County-Use of Ohio 4-H/OSF Dog Rules and Regulations

County usage of all Ohio 4-H/Ohio State Fair Dog Show Rules and Regulations is recommended for consistency and continuity in the 4-H dog programs throughout the state. However, counties may adapt The Ohio 4-H/Ohio State Fair Dog Show Rules and Regulations for county level evaluations to allow for a more positive experience for youth. Some examples include:

- *Adding, deleting or modifying classes offered to accommodate entry numbers or experience, such as dividing Pre-Novice into Pre-Novice A and Pre-Novice B classes*
- *Adding “C” classes when needed.* At the Ohio State Fair, except for certain advanced obedience classes, youth are required to move to a higher level if winning. However, depending on the size of classes at the county level, it may not be feasible for a youth to move to a higher level after winning. They may be the only youth in the class, or may not be ready as a team to move to the higher level. Therefore, either permitting youth winning first place to repeat a class, or creating a “C” class for certain obedience classes, allows that youth to continue training at the same level to become successful and not get discouraged, dropping out of the dog project.
- *Adapting age divisions for participation.* For example, Showmanship and You and Your Dog are divided into Junior, Intermediate, and Senior classes at the State Fair. Counties may offer Junior and Senior classes, or even just one Showmanship class, depending on numbers.
- *Combining A and B classes.* Counties may combine an A and B class into one class provided the class exercise requirements are the same. However, record-keeping is required to ensure that youth/dog teams who are inexperienced “A” teams, are recognized as such so that they are not excluded from participating at the “A” level at the Ohio State Fair in the same 4-H year, if applicable.

2022 General Dog Show Rules for Ohio 4-H/Ohio State Fair Participation

Note: Changes and/or additions for 2022 are underlined.

Preface

Below are the rules for participating in the 2022 Ohio State Fair Junior Fair Dog Show. It is your responsibility to read, understand, and follow these rules. Please refer to the *County-Use of Ohio/OSF Dog Rules and Regulations* at the beginning of this section to find examples of how these rules can be modified for county use.

1. Prior to participating in 4-H dog activities with a dog (which includes the Ohio State Fair Dog Show), a *2022 Permission to Participate in Ohio 4-H Dog Activities Disclosure and Release of Claims* form **MUST** be signed by the 4-H member and a parent or guardian for this year's 4-H dog projects. **This form for the current year must be on file in the county Extension office for each youth before they can participate in the Ohio 4-H Dog Program activities with a dog.**
2. Individuals who violate any rule and/or exhibit poor sportsmanship during the Ohio State Fair Junior Fair Dog Show will be disqualified from showing.
3. Any dog exhibiting unsafe or threatening behavior *at any time before, during, or after exhibition* **MUST** be removed from the fairgrounds and will not be permitted to return at any time throughout the Dog Show. Determination of the show committee and/or judge will be final.
4. A dog that snaps, bites, or attempts to bite while in the ring must be immediately excused from the ring and then removed from the Fairgrounds for the remainder of the Dog Show.
5. Individuals are not permitted to have any discussion with judges at any time throughout the Dog Show. (This does not include discussions or questions during Agility or Rally Briefings or Walkthroughs.)
6. Determinations of the Show Committee and/or Judges are FINAL.
7. Judges' judging and scoring decisions are FINAL.
8. Individuals with concerns must express them in writing, give them to Show Personnel, and those concerns will be discussed at the fall Ohio 4-H Dog Advisory Committee meeting. Confrontations with judges and/or show personnel may result in disqualification of exhibitor and removal of individuals from the Fairgrounds.
9. Ohio State Fair Dog Show information can be found at <http://go.osu.edu/osfdogs>.

5. Prior to showing at the Ohio State Fair, the exhibitor is expected to understand and agree to follow the *2022 Ohio State Fair Junior Fair Dog Show Rules*, including the exercises to be performed for the judge, and to be able to perform those exercises prior to the Ohio State Fair Dog Show.

It is recommended that a copy of this statement be on file in the county Extension office.

Training

(A new "project year" typically begins following the exhibitor's county fair, or State Fair if after the OSF exhibitor's county fair, or county's 4-H awards program. Check with your county Extension office for your county's policy.) Handlers and/or dogs not meeting this requirement **MUST** show in a "B" class. Refer to "A" class information in the rules for each show discipline.

Junior Fair exhibitors in respective activities and classes are expected to perform in those events and demonstrate those skills which are listed in these *2022 Ohio State Fair Junior Fair Dog Show Rules*, in the *Ohio 4-H Dog Resource Handbook*, *Ohio 4-H Dog Project and Record Book*, and on the various 2022 dog 4-H judging score sheets.

