their dog are not to be excused from the ring. Judging is to continue once the area is properly cleaned.

Fouling includes urine, feces or vomit. In exceptionally poor ring conditions, judges must confer with the show committee and other judges to determine scoring if fouling should occur.

Earning Obedience Titles Outside of 4-H

Obedience: Exhibitors showing their dogs at any Licensed or Member Obedience Trial or at a Sanctioned Match must show their dogs at the same or higher *Level B classes* than they are showing in AKC, UKC, or other titling shows. Dogs completing their Companion Dog (CD) title (or UKC, or other titling equivalents) *prior to July 1, 2020*, must show in Graduate Novice classes. Dogs completing their Companion Dog Excellent (CDX) title (or UKC, or other titling equivalents) *prior to July 1, 2020*, must show in Open or Graduate Open classes. Any dog receiving one or more legs toward a title anytime during the project year must then move into the appropriate B class at the time the first leg was earned. Fun matches do not apply.

Awards

Awards for obedience classes (Beginner Novice A through Utility B), Brace, and Team, include a trophy for each class winner and 1st through 15th place rosettes for each class. All youth will receive participation ribbons for each class in which they exhibit.

Levels and Classes

Level refers to an obedience sub-category, such as Novice. **Class** refers to the two classes within an obedience sub-category. The letters “**A**” and “**B**” refer to the experience of the youth and dog. “**A**” classes are for handlers or dogs with **NO** training. “**A**” classes can never be repeated by the same youth, regardless of what dog is shown. “**A**” classes can never be repeated by the same dog, regardless of what youth shows that dog. “**B**” classes can be repeated by the same youth regardless of what dog is shown, and by the same dog, regardless of who shows that dog, provided the youth and/or dog are not the class winners. If/when a youth and/or dog wins first place in a “**B**” class, the youth and dog must move to the next level. A dog must move to a higher level, once that dog begins performing at that higher level.

Novice B

This class is for the exhibitor and/or dog who has shown in Novice A or has had experience at the Novice level prior to the county's current project year. They have not yet progressed to Graduate Novice A or higher. The first-place winner must move to Graduate Novice A or higher with that same dog. The dog of a first-place winner in the Novice B class must then be shown in the Graduate Novice A class at the very minimum. If an exhibitor and/or dog places in Novice B at the Ohio State Fair, they can repeat this class at state provided the county requirements have been met, and the dog is not performing at the Graduate Novice level or higher. Dogs shown in this class cannot show in any lower levels of dog obedience.

Progressive Ring Judging

At the Ohio State Fair, a Progressive Ring style of judging is used for Beginner Novice, Pre-Novice, Preferred Novice and Novice obedience classes.

- a. For Beginner Novice, the Heel on Leash, Figure 8 on Leash, and Sit for Exam are judged in the first ring. When finished, the youth and their dog then progress to the next ring for the Sit Stay and Recall. The steward takes the youth's score sheet from the first ring to the second ring.
- b. In Pre-Novice, the Heel on Leash and Figure 8 on Leash are judged in the first ring. When finished, the youth and their dog then progress to the next ring for the Stand for Exam on Leash and Recall on Leash. The steward takes the youth's score sheet from the first ring to the second ring. Once finished with these first four exercises, the youth and dog are directed to a holding area for a short wait until there are a minimum of 5 dogs to be judged on the Long Sit and Long Down exercises.
- c. For Preferred Novice, the Heel on Leash and Figure 8, and Heel Free are judged in the first ring. They then move to the second ring for the Stand for Exam (off leash), Recall (off leash), Stay, Sit or Down (on leash), and Sit Stay-Get Your Leash.
- d. For Novice, the Heel on Leash and Figure 8, and Heel Free are judged in the first ring. They then move to the second ring for the Stand for Exam (off leash), Recall (off leash), and Sit Stay-Get Your Leash. Once finished they go to the holding area to wait for the Group Exercise to be judged.

Advanced Obedience

Youth may show two project dogs in each of the following Obedience classes: Graduate Novice, Open, Graduate Open, and Utility, provided youth and dogs meet eligibility requirements. Youth showing two dogs in "A" classes must meet the requirements of *neither the youth and/or dog having any training or showing experience prior to the county's current project year*. Youth and/or dogs cannot repeat the "A" class, and must move to the "B" class in that respective level at the very minimum. If a youth and/or dog wins the first-place trophy, they must move to a higher level with the same dog; however, can continue to show at the same "B" level with the other dog, providing meeting eligibility requirements. Exception: Youth/dog team winning Open B may repeat this class until ready to move to Graduate Open A. Youth winning Graduate Open B may repeat this class until ready to move to Utility A. A youth is not permitted to show one dog in an "A" class and another in a "B" class of the same level.

Graduate Novice Level and Class Information

Graduate Novice A

In this class the exhibitor and/or dog cannot have any training or showing experience at the Graduate Novice level prior to the county's current project year. If they have had any training or show experience at the Graduate Novice level prior to the county's current project year, they must show at the Graduate Novice B level at the very minimum. Once an exhibitor shows in this class, they must move to Graduate Novice B at the very minimum. Once a dog has been shown in this class, the dog must be shown in the Graduate Novice B class at the very minimum.

Graduate Novice B

This class is for the exhibitor and/or dog who has shown in Graduate Novice A or has had any training or showing experience at the Graduate Novice level prior to the county's current project year. They have not yet progressed to Open A class or higher. The first-place winner must move to Open A or higher with that

same dog. The dog of a first-place winner in the Graduate Novice B class must then be shown in the Open A class at the very minimum. The dog of a first-place winner in the Graduate Novice B class must then be shown in Open A at the very minimum. If an exhibitor and/or dog places in Graduate Novice B at the Ohio State Fair, they can repeat this class at state provided the county requirements have been met, and the dog is not performing at the Open level or higher. Dogs shown in this class are not permitted to show in any lower levels of dog obedience.

Open Level and Class Information

Open A

In this class the exhibitor and/or dog cannot have any training or showing experience at the Open level prior to the county's current project year. If they have had any training or show experience at the Open level prior to the county's current project year, they must show at the Open B level at the very minimum. Once an exhibitor shows in this class, they must move to Open B at the very minimum. Once a dog has been shown in this class, the dog must be shown in the Open B class at the very minimum.

Open B

This class is for the exhibitor and/or dog who has shown in Open A or has had any training or showing experience at the Open level prior to the county's current project year. They have not yet progressed to the Graduate Open level or higher. If an exhibitor and/or dog wins first place **or** places in Open B at the Ohio State Fair, they can repeat this class at state provided the county requirements have been met, and the dog is not performing at the Graduate Open level. Dogs shown in this class are not permitted to show in any lower levels of dog obedience.

Graduate Open Level and Class Information

Graduate Open A

In this class the exhibitor and/or dog cannot have any training or showing experience at the Graduate Open level prior to the county's current project year. If they have had any training or show experience at the Graduate Open level prior to the county's current project year, they must show at the Graduate Open B level at the very minimum. Once an exhibitor shows in this class, they must move to Graduate Open B at the very minimum. Once a dog has been shown in this class, the dog must then be shown in Graduate Open B.

Graduate Open B

This class is for the exhibitor and/or dog who has shown in Graduate Open A or has had training or showing experience at the Graduate Open level prior to the county's current project year. They have not yet progressed to the Utility A level or higher. If an exhibitor and/or dog wins first place **or** places in Graduate Open B at the Ohio State Fair, they can repeat this class at state provided the county requirements have been met, and the dog is not performing at the Utility level. Dogs shown in this class are not permitted to show in any lower levels of dog obedience.

