

**2022 Ohio State Fair Dog Show Junior A & B Showmanship and Junior You and your Dog
Question Bank
Youth Ages 9-11 as of 01-01-22**

Show Committees and Judges: Please use these questions when interviewing youth for Junior A & B Showmanship and Junior Your and Your Dog Judging during the 2022 4-H project year.

Recommended use: Judges can select 2 or 3 sets of 6 questions and put each set in an envelope, allowing exhibitors to choose 1 of the envelopes, or use the same 6 questions for all juniors at a show. Select less difficult questions for Junior A Showmanship handlers. For State Fair Showmanship and You and Your Dog, youth will select 1 of 3 envelopes.

Recommended scoring: Where answers require explanations, exhibitors may answer using their own wording provided they convey the same meaning as the correct answer. As a judge, do not give hints or define a word in the question or statement. Youth are expected to know the meaning of the words. Each question is worth 10 points. If one question asks for multiple answers, then give partial credit for each correct answer.

Questions asked during the 2022 Ohio State Fair Dog Show Junior Showmanship and You and Your Dog classes will come from this bank of questions. Youth can find these answers to all of these questions in the *Ohio 4-H Dog Resource Handbook*, © 2018.