State Fair Championship Title

Exhibitors showing their dogs at the Ohio State Fair Junior Fair Dog Show may apply for titling by recording State Fair achievements during their 4-H careers. The junior fair participant, their parent/guardian, and 4-H advisor must document achievements. The Ohio State Fair Championship Title is for the handler, regardless of the number of dogs shown.

Requirements

1. 4-H member may earn one Title per year regardless of the number of dogs shown;
2. 4-H member must accumulate 25 points to earn a Title;
3. Points will carry over from one year to the next;
4. Subsequent Titles will be awarded for each additional 25 points;
5. Points are recorded for the handler; and
6. All State Fair Dog Show participation rules apply.

Point System – Regular Classes

A 4-H member may use multiple dogs the same year to earn points toward an OSF Championship Title provided the dogs are shown in different events. However, in one given year at the Ohio State Fair Dog Shows (2022), youth can receive no more than the following points per event, regardless of the number of dogs exhibited or classes entered in that event:

One (1) point will be awarded for participation in any of these State Fair events:

- | | |
|---------------------|--------------------|
| 1. Agility | 9. Showmanship |
| 2. Assistance Dogs | 10. Freestyle |
| 3. 4-H PetPALS | 11. Team |
| 4. Brace | 12. Poster Contest |
| 5. Drill Team | 13. Skillathon |
| 6. Obedience | 14. AKC Trick Dog* |
| 7. You and Your Dog | 15. AKC CGC* |
| 8. Rally | |

An additional 5 points for earning a gold medal or placing 1st through 15th will be awarded per event, per year, regardless of the number of dogs entered in that event. For example: placement in ONE obedience class, regardless of the number of obedience classes exhibited = 5 points; placement in ONE rally class, regardless of the number of rally classes exhibited = 5 points; placement in ONE agility class, regardless of the number of agility classes exhibited = 5 points. Exhibitors must meet all of the criteria according to the score sheet to receive 5 points for the 4-H PetPALS class. Exhibitors must meet all of the expectations according to the score sheet to receive 5 points for the Assistance Dog class.

* For Trick Dog and CGC classes, exhibitors may earn points for participation only. An exhibitor may earn 1 point for participation in ONE Trick Dog class and 1 point for participation in ONE CGC class.

Awards: A pin and T-shirt will be presented to each exhibitor receiving his/her first Title at the Ohio State Fair during the Ohio State Fair Dog Show. Exhibitors receiving second titles, third titles, etc. will receive an award depending on sponsorship.

4-H Exhibitor Versatility Award

The purpose of the 4-H Exhibitor Versatility Award (EVA) is to: (1) encourage youth to participate in several classes (including Skillathon and Poster) at the Ohio State Fair Dog Show, and (2) award youth for achieving excellence in the classes in which they are showing or participating. To earn a 4-H Exhibitor Versatility Award, exhibitors must place in FIVE (5) classes as follows: (1) receive a gold medal in Agility; (2) meet all of the expectations according to the score sheet in the Assistance Dog class; (3) meet all of the criteria according to the score sheet in the 4-H PetPALS dog class; (4) place in the top five in all classes receiving placings, including the Skillathon and Poster Contest. Youth violating any of the 2022 Ohio State Fair Junior Fair Dog Show Rules or with points taken off for poor sportsmanship will not be

eligible for this award. An exhibitor must show in five (5) classes and earn one placing as described above per class, with one dog in each of those classes. The 4-H Exhibitor Versatility Award is based on the number of classes, not number of dogs per class (i.e. for agility and rally). An exhibitor may earn one 4-H Exhibitor Versatility Award a year.

4-H Exhibitor Versatility Award Forms: Exhibitors must request an EVA form from the registration table. The exhibitor must keep track of their points toward earning the 4-H Exhibitor Versatility Award on this form. Once enough points have been earned to receive this award the completed form must be turned in at the registration table for verification. After verification that points earned are adequate to receive this award, the award will be presented.