Utility Level and Class Information

Utility A

In this class the exhibitor and/or dog cannot have any training or showing experience at the Utility level prior to the county's current project year. If they have had any training or show experience at the Utility level prior to the county's current project year, they must show at the Utility B level at the very minimum. Once an exhibitor shows in this class, they must move to the Utility B class at the very minimum. Once a dog has been shown in this class the dog must then be shown in the Utility B class at the very minimum.

Utility B

This class is for the exhibitor and/or dog who has shown in Utility A or has had training or showing experience at the Utility level prior to the county's current project year. If an exhibitor and/or dog wins first place **or** places in the Utility B class at the Ohio State Fair, they can repeat this class at the state fair provided the county requirements have been met. Dogs shown in this class are not permitted to show in any lower levels of dog obedience at the Ohio State Fair.

Brace and Team Class Information

Wednesday, August 5 Pre-Novice Team (includes Beginner Novice B exhibitors)

Thursday, August 6 Brace
Advanced Team

Brace

The Brace Class will be for two dogs (either of the same breed, of different breeds, or mixed breeds) that are capable of performing the Novice exercises. *Beginner Novice and Pre-Novice dogs cannot participate in this class.* For State Fair participation, the exhibitors and dogs must meet the eligibility requirements of the *2020 Ohio State Fair Junior Fair/Ohio 4-H Dog Show Rules*. Both dogs shown by a youth in Brace must be that youth's dog projects. One dog cannot be another family member's show dog or another youth's project.

Dogs may be shown unattached or coupled (the coupling device will be not less than 6 inches in overall length). Whichever method is used will be continued throughout all exercises.

Exercises, performances and judging will be as in the Novice Class. The brace should work in unison at all times. Dogs will be judged as one unit.

Team

This class will be for teams of four exhibitors and their dogs. *If there are not enough youth from one county to form a team, members from more than one county may make up a team. Counties do not need to share a border.* For Ohio State Fair participation, teams must meet the eligibility requirements of the *2020 Ohio State Fair Junior Fair/Ohio 4-H Dog Show Rules*. The same four dogs will perform all exercises.

Youth may show a Beginner Novice B or Pre-Novice project dog in the Pre-Novice Team class, and show a Novice level or above project dog in the Advanced Team class if having multiple dogs. Only one dog can be entered per exhibitor as a pre-novice team competitor.

There will be two judges, one of whom will call orders while the other scores the team's performance. The teams will be judged one at a time, except for the Group Exercises, which will be done with no more than four teams (16 dogs) in the ring.

In all exercises except the Drop on Recall, the teams have the option of executing the judge's orders on the team captain's repeat of the command.

In the Figure Eight portion of the Heel on Leash exercise, five stewards will be used. The stewards will stand 8 feet apart in a straight line. Each handler with the dog sitting in heel position will stand about equidistant from each of two stewards with all members of the team facing the same direction. On orders from the judge, the team will perform the Figure Eight, each handler starting around the steward on their left and circling only the two stewards between whom they had been standing.

Cross-county Team Requirements

1. **ONLY** if a county (not a club) does not have enough members to complete one pre-novice and/or one advanced team, they may then enter a cross-county team. For cross-county teams:
 - a. Members must represent their county of 4-H enrollment.
 - b. Members from one or more additional counties can make up a cross-county team.
 - c. Cross-county team members do not need to be from neighboring counties with adjacent borders.
 - d. Team members participating from another county must provide enrollment documentation in the form of a letter from one Extension professional in their county on county letterhead. This letter must be sent to Lucinda Miller, Nationwide & Ohio Farm Bureau 4-H Center, 2201 Fred Taylor Dr., Columbus, OH 43210 postmarked by Saturday, June 20 or emailed to miller.78@osu.edu.
 - e. Documentation will be confirmed upon receipt of Extension professional's letter and team online entries.

Pre-Novice Team

This class will be for teams of four exhibitors and their dogs showing at the Beginner Novice B and Pre-Novice levels. For Ohio State Fair participation, teams must meet the eligibility requirements of the *2020 Ohio State Fair Junior Fair /Ohio 4-H Dog Show Rules*. The same four dogs will perform all exercises. The handlers and dogs on a team will perform the exercises simultaneously and will be judged as specified for the Pre-Novice class. All exercises will be done on leash. In the Recall exercise, on the order from the judge, handlers will simultaneously walk forward to the end of the leash and turn to face their dogs. On the judge's order, handlers will call or signal dogs to come one at a time. The finish will be done in unison on order from the judge. *This class is for Beginner Novice B and Pre-Novice dogs only.* Therefore, since only one dog can be shown at this beginning level, only one dog can be entered per exhibitor as a pre-novice team competitor. Dogs showing in a higher class (Novice or above) are ineligible to compete in the Pre-Novice Team class.

Advanced Team

This class will be for teams of four exhibitors and their dogs showing at the Novice level and above. For Ohio State Fair participation, teams meet the eligibility requirements of the *2020 Ohio State Fair Junior Fair/Ohio 4-H Dog Show Rules*. The same four dogs will perform all exercises. Youth may participate in a second Advanced Team class provided they use a different project dog. *The handlers and dogs on a team will perform the exercises simultaneously and will be judged as specified for the Novice class except a Drop on Recall will be used in place of the Recall exercise.* Novice dogs and handlers are permitted to work on and perform the Drop on Recall while retaining their Novice status.

In the Drop on Recall exercise, the handlers will leave their dogs simultaneously on order of the judge. The dogs will be called or signaled in, one at a time, on a separate order from the judge to each

handler. Handlers will, without any additional order from the judge, command or signal their dogs to drop at a spot midway between the line of dogs and the handlers. Each dog will remain in the down position until all four have been called and dropped. The judge will give the order to call the dogs, which will be called or signaled simultaneously. The finish will be done in unison on order from the judge.

Team Scoring

Individual dogs' scores will be based on the performance of the dogs and handlers individually, plus team precision and coordination. Each dog and handler will be scored against the customary maximum for a team total of 800 available points. Individual dogs' scores need not be recorded.

The exercises and maximum scores are listed in the following table:

Pre-Novice Team Exercises	Advanced Team Exercises	Max. Points
1. Heel on Leash	1. Heel on Leash	160
2. Figure 8 on Leash	2. Stand for Examination	120
3. Stand for Examination on Leash	3. Heel Free	160
4. Recall on Leash	4. Drop on Recall	120
5. Long Sit on Leash (1 minute)	5. Sit Stay-Get Your Leash	120
6. Long Down on Leash (1 minute)	6. Group Exercise-Sit and Down Stay	120
Maximum Possible Points		800

4-H Obedience Scoring Guidelines

Ohio 4-H Obedience Regulations provide the foundation for judges to follow and define criteria for judges to use when judging 4-H dog shows in Ohio. Each judge is expected to be consistent in their scoring for each class judged at a given show. The same methods and standards must be used for judging and scoring "A" and "B" classes, as well as in judging and scoring the work of dogs of different or mixed breeds. However, each judge has their own personal standards and 4-H expects the judge to apply those standards to the best of their ability. There is no published list of reasonable and customary penalty points for various faults and errors, so there will be some variations in the scoring systems of individual judges.

The performances of the handler and dog team in the ring must be accurate and correct and must conform to *Ohio 4-H Obedience Regulations*. However, it is essential that the handler and dog demonstrate teamwork, willingness, and enjoyment. A performance that is smooth and natural on the part of the handler must be given precedence over a performance based on military precision and authoritative commands.

Judges must be consistent in evaluating each handler and dog throughout the same obedience class or classes, such as all Pre-Novice classes, at a given show. Judges must evaluate each handler and dog in accordance with these obedience regulations and not inject their own variations into the exercises. The judge is expected to evaluate each handler and dog team against a standard of a theoretically perfect performance in each exercise, and score each dog and handler against this standard. Any action or inaction on the part of the handler or dog that results in the display less than that of a theoretically perfect performance should be penalized.

Maximum Point Deductions and Minor to Substantial Point Deductions

1. The obedience score sheets are divided into areas of Maximum Point Deductions and Minor to Substantial Point Deductions. Points are always deducted from a handler/dog team's total possible points earned for each exercise, never added.

2. In AKC, a Maximum Point Deduction means that all points in an exercise are lost, and the handler/dog team receives a zero (0) or Non-Qualifying (NQ) score for that exercise. **Zeros are not given in 4-H, provided the youth attempts to perform the exercise with his or her dog.** Youth may not enter classes without both youth and dogs being prepared prior to the State Fair to perform the required exercises. A zero (0) will be given to any handler/dog team not attempting an exercise. A zero (0) on the exhibitor's score sheet will result in an incomplete for that class, and therefore the exhibitor will not be eligible for an award.
3. Our goal is to provide a positive learning experience, rewarding youth for training their dogs to the best of their abilities, and showcasing what they have learned as a team at 4-H obedience competition. Therefore, **in 4-H, a Maximum Point Deduction means that at least one-half of the total points for that exercise will be deducted if the youth/dog team fails to perform one part of that exercise.** If they continue to make errors in that same exercise, the judge will continue to deduct points. For example, in the Novice Recall exercise, if the first error made was that the dog did not come on the first command or signal, the judge will deduct 20 points from the possible 40 points in that exercise. Then if the dog makes a second error, such as anticipating the recall, the judge will deduct additional points, and so on for additional errors.
4. Under the Minor to Substantial Point Deduction section, **Substantial Deductions are 3 or more points deducted per fault or error. Minor Point Deductions are from ½ to 2 ½ points deducted per fault or error.**
5. When totaling the Maximum Point Deductions and Minor to Substantial Point Deductions, judges must give each youth/dog team a minimum score of 5 points per exercise. Points are deducted in one-half (1/2) or whole point increments (no three-fourths or one-thirds, etc.)
6. A dog leaving the ring *between* exercises shall receive a 10-point deduction. A dog leaving the ring *during* an exercise shall receive a maximum point deduction. (In 4-H, a maximum point deduction means that at least one-half of the total points for that exercise (in which the dog leaves the ring while performing) will be deducted.)
7. A 25-point deduction will be made for any dog fouling the ring. The exhibitor and their dog are not to be excused from the ring. Judging is to continue once the area is properly cleaned. Fouling includes urine, feces or vomit. In exceptionally poor ring conditions, judges should confer with the show committee and other judges to determine scoring if fouling should occur.

Ties in Scoring

Ties will be broken as follows:

Beginner Novice, Pre-Novice, Preferred Novice, Novice Obedience: When two or more exhibitors have the same overall scores, the scores in the first exercise will be compared. The exhibitor with the highest score in the first exercise will receive the highest placing, and so forth. If all exhibitors have the same score in the first exercise, the scores in the second exercise will be compared, and so forth until ties are broken. If the scores are equal throughout all the exercises, including the Exhibitor's Appearance, Dog's Appearance, and Sportsmanship, ties will be broken by the exhibitors and their dogs performing a heeling pattern specified by the judge.

Graduate Novice & above Levels of Obedience: Ties will be broken by the exhibitors and their dogs performing an exercise specified by the judge.

Once an exhibitor and dog win Beginner Novice B or Pre-Novice, they may go to the other option or move up to Preferred Novice.
- c. Participants in Preferred Novice, Novice B, Graduate Novice B, and Open B can show in these classes every year with the same dog, unless winning first place. Participants in Open B, Graduate Open B, and Utility B can show in these classes every year with the same dog, regardless of winning.

- e. Dogs that have placed in obedience classes may repeat the same classes provided they are not performing at a higher level. They may never show in a lower level obedience class again.

APPENDIX

Beginner Novice Obedience Exercises

Beginner Novice

AKC's Beginner Novice is the basis for these exercises. However, they have been modified for the Ohio 4-H program. If you choose to compete in AKC, please be aware that there are differences in the requirements of some of the exercises between the two programs.

Beginner Novice A	Beginner Novice B	Maximum Score
1. Heel on Leash	Heel on Leash	40 points
2. Figure Eight (on leash)	Figure Eight (on leash)	40 points
3. Sit for Exam (on leash)	Sit for Exam (on leash)	40 points
4. Sit Stay (on leash)	Sit Stay (leash attached, on ground)	40 points
5. Recall (on leash)	Recall (off leash)	40 points

Heel on Leash (the same for both A & B classes)

The principal feature of this exercise is the ability of the dog and handler to work as a team. The orders for this exercise will be *"Forward"* and *"Exercise Finished."* Rally signs will be used for this exercise and will be placed to the right of the handler's path except for those indicating a change in direction, in which case the sign will be directly in front of the team to aid in that change. The Start sign, while not required, may be used to signify the starting point for the heel on leash exercise.

Signs to be used are *"Right turn," "Left turn," "About turn," "Slow," "Normal," "Fast"* and *"Halt/Sit."* *"Fast"* means that the handler must run, and the handler and dog must move forward at a noticeably accelerated speed.

Turns will be used only when the handler is moving at a normal speed. Turn signs may be placed in any sequence and may be repeated. Two of each turn sign must be available for the judge's use. Both the *"Fast"* and *"Slow"* signs must be followed by a *"Normal"* sign. The *"Halt/Sit"* sign will be used once at the end of the exercise. The judge should standardize the heeling pattern for all dogs in the class. The judge will standardize the heeling pattern for all dogs in the class.

The leash must be 6 feet in length. It may be held in either hand or in both hands, but the hands must be held in a natural position. Any tightening or jerking of the leash and use of any extra commands and/or signals will be penalized.

The handler will enter the ring with the dog on a loose leash and stand with the dog sitting in the heel position. The judge will ask if the handler is ready before giving the order, *"Forward."* The handler may give a command or signal to heel and will walk briskly and naturally with the dog on a loose leash. The dog should walk close to the handler's left side without swinging wide, lagging, forging, or crowding. The dog must not interfere with the handler's freedom of motion at any time. At the

“Halt/Sit” sign, the handler will stop. The dog shall sit straight and promptly in the heel position without command or signal. The judge will order, *“Exercise finished”* at the completion of this exercise.

A one-time single phrase of praise or encouragement, by the handler to the dog, will be allowed without penalty. (Good, yes, nice, super, great, and atta boy/girl, are some examples of praise that would be allowed.) A verbal command to heel at the beginning of the exercise is the only command allowed during the heeling exercise.

Rally signs may be used. The signs may be placed either flat on the ground or on a stand. The course should be laid so that the signs are to the right of the handler.

Figure Eight (same for both A & B classes)

The principal feature of this exercise is the ability of the dog and handler to work as a team. The orders for this exercise are: *“Forward,” “Halt,”* and *“Exercise Finished.”*

For the Figure Eight, the handler will stand and the dog will sit in heel position facing the judge, midway between the two stewards, who will be standing 8 feet apart. The Figure Eight will be performed on leash; the handler may go around either steward first. After the judge asks, *“Are you ready?”* and gives the order, *“Forward,”* the handler and dog will walk briskly around and between the two stewards twice.

There will be no about turn, fast or slow, but the judge must order at least one halt during this exercise and another halt at the end. After each halt, it is permissible for the handler to give a command or signal to heel before moving forward again.

A one-time single phrase of praise or encouragement, by the handler to the dog, will be allowed without penalty.

Sit For Exam (same for both A & B classes)

The principal feature of this exercise is that the dog sits in position before and during the examination without displaying resentment. Orders are: *“Sit your dog and leave when you are ready,” “Back to your dog”* and *“Exercise finished.”* This exercise is to be performed with the dog on a 6-foot leash.