Terminology

1. **Discipline** – refers to a show category. Each of the following is a Discipline: Showmanship, Obedience (including Team and Brace), Rally, Agility, You and Your Dog, Drill Team, Canine Freestyle, 4-H PetPALS, Assistance Dogs, Tricks, and Canine Good Citizen.
2. **Level** – refers to sub-categories within certain disciplines. For example, Novice is a level in the Obedience discipline; Rally Excellent is a level in the Rally discipline.
3. **Class** – refers to the two classes within certain disciplines and/or discipline levels. The letters “**A**” and “**B**” refer to the experience of the youth **and** dog.
 - a. “**A**” classes are for handlers or dogs with **NO** training or showing experience prior to the county’s current project year. “**A**” classes can never be repeated by the same youth, regardless of what dog is shown. “**A**” classes can never be repeated by the same dog, regardless of what youth shows that dog. Refer to “**A**” class information in the rules for each show discipline.
 - b. “**B**” classes can be repeated by the same youth regardless of what dog is shown, and by the same dog, regardless of who shows that dog, provided the youth and/or dog are not the class winners (exception: Showmanship and You & Your Dog). If/when a youth and/or dog wins first place in a “**B**” class, the youth and dog must move to the next level (exception: Showmanship, You & Your Dog, and specified advanced obedience classes). A dog must move to a higher level within a discipline, once that dog begins performing at that higher level. (Refer to each of the show discipline’s rules for rules specific to that discipline.)

Eligibility

Youth may enter any of the disciplines, levels, and classes they are eligible for as outlined in the *2022 Ohio State Fair Junior Fair Dog Show Rules*. The handler and dog must be able to perform the exercises required of the disciplines/levels/class(s) entered. *Youth may not enter classes without both youth and dogs being prepared prior to the State Fair to perform the required exercises. A zero (0) will be given to any handler/dog team not attempting an exercise, except as provided otherwise specifically in the rules. A zero (0) on the exhibitor’s score sheet will result in an incomplete for that class, and therefore the exhibitor will not be eligible for an award, except as provided otherwise specifically in the rules.*

Exhibitors may show one or more project dogs, provided the exhibitors and dogs meet the eligibility requirements of each respective class, as follows (refer to each respective show discipline rulebook for more detailed and complete information):

Show Disciplines

1. Agility

Youth may enter any number of project dogs in Agility and are permitted to enter more than one dog per Agility class. Youth showing in Agility may show the same or different project dog(s) in other disciplines/classes provided they meet those eligibility requirements.

2. Obedience

Beginner Novice A

Beginner Novice A is for the first-year member and first-year dog with no prior show experience. ***Beginner Novice A youth are not permitted to show the same or different dog in any other***

AKC Trick Dog and AKC Canine Good Citizen Rules for Ohio 4-H/Ohio State Fair Participation

From the AKC

The American Kennel Club (AKC) is excited to continue to offer 4-H members an opportunity to try AKC events. They have developed a special form (see link below) that allows 4-H members to 1) obtain an AKC junior handler number and 2) (if necessary) obtain an AKC participation number for their dog, at **no charge**. (While the junior number is always free, there is normally a \$35 fee to get a Purebred Alternative Listing (PAL) or Canine Partner (CP) (All-American Dog) number for a dog). Once the 4-H member has a junior handler number and a participation number for their dog, they can begin participating in AKC events, earning AKC titles on their dogs, as well as get points in the new Junior Recognition Program.

There are several events that may be held independently of an AKC club, where AKC titles may be earned by 4-H members. These include the Agility Course Test, the Canine Good Citizen Test, Trick Dog Testing, as well as the Farm Dog Certification.

Also, special for 4-H dog clubs, AKC will process the CGC and Trick Dog title applications at no charge (normally \$20.00 for each title), following instructions on the letter from AKC at the following link, which includes the Canine Partners/PAL/Junior Number application: [AKC Letter and CP/PAL/Jr. Number Application](#). Dogs must be spayed or neutered, and if purebred, a photograph must be attached to the application. Youth with dogs with AKC registration numbers must complete a [Junior Handler Number Application](#), but do not need to complete the CP/PAL/Junior Number special form.

The Ohio State Fair Dog Show Committee will submit completed applications to AKC for youth passing the Trick Dog and CGC tests at the Ohio State Fair to earn those respective titles, provided youth have received a Junior Handler Number and CP/PAL number.

Handler's Appearance

Exhibitors should be neat, clean, and well-groomed in appearance. They should wear clothing that is comfortable to handle in and appropriate for dog shows. Clothing should not distract, limit or hinder the judge's view of the dog. Youth with long hair should tie it back to keep it from interfering with handling or the judge's view.

Acceptable clothing includes club shirts (including t-shirts), jeans, and shorts. Slacks, dressy shorts, skorts, capri or crop pants, colored jeans, collared blouses and shirts, polo shirts, or similar attire are also acceptable. Acceptable footwear includes closed-toe shoes, rubber-soled shoes, flats, and similar type footwear.