On the judge’s order, the handler will command the dog to sit. The handler will then stand with the dog sitting in the heel position, give the command and/or signal to stay, walk straight forward about 6 feet to the end of the leash, turn and face the dog. The judge will approach the dog from the front. Using the fingers and palm of one hand, the judge will touch only the dog’s head. On the order *“Back to your dog,”* the handler will walk around behind the dog and return to the heel position. The handler may gather the leash at any time while returning to the dog. The dog must remain sitting until the judge has said, *“Exercise finished.”*

Sit Stay on Leash – 45 seconds (A class)

The principal feature of this exercise is that the dog remains in the sit position for 45 seconds. Orders for this exercise are: *“Sit your dog,” “Leave your dog,” “Return to your dog,”* and *“Exercise finished.”*

The handler will stand with the dog sitting in heel position. Prior to starting the exercise, the judge will ask if the handler is ready. When the judge gives the order *“Sit your dog,”* the handler will command and/or signal the dog to sit, if they are not already sitting. The judge will order *“Leave your dog,”* and the handler will give a command and/or signal to stay and immediately proceed to the end of the leash and turn to face the dog. The dog will remain seated for 45 seconds. At the judge’s command of *“Return to your dog,”* the handler will approach the dog from the front, and proceed to walk around

and in back of the dog to the heel position. Once the handler has returned to heel position, the judge will give the order *“Exercise finished.”* The judge should not deduct points if the leash either touches or does not touch the ground.

Sit Stay – Handler Walk Around the Ring (B class)

The principal feature of this exercise is that the dog remains in the sit position.

Orders for this exercise are: *“Sit your dog,” “Leave your dog,”* and *“Exercise finished.”*

The handler will stand with the dog sitting in heel position in approximately the center of a marked 20' x 20' perimeter within the ring. Prior to starting the exercise, the judge will ask if the handler is ready. The leash remains attached to the dog's collar and will be dropped/placed on the ground between the dog and the handler at the judge's command. When the judge gives the order *“Sit your dog,”* the handler will command and/or signal the dog to sit, if not already sitting. The judge will order *“Leave your dog,”* and the handler will give a command and/or signal to stay and then walk 10 feet straight out from in front of their dog. The handler will then turn either to the right or left as directed by the judge and walk the perimeter of the 20' x 20' marked area. Upon completing a full perimeter walk around the marked area, the handler will approach the dog from the front, and proceed to walk around and in back of the dog to the heel position. Once the handler has returned to heel position, the judge will give the order *“Exercise finished.”*

Recall on Leash (A class)

The principal features of this exercise are that the dog stay where left until called by the handler, and that the dog responds promptly.

Orders are: *“Leave your dog,” “Call your dog,”* and *“Exercise finished.”* On order from the judge, the handler may give a command and/or signal to the dog to stay in the sit position. The handler will then walk forward, to the end of the 6-foot leash, and turn to face the dog.

On the judge's order or signal, the handler will command and/or signal the dog to come. The dog must come directly, at a brisk trot or gallop, and sit in front near the handler. The dog must be close enough to its handler so that the handler could touch its head without excessive bending, stretching, or moving either foot.

A one-time single phrase of praise or encouragement while the dog is coming to the handler will be allowed without penalty. (Good, yes, nice, super, great, atta boy/girl, are some examples of praise that would be allowed.)

Recall off Leash (B class)

This exercise differs from the “A” class. The leash is removed for this exercise and kept by the handler. When the handler removes the leash, they may hold it in any manner using one or both hands, or draped around the neck.

After the judge's command to leave the dog, the handler will then walk forward, across the ring, and turn to face the dog.

On the judge's order or signal, the handler will command and/or signal the dog to come. The dog must come directly, at a brisk trot or gallop, and sit in front near the handler. The dog must be close enough to its handler so that the handler could touch its head without excessive bending, stretching, or moving either foot.

After the judge orders *“Exercise finished,”* the leash is reattached to the dog's collar.

A one-time single phrase of praise or encouragement while the dog is coming to the handler will be allowed without penalty. (Good, yes, nice, super, great, atta boy/girl, are some examples of praise that would be allowed.)

Caution should be taken to not fidget with the leash but to keep the hands calm and steady.

Pre-Novice Obedience Exercises

All Pre-Novice exercises will be performed On Leash (leash must be 6 feet in length)

Pre-Novice Exercises	Maximum Scores
1. Heel on Leash	45 points
2. Figure 8 on Leash	25 points
3. Stand for Exam on Leash	30 points
4. Recall on Leash	40 points
5. Long Sit on Leash (1 minute)	30 points
6. Long Down on Leash (1 minute)	30 points

Heel on Leash

The purpose of this exercise is to demonstrate the ability of the handler and dog to work as a team. Orders for this exercise are "Forward," "Halt," "Right Turn," "Left Turn," "About Turn," "Slow," "Normal," and "Fast." All "About Turns" will be Right About Turns. Orders for halts and turns will be given only when the handler is moving at normal speed. The other orders may be given in any sequence, and turns and halts may be repeated.

The leash may be held in either hand or in both hands, but the hands must be held in a natural position. Any tightening or jerking of the leash and use of any extra commands and/or signals will be penalized.

The handler will enter the ring with the dog on a loose leash and stand with the dog sitting in the heel position. The judge will say to the handler, "Are you ready?" The handler should answer either "Yes," or "No." When the handler is ready the judge will give the order, "Forward." The handler and dog walk briskly, and in a natural manner, with the dog on a loose leash. The dog should walk close to the handler's left side without swinging wide, lagging, forging, or crowding. The area from the dog's head to shoulder should be in line with the handler's left hip. The dog must not interfere with the handler's freedom of motion at any time. The handler may give a command OR signal to heel, NOT both.

Remaining Orders given by the Judge

Halt: When the judge says, "Halt," the handler stops. The dog should sit straight and promptly in the heel position. The handler should not give a command OR signal to the dog. The dog should not move until the handler again moves forward on the judge's command. After each halt, the handler is permitted to give a command OR signal to heel before again moving forward.

Right Turn: When the judge says, "Right Turn," the handler and dog make a ninety-degree (90°) turn to the right. This turn should be made squarely.

Left Turn: When the judge says, “*Left Turn,*” the handler and dog make a ninety-degree (90°) turn to the left. This turn should be made squarely.

About Turn: When the judge says, “*About Turn,*” the handler and dog make a one-hundred-eighty degree (180°) turn to the right.

Slow: When the judge says, “*Slow,*” the handler and dog walk at a noticeably slower pace than normal.

Normal: The handler and dog begin the heeling pattern at a normal pace. After the judge gives the order to walk “*Slow*” or “*Fast,*” they will give the order, “*Normal.*” The handler and dog then return to a normal pace.

Fast: When the judge says, “*Fast,*” the handler and dog must run, moving forward at a noticeably accelerated pace.

At the completion of the Heel exercise, the judge will say, “*Exercise Finished.*” At this time it is appropriate for the handler to praise their dog.

Figure Eight

For this exercise, the handler will stand and the dog will sit in heel position facing the judge, midway between the two stewards who will be standing eight (8) feet apart. The judge will ask, “*Are you ready?*” The handler will say, “*Yes*” or “*No.*” After the handler and dog are ready, the judge will give the order, “*Forward.*” The handler may choose to go in either direction. The handler and dog will walk briskly around and between the two stewards twice. The judge will order at least one halt during this exercise and another halt at the end. There will be no about turn, fast, or slow during this exercise. At the completion of the Figure Eight exercise, the judge will say, “*Exercise Finished.*” At this time it is appropriate for the handler to praise their dog.

Stand for Examination

The purpose of this exercise is for the dog to stand and stay in position before, during, and after the examination without displaying resentment. The orders given by the judge are, “*Stand your dog, and leave when you are ready,*” “*Back to your dog,*” and “*Exercise Finished.*”

On the judge’s order, the handler will take their dog to the place indicated by the judge and have the dog sit in heel position. On the judge’s order to “*Stand your dog, and leave when you are ready,*” the handler will stand/pose the dog by the method of the handler’s choice, taking any reasonable time if they chooses to pose the dog as in the show ring. The handler will then stand with the dog in the heel position and give the command and/or signal to stay. The handler will then leave from heel position, walk straight forward about six (6) feet, and turn and face the dog.

The judge will approach the dog from the front. Using the fingers and palm of one hand, the judge will touch the dog’s head, body, and hindquarters. On the order “*Back to your dog,*” the handler will walk around behind the dog and return to the heel position. The dog must remain standing, without moving its feet, until the judge has said, “*Exercise Finished.*” At this time it is appropriate for the handler to praise their dog. The dog must not show any shyness or resentment during this exercise.

Recall

The purpose of this exercise is for the dog to stay where left until called by the handler, and for the dog to respond promptly to the handler’s command or signal to come. The orders given by the judge are, “*Leave your dog,*” “*Call your dog,*” and “*Finish.*”

The handler will take the dog to the place designated by the judge and have the dog sit in the heel position. On the judge’s order, “*Leave your dog,*” the handler may give a command and/or signal to the dog to stay in the sit position. The handler will then walk forward to the end of the leash, turn to face the dog, standing with the hand not holding the leash hanging naturally at the side of the body. On the judge’s order

or signal to *"Call your dog,"* the handler will either command OR signal the dog to come, NOT both. The dog must come directly, at a brisk trot or gallop and sit straight, centered in front of the handler. The dog must be close enough to its handler so that the handler could touch its head without excessive bending, stretching, or moving either foot. The dog should not touch the handler or sit between the handler's feet.

On the judge's order to *"Finish,"* the handler will give a command OR signal to finish, NOT both. The dog must go promptly to heel position and sit straight at heel. The method by which the dog goes to heel position is optional.

Group Exercises

Long Sit (1 minute)

The purpose of this exercise is for the dog to remain in the sitting position for one (1) minute. The judge's orders are *"Sit your dogs," "Leave your dogs,"* and *"Return to your dogs."*

This exercise is performed together as a group by all the competing dogs of one class provided the dogs can be spaced four (4) feet apart per dog on one side of the ring. If there are more dogs competing than can be spaced 4 feet per dog, some must be judged in another group. This means that there should be no more than 12 dogs in any one group if the ring is 50 feet long and no more than 10 dogs in any one group if the ring is 40 feet long.

Before starting the Long Sit, the judge will ask if the handlers are ready. When the judge gives the order, *"Sit your dogs,"* the handlers will command and/or signal their dogs to sit, if they are not already sitting. On further order to *"Leave your dogs,"* the handlers will give a command and/or signal to stay and immediately will go to the end of the leash, turn, and face their dogs.

If a dog gets up and starts to wander or follow its handler or if a dog moves to interfere with another dog, the judge will promptly instruct the handler or one of the stewards to remove the dog from the ring and/or keep it away from other dogs.

After one minute from the time the judge has ordered the handlers to leave their dogs, the judge will give the order to *"Return to your dogs."* The handlers must go back promptly, walking around and in back of their own dog to the heel position. The dogs must not move from the sitting position until after the judge has said, *"Exercise finished."* This order will not be given until the handlers are back in heel position.

Long Down (1 minute)

The purpose of this exercise is for the dog to remain in the down position for ONE (1) minute. The judge's orders are *"Down your dogs," "Leave your dogs,"* and *"Return to your dogs."*

This exercise is performed together as a group by all the competing dogs of one class provided the dogs can be spaced four (4) feet apart per dog on one side of the ring. If there are more dogs competing than can be spaced 4 feet per dog, some must be judged in another group. This means that there should be no more than 12 dogs in any one group of the ring is 50 feet long and no more than 10 dogs in any one group if the ring is 40 feet long. Pre-Novice A and Pre-Novice B classes can be combined for the Long Down.

If a dog gets up and starts to wander or follow its handler or if a dog moves to interfere with another dog, the judge will promptly instruct the handler or one of the stewards to remove the dog from the ring and/or keep it away from other dogs.

Before starting the Long Down, the judge will ask if the handlers are ready. On the judge's order, *"Down your dogs,"* the handlers will down their dogs, without touching either the dogs or their collars, so that the dogs are facing the opposite side of the ring. The rest of this exercise is done in the same manner as the Long Sit, except that the judge will order the handlers to return after one minute, and the dogs must not move from the down position until after the judge has said, *"Exercise finished."*

The dogs will not be required to sit at the end of this exercise.

The dog shall sit straight and promptly in the heel position without command or signal and shall not move until the handler again moves forward on the judge's order. After each halt, it is permissible for the handler to give a command or signal to heel before moving forward again. The judge will say "exercise finished" after this portion of the exercise.

For the Figure Eight, the handler will stand and the dog will sit in heel position facing the judge, midway between the two stewards, who will stand 8 feet apart. The Figure Eight will be done on leash; the handler may go around either steward first. The judge will ask, "Are you ready?" before giving the first order. The handler and dog will walk briskly around and between the two stewards twice. The judge will approach the dog from the front. Using the fingers and palm of one hand, the judge will touch the dog's head, body, and hindquarters. On the order "Back to your dog," the handler will walk around behind the dog and return to the heel position. The dog must remain standing until the judge has said "Exercise finished."

Heel Free and Figure Eight Off Leash

This exercise will be executed in the same manner as the Novice Heel on Leash and Figure Eight exercise, except that the dog will be off leash. Orders are the same as in Heel on Leash and Figure Eight.

Drop on Recall

The purpose of this exercise, in addition to those listed under the Novice Recall, is to show the dog's prompt response to the handler's command and/or signal to drop, and the dog's remaining in the down position until again called or signaled to come. The dog will be judged on the promptness of its response to the command or signal.

The judge will order, "*Leave your dog,*" "*Call your dog,*" then give a clear signal to drop the dog, followed by "*Call your dog*" and "*Finish.*"

On the judge's order, the handler may give a command and/or signal for the dog to stay in the sit position. The handler will walk forward to the other end of the ring, then turn, facing their dog, and stand naturally, with both hands at the sides of the body. On the judge's order or signal, the handler will either command or signal the dog to come. The dog must come directly at a brisk trot or gallop. On the judge's arm or hand signal, the handler shall give the command and/or signal to drop, and the dog must drop immediately to a complete down position. The dog must remain down until the judge gives the order or signal for the handler to signal or command the dog to come. The dog finishes the exercise as in the Novice Recall.

Dumbbell Recall

The purpose of this exercise is to show that the dog can perform a recall off leash while holding a dumbbell. This exercise will be performed like the Novice Recall but with the dog holding the dumbbell. In addition to the Novice Recall, the dog will promptly take, hold, and deliver the dumbbell when commanded.

The judge's orders are "*Give your dog the dumbbell,*" "*Leave your dog,*" "*Call your dog,*" "*Take it,*" and "*Finish.*"

The handler will stand with the dog sitting in the heel position in a place designated by the judge. When the judge orders, "*Give your dog the dumbbell,*" the handler will present the dumbbell with one command. The dog must accept it readily and hold it. When the judge orders, the handler may give the command and/or signal to stay, and will walk forward to the other end of the ring and turn to face the dog. On the judge's order or signal, the handler will command or signal the dog to come. The dog must come directly at a brisk trot or gallop. When the dog is sitting in front of the handler, the judge will order, "*Take it,*" and the handler will give a command and take the dumbbell. The dog must willingly give the dumbbell on command to the handler. The finish will be done as in the Novice Recall.

Dumbbell Recall Over High Jump

The purpose of the exercise, in addition to those listed under the Dumbbell Recall, is that the dog return with the dumbbell over the jump.

The judge's orders are: "Give your dog the dumbbell," "Leave your dog," "Call your dog," "Take it" and "Finish."

The exercise will be performed and scored in the same manner as the Dumbbell Recall except that the dog must clear the high jump. The handler will stand with the dog sitting in the heel position at least 8 feet (or any reasonable distance beyond 8 feet) from the jump. The judge will ask, "Are you ready?" before giving the first order. On the judge's order, the handler may give a command and/or signal to stay, go around the jump to at least 8 feet beyond the other side of the high jump, and turn and face the dog naturally. On the judge's order, the handler will give the command or signal to jump. The dog must clear the high jump without touching it and, without any further command or signal, immediately sit in front of the handler.

36" to less than 39"	28"

The minimum jump shall be set to the multiple of 2 inches nearest the height of the dog at the withers for all other dogs, with no dog jumping less than 8 inches or more than 36 inches. Handlers will neither be penalized nor receive extra consideration if they have their dogs jump more than the minimum required height

The stewards, based on the handler's advice as to the dog's height, may preset the jumps. The judge will make certain the jump is at least the minimum required height for each dog and must also be aware that the jump may be set at a higher height if requested by the handler. Judges may, at their discretion, verify the height of any dog at the withers.

The high jump will be 5 feet wide and built to provide 2-inch increments from 8 inches to 36 inches. The uprights of the high jump will be 4 feet high. It is suggested that the bottom board measure 8 inches down from its top to the floor or ground. In addition, three other 8-inch boards, a 4-inch board, and 2-inch board should be used. A 6-inch board may also be used. The jump will be a flat white. The height of each board will be indicated in black 2-inch numbers.

Recall Over Broad Jump

The purpose of this exercise is for the dog to stay where left until directed to jump, clear the jump on a single command or signal, and that the dog immediately return to sit in front of its handler after it has jumped. Each dog will jump twice the height it did for the high jump.

The judge's orders are "Leave your dog," "Call your dog," and "Finish." The handler will stand with the dog sitting in the heel position at least 8 feet from the jump, facing the the lowest hurdle. The judge will ask, "Are you ready?" before giving the first order. When the judge orders, "*Leave your dog,*" the handler may give the command and/or signal to stay, go around the hurdles to at least 8 feet beyond the last hurdle, then turn and face the dog. On the judge's order, the handler will give the command or signal to jump. The dog must clear the entire distance of the broad jump without touching it and, without any further command or signal, immediately sit in front of the handler and finish as in the Novice Recall.

The broad jump will consist of four white telescoping hurdles, all about 8 inches wide. The largest hurdle will measure about 5 feet long and about 6 inches at the highest point. In the ring, they will be arranged in order of size, evenly spaced, covering a distance equal to twice the height of the high jump setting for each dog. Four hurdles will be used for a jump of 48 to 72 inches, three for 28 to 44 inches and two for a jump of 16 to 24 inches. When decreasing the number of hurdles in the jump, the highest hurdle will be removed first. It is the judge's responsibility to see that the distance jumped by each dog is in accordance with these regulations.

Stand Stay – Get Your Leash

The principal feature of this exercise is that the dog stand and stay in position until the handler has returned to heel position.

The orders are: "Stand your dog," "Leave your dog to get your leash," and "Back to your dog."

The handler will stand with the dog sitting in heel position in a place designated by the judge, approximately 15 feet from the ring gate. The judge will ask "Are you ready?" before giving the first order. On the judge's order, the handler will command and/or signal the dog to stand without touching the dog or the dog's collar. The dog must stand but need not stand in heel position. On further order to "Leave your dog to get your leash," the handler may give a command and/or signal to stay and will walk forward directly to a place outside the ring gate designated by the judge for the leash.

The handler will pick up the leash, re-enter the ring, stop and wait for the judge's order "Back to your dog." The handler must return directly, walking around and in back of the dog to heel position. The dog must remain standing until the judge has said "Exercise finished." The judge will tell the handler, "Attach your leash to the collar and maintain control of your dog." The handler is required to exit the ring gate with the dog under control and without jumping, pulling or tugging on the leash.

Heel Free and Figure Eight

This exercise will be performed in the same manner as the Novice Heel on Leash and Figure Eight exercise, except that the dog will be off leash. Orders are the same as in Heel on Leash and Figure Eight.

Command Discrimination

The principal features of this exercise are the dog's correct response to the handler's commands and/or signals and that the dog stays until the handler returns to heel position.

The orders are: "Leave your dog" and "Back to your dog." The judge must use signals for directing the handler to command and/or signal the dog to change position except for the first position and that order is: Stand your dog."

The handler will stand with the dog sitting in heel position in a place designated by the judge. The judge will ask "Are you ready?" before giving the first order to "Stand your dog" or "~~Down your dog.~~"

The handler will stand with the dog sitting in heel position in a place designated by the judge. The judge will ask "Are you ready?" before giving the first order to "Stand your dog" or "~~Down your dog.~~" The handler will give a command and/or signal for the dog to change position. On further order to "Leave your dog," the handler may give a command and/or signal to stay and will immediately walk forward 15 feet, turn, and face the dog. On the judge's signal, the handler will give a command and/or signal for the dog to change to the second position. The judge will then order "Leave your dog." The handler may give a command and/or signal to stay and will immediately turn around and walk forward an additional 15 feet, turn, and face the dog. On the judge's signal, the handler will give a command and/or signal for the dog to change to the third position. The judge will then order "Back to your dog." The handler may give a command and/or signal to stay, and then must return directly, walking around and in back of the dog to heel position. The dog must stay in position without additional commands or signals until the handler has returned to heel position. The handler's hands and arms must hang naturally at the handler's side.

Drop on Recall

The purpose of this exercise, in addition to those listed under the Novice Recall, is the dog's prompt response to the handler's command or signal to drop, and the dog remaining in the down position until again called or signaled to come. The dog will be judged on the promptness of its response to the command or signal.

The judge's orders are: "*Leave your dog,*" "*Call your dog,*" then give a clear signal to drop the dog, followed by "*Call your dog*" and "*Finish.*"

The handler will stand with the dog sitting in the heel position in a place designated by the judge. The judge will ask, "*Are you ready?*" before giving the first order. On the judge's order, the handler may give a command and/or signal for the dog to stay in the sit position. The handler will walk forward to the other end of the ring, then turn, face the dog, and stand naturally. On the judge's order or signal, the handler will either command or signal the dog to come. The dog must come directly at a brisk trot or gallop. On the judge's arm or hand signal, the handler shall give the command or signal to drop, and the dog must drop immediately to a complete down position. The dog must remain down until the handler gives the command or signal to come when ordered by the judge. The dog completes the exercise as in the Novice Recall.

Note: The difference between the Graduate Novice and Open Drop on Recall is that in Graduate Novice a command and/or signal can be given to drop the dog. In Open, the handler must give either a command or signal.

Retrieve on Flat

The purpose of this exercise is to show that the dog can retrieve promptly. The judge's orders are "*Throw it,*" "*Send your dog,*" "*Take it,*" and "*Finish.*"

The handler will stand with the dog sitting in the heel position in a place designated by the judge. The judge will ask, "*Are you ready?*" before giving the first order. On the judge's order, "*Throw it,*" the handler will give the command and/or signal to stay. If the handler does use a signal, that signal may not be given with the hand that is holding the dumbbell. After the dumbbell is thrown at least 20 feet, the judge will order the handler to "*Send your dog.*" The retrieve should be performed at a brisk trot or gallop. The dog will go directly to the dumbbell and retrieve it, returning directly to the handler as in the Novice Recall without unnecessary mouthing or playing. On order from the judge to "*Take it,*" the handler will give either a command or signal and take the dumbbell. The finish will be performed as in the Novice Recall.

The judge will require the dumbbell to be thrown again before the dog is sent if it is thrown less than 20 feet, too far to one side, or too close to the ring's edge.

Retrieve Over High Jump

The purpose of this exercise is for the dog to go out over the jump, pick up the dumbbell, and promptly return with it over the jump. The judge's orders are *"Throw it," "Send your dog," "Take it,"* and *"Finish."* This exercise will be performed in the same manner as the Retrieve on Flat, except that the dog will clear the high jump both going and coming. The handler will stand at least 8 feet, or any reasonable distance beyond 8 feet, from the jump, will remain in the same spot throughout the exercise and will throw the dumbbell at least 8 feet beyond the jump. (These 8-foot distances must be clearly marked.)

Refer to the Graduate Novice Recall Over High Jump for jump height information.

Broad Jump

The purpose of this exercise is that the dog stay where left until directed to jump, clear the jump on a single command or signal, and return to its handler after it has jumped. The judge's orders are *"Leave your dog," "Send your dog,"* and *"Finish."*

The handler will stand with the dog sitting in the heel position at least 8 feet from the jump facing the lowest side of the lowest hurdle. (This 8-foot distance must be clearly marked.) The judge will ask, *"Are you ready?"* On order from the judge to *"Leave your dog,"* the handler will give the command and/or signal to stay and go to a position facing the right side of the jump. The handler may stand anywhere between the lowest edge of the first hurdle and the highest edge of the last hurdle with their toes about 2 feet from the jump.

On the judge's order, the handler will give the command or signal to jump. While the dog is in midair, the handler makes a 90-degree pivot, but will remain in the same spot. The dog will clear the entire distance of the hurdle without touching them and, without further command or signal, immediately return to a sitting position in front of the handler, finishing as in the Novice Recall.

Refer to the Graduate Novice Recall Over Broad Jump for jump information.

The orders are: *"Stand your dog," "Leave your dog to get your leash,"* and *"Back to your dog."*

The handler will stand with the dog sitting in heel position in a place designated by the judge, approximately 15 feet from the ring gate. The judge will ask *"Are you ready?"* before giving the first order. On the judge's order, the handler will command and/or signal the dog to stand without touching the dog or the dog's collar. The dog must stand but need not stand in heel position. On further order to *"Leave your dog to get your leash,"* the handler may give a command and/or signal to stay and will walk forward directly to a place outside the ring gate designated by the judge for the leash.

The handler will pick up the leash, re-enter the ring, stop and wait for the judge's order *"Back to your dog."* The handler must return directly, walking around and in back of the dog to heel position. The dog must remain standing until the judge has said *"Exercise finished."* The judge will tell the handler, *"Attach your leash to the collar and maintain control of your dog."* The handler is required to exit the ring gate with the dog under control and without jumping, pulling or tugging on the leash.

Prior to the start of judging, the judge will decide which jump will be performed and which glove retrieved. This information will not be disclosed to exhibitors until it is posted at the ring, approximately 45 minutes before the start of the class. The judge will designate the same jump and glove for each handler.

Signal Exercise

The purpose of this exercise is to show the ability of the dog and handler to work as a team while heeling, and the dog's correct response to the commands and/or signals to stand, stay, down, sit, and come.

The judge's orders are the same as in the Novice Heel on Leash, except for the judge's order to "*Stand your dog.*" This order will only be given when dog and handler are walking at a normal pace and will be followed by the order "*Leave your dog.*" The judge must use signals for directing the handler to signal the dog to down, sit, come (in that sequence) and to finish.

Heeling will be done as in the Heel Free, except that the handler may use signals only and must not speak to their dog at any time during this exercise. While the dog is heeling at one end of the ring, the judge will order the handler to "*Stand your dog.*" On further order to "*Leave your dog,*" the handler will give the signal and/or command the dog to stay, go at least ten (10) feet from the dog, then turn and face the dog. On the judge's signal, the handler will give the command and/or signal to down, sit, come, and finish as in the Novice Recall.

Scent Discrimination

The principal feature of this exercise is the selection of the handler's article from among the other articles by scent alone, and the prompt delivery of the correct article to the handler. This exercise will be performed and scored the same as in the Utility Scent Discrimination except that the handler will present four articles, consisting of two (2) sets only. It is the handler's discretion as to which type of article is retrieved. The dog and handler will remain facing the articles and only one article will be retrieved. Refer to the Utility Scent Discrimination exercise explanation.

Go Out

The purpose of this exercise is for the dog to go away from the handler to the opposite end of the ring and stop as directed. The judge's orders are "*Send your dog*" and "*Return to your Dog.*"

The handler will stand with the dog sitting in the heel position facing the unobstructed end of the ring in the approximate center at any distance from about 20 feet beyond the jumps up to midway between the jumps. The judge will ask, "Are you ready?" before giving the first order. On the judge's order, "*Send your dog,*" the handler will command and/or signal the dog to go forward at a brisk trot or gallop to a point about 20 feet past the jumps in the approximate center of the ring. When the dog reaches this point, the handler will give a command to sit. The dog must stop and sit with its attention on the handler, but it need not sit squarely.

The judge will then order the handler, "*Return to your dog,*" and the handler will return to the heel position by walking around and in back of their dog.

Directed Jumping

The purpose of this exercise is that the dog stays where left, jump as directed, and return to the handler as in the Novice Recall. The orders are "*Leave your dog,*" "*Bar,*" "*High,*" and "*Finish.*"

The handler will stand with the dog sitting in the heel position at the unobstructed end and in the center of the ring. The judge will ask, "Are you ready?" before giving the first order. The judge will order "Leave your dog," and the handler may give a command and/or signal to the dog to stay, then walk forward to the other end of the ring, turn to face the dog and stand with the arms and hands hanging naturally. The judge will order either "Bar" or "High" for the jump, and the handler will command and/or signal the dog to return to the handler over that designated jump. While the dog is in midair, the handler may turn to face the dog as it returns. The dog will sit in front of the handler, and, on order from the judge, finish as in the Novice Recall. The dog will be sent over only one jump, and the same jump will be used for all dogs as designated by the judge at the start of the class.

Moving Stand and Examination

The exercise will be performed and scored the same as in the Utility Moving Stand and Examination, except that the handler may pause or hesitate when giving the command and/or signal to stand. Refer to the Utility Moving Stand and Examination exercise explanation.

Directed Retrieve

The exercise will be performed and scored the same as in the Utility Directed Retrieve exercise, except that a center glove is not used. Refer to the Utility Directed Retrieve exercise explanation.

Prior to the start of judging, the judge will decide which glove will be retrieved. This information will not be disclosed to exhibitors until it is posted at the ring, approximately 45 minutes before the start of the class.

Signal Exercise

The principal features of this exercise are the ability of the dog and handler to work as a team while heeling and the dog's correct response to the signals to stand, stay, down, sit and come.

The handler will stand with the dog sitting in the heel position in a place designated by the judge. Orders are the same as in the Novice Heel on Leash, except for the judge's order to "Stand your dog." This order will only be given when the dog and handler are walking at a normal pace and will be followed by the order to "Leave your dog." The judge must use signals for directing the handler to signal the dog to down, sit, come (in that sequence) and to finish.

Heeling will be done as in the Heel Free, except that handlers may use signals only and must not speak to their dogs at any time during this exercise. While the dog is heeling at one end of the ring, the judge will order the handler to "Stand your dog." On further order to "Leave your dog," the handler will signal the dog to stay, go to the other end of the ring, then turn and face the dog. On the judge's signal, the handler will give the signals to down, sit, come and finish as in the Novice Recall.

Scent Discrimination

The principal features of these exercises are the selection of the handler's article from among the other articles by scent alone, and the prompt delivery of the correct article to the handler. In each of these two exercises the dog must select and retrieve an article that has been handled by its handler. The dog must make this selection based on scent alone.

The orders are: "*Take an article,*" "*The taking of the article from the handler,*" "*Send your dog*" "*Take it,*" and "*Finish.*"

The articles will be provided by the handler and will consist of two (2) sets only. The handler will choose which two (2) sets are to be used – metal, leather, or wood. Each set of articles will be comprised of five identical objects, which may be items of everyday use. The size of the articles will be proportionate to the size of the dog. The metal set must be made entirely of rigid metal. The leather set must be made of leather. The wood set must be made of one or more solid pieces of wood. The articles may be unfinished, stained or dyed and must be designed so that only a minimum amount of fastening material is visible. The articles in each set will be legibly numbered with a different number and must be approved by the judge.

The handler will present all ten articles to the judge, who will make a written note of the numbers of the two articles they have selected. These articles will be placed on a table or chair within the ring until the handler picks each up separately when ordered by the judge. The judge or steward will handle each of the remaining eight articles while randomly arranging them on the floor or ground about 6 inches apart. The closest article should be about 20 feet from the handler and dog. The judge must make sure that the articles are visible to both dog and handler and that they are far enough apart so there will be no confusion of scent among articles. Handlers may choose to watch the articles being placed or face away. After the articles have been placed, the handler will face away from the articles with the dog sitting in heel position.

The judge will ask, "*Are you ready?*" before giving the first order. On the judge's order, "*Take an article,*" the scoring of the exercise will begin. The handler may give a command and/or signal to the dog to stay in the sit position, then take an article and return to heel position. The handler may use either article first, but must hand it to the judge immediately when ordered. The judge will make certain handlers scent each article with their hands only.

Once the handler has returned to heel position with the article, the handler may talk to but not pet their dog. As the handler is scenting the article the judge will ask, "*What method will you be using to send your dog?*" At this time, the handler may inform the judge the procedure will be the same for both articles. If not informed, the judge will ask the question again for the next article.

The judge's taking of the article will be considered the second order. On the judge's order, the handler will place the article on the judge's book or worksheet. Without touching that article, the judge or steward will place it among the others. Once the judge takes the article from the handler, the handler is not permitted to talk to the dog.

On order from the judge to "*Send your dog,*" the handler has the option as to how the dog is sent. The handler may give the command or signal to heel and will turn in place, either right or left, to face the articles. The handler will come to a halt with the dog sitting in the heel position. The handler will then give the command or signal to retrieve. Or the handler may do a right about-turn, simultaneously giving the command or signal to retrieve. In this case, the dog should not assume a

sitting position but must go directly to the articles. Handlers may give their scent by extending the palm of one hand in front of the dog's nose or gently touching the dog's nose, but the arm and hand must be returned to a natural position before they turn and face the articles. The dog should go directly to the articles at a brisk trot or gallop. It may take any reasonable time to select the correct article, but the dog must work continuously. After picking up the correct article, the dog will complete the exercise as in the Retrieve on Flat. This procedure will be followed for both articles. If a dog retrieves the wrong first article, that article and the correct one must be removed. They will be placed on the table or chair, and the next exercise will be done with one less article.

Directed Retrieve

The principal features of this exercise are that the dog stay until directed to retrieve and that it completes the retrieve of the designated glove.

The orders for the exercise are: *"One," "Two," or "Three," "Take it," and "Finish."*

In this exercise the handler will provide three (3) gloves that are predominately white. They must be open and must be approved by the judge. Handlers will stand with their backs to the unobstructed end of the ring midway between and in line with the jumps. The dog will be sitting in heel position. The judge or steward will drop the gloves across the end of the ring while the handler and dog are facing the opposite direction. One glove is dropped about 3 feet in from each corner, and the remaining glove is dropped in the center, about 3 feet from the end of the ring.

The gloves will be designated *"One," "Two," or "Three,"* reading from left to right when the handler is facing the gloves. The judge will ask, *"Are you ready?"* before giving the first order. When the judge designates the glove by number, the handler will turn in place to face the glove, halting with the dog sitting in heel position. The handler may not touch the dog or reposition it. The handler will give the dog the direction to the designated glove with a single motion of the left hand and arm along the right side of the dog. Either simultaneously with or immediately following giving the direction, the handler must give a verbal retrieve command. The dog must then go directly to the glove, completing the exercise as in the Retrieve on Flat.

Handlers may bend their bodies and knees as far as necessary to give the direction to the dogs but must then stand up in a natural position with their arms at their sides.

Moving Stand and Examination

The principal features of the exercise are that the dog heel, stand and stay as the handler moves away; accept the examination without shyness or resentment; and return to the handler on command.

The orders are: *"Forward," "Stand your dog," and "Call your dog to heel."*

The handler will stand with the dog sitting in heel position in a place designated by the judge. The judge will ask, *"Are you ready?"* before giving the first order. On the judge's order, the handler may command or signal the dog to heel. After the handler has proceeded about 10 feet, the judge will order *"Stand your dog."* Without pausing, the handler will command and/or signal the dog to stand and continue forward about 10 to 12 feet. The handler will then turn either to the right or left to face the dog, which must stand and stay in position.

The judge will approach the dog from the front to examine it. The exam will consist of the judge gently using both hands in a single smooth motion beginning at the sides of the dog's neck, proceeding along the body and ending at the dog's croup. The exam will not include the head, teeth, legs, testicles, or tail.

On the judge's order, the handler will command and/or signal the dog to return to the heel position. The dog should return to heel position in a brisk manner.

Directed Jumping

The principal features of this exercise are that the dog goes away from the handler to the opposite end of the ring, stop, jump as directed, and return as in the Novice Recall. The orders are: "Send your dog," "Bar," "High," and "Finish."

The jumps will be placed midway in the ring at right angles to the longest sides of the ring, 18 to 20 feet apart. The judge must see that the jumps are set at the required height for each dog, as described in the Retrieve over High Jump.

The handler will stand in the approximate center of the ring with the dog sitting in heel position, about 20 feet from the jumps and midway between them. The judge will ask, "Are you ready?" before giving the first order. On the judge's order, the handler will command and/or signal the dog to go forward at a brisk trot or gallop to a point about 20 feet past the jumps in the approximate center of the unobstructed end of the ring. When the dog reaches this point, the handler will give a command to sit. The dog must stop and sit with its attention on the handler, but it need not sit squarely.

The judge will order either "Bar" or "High" for the first jump, and the handler will command and/or signal the dog to return to the handler over the designated jump. While the dog is in midair, the handler may turn to face the dog as it returns. The dog will sit in front of the handler and, on order from the judge, finish as in the Novice Recall. After the dog has returned to heel position, the judge will say, "Exercise finished." When the dog is set up for the second half of this exercise, the judge will ask, "Are you ready?" before giving the order for the second part of the exercise. The same procedure will be followed for the second jump.

It is optional which jump the judge first indicates, but both jumps must be included. The judge must not designate the jump until the dog has reached the far end of the ring.

The height of the jumps and construction of the high jump will be the same as required in the Open classes. The bar jump will consist of a bar between 2 and 2 ½ inches square with the edges rounded to remove any sharpness. The bar will be flat black and white in alternate sections, each about 3 inches wide. The bar will have the weight of wood. It will be supported by two unconnected 4-foot upright posts about 5 feet apart and built to be set at a height of 4 inches and must be adjustable for each 2 inches of height from 8 inches to 36 inches. The jump must be built so the bar may be knocked off without affecting the uprights.

The judge should determine the 10-foot distance before beginning the class. The same sequence of jumps should be used for each dog.