Inappropriate clothing includes clothing that is too tight or too revealing, such as short skirts, short shorts, tank tops, halter tops, spaghetti straps, low cut blouses or shirts, shorts hanging too low on the waist, clothing with holes or tears in the fabric, torn jeans of any kind, or other similar types of clothing. Do not wear clothing with lettering and distracting or offensive wording or designs. Do not wear hats. Do not wear sandals, open-toed shoes, high-heeled shoes, clogs, or similar type footwear. *Exhibitors dressed inappropriately will have points deducted or may be excused from the show ring.*

Dog's Appearance

Dogs must be clean, well-brushed and in good physical condition appropriate for the dog's age. The coat must be free from mats and loose hair.

Collars

Acceptable collars include: Well-fitting plain buckle or quick release collars, martingales, or slip collars of an appropriate single length of leather, fabric or chain with two rings, one on each end. Flat securely attached tags are permitted on these collars. Nothing may be hanging from the dog's collar. Dogs may also wear body harnesses for the CGC test. Body harnesses should not restrict the movement of the dog. Note: If CGC testing for 4-H PetPALS, collars, martingales or harnesses may not contain any chain material.

Acceptable collars while outside the show ring: Head halters, fancy collars, harnesses, and studded collars are permitted on dogs.

Unacceptable collars anywhere on the Fairgrounds: Pinch collars, collars with prongs or spikes on inside or outside, electronic collars, or any other special training collars, or muzzles. Youth are subject to disqualification from showing and removal from the Fairgrounds if their dogs are seen wearing these collars or devices.

Leashes

Leashes may be of fabric or leather. Chain leashes and retractable leashes are not acceptable.

All dogs must be kept on leash except when in the judging or exercise areas and must be brought into and taken out of the ring on leash. Dogs must be kept on leash in the ring when brought in to receive awards.

Unless designated otherwise, the handler will leave the leash on the judge's table during all exercises performed off leash.

Fouling the Ring

A dog that fouls the ring during AKC Trick Dog and AKC Canine Good Citizen testing will not be permitted to continue testing that day.

Fouling includes urine, feces or vomit. In exceptionally poor ring conditions, judges must confer with the show committee and other judges to determine penalties if fouling should occur.

Novice Trick Dog Title Guidelines

1. For the Novice Trick Dog title, the dog must either perform 10 tricks (see appendix) or have the CGC certificate or title on record at AKC and perform 5 tricks. The CGC will count as 5 tricks. Exception: A youth/dog team who passes the CGC at the OSF Dog Show prior to performing in the Novice Trick Dog class will be permitted to perform 5 tricks instead of 10 tricks.

2. In the Novice Trick Dog test, handlers:
 - a. **May** use food/toys as a lure (unless otherwise indicated for a specific trick). Lures are used to guide the dog into position.
 - b. **May** use lures, hand signals and/or verbal cues unless otherwise indicated for a specific trick.
 - c. **May** use food as a reinforcer and **may also use** clickers to mark behaviors. Reinforcers come after the behavior to tell the dog the behavior was done correctly.
3. In the Novice level, the dog will do each trick 2 times for the evaluator unless otherwise specified.
4. CGC and Trick Dog titles may be earned on the same day; however, handlers should send both CGC and Tricks title application in the same envelope so that AKC can enter the CGC on the record first. (Note: OSF Dog Show will send in both to AKC following the show.)

Intermediate Trick Dog Title Guidelines

1. For the Intermediate Trick Dog title, the dog must perform 10 tricks from the Intermediate tricks list (see appendix). Dog must have already earned the Novice Trick Dog title.

3. In the Intermediate level, the dog will do each trick 2 times for the evaluator unless otherwise specified.
4. Tricks performed in the test for Novice may not be repeated in Intermediate. A more advanced version of the same trick may be performed.

Advanced Trick Dog Title Guidelines

1. For the Advanced Trick Dog title, the dog must perform 10 tricks from the Advanced tricks list (see appendix). Dog must have already earned the Novice and Intermediate Trick Dog titles.

AKC CANINE GOOD CITIZEN

Introduction

The AKC's Canine Good Citizen (CGC) Program is designed to reward dogs who have good manners at home and in the community. The CGC Program is a two-part program that stresses responsible pet ownership for owners and basic good manners for dogs. All dogs who pass the 10-step CGC test may receive a certificate from the American Kennel Club and earn CGC as a title. Refer to <http://www.akc.org/dog-owners/training/canine-good-citizen/> for information about AKC Canine Good Citizen Testing and Titles.

12. Youth showing in the AKC CGC class may show the same or different project dog(s) in other disciplines/classes provided they meet those eligibility requirements.

Classes Offered – AKC Canine Good Citizen Test

Friday, July 15

Saturday, July 16

Note: Only the beginning Canine Good Citizen test will be offered at the Ohio State Fair Dog Show. The AKC Urban CGC and the AKC Community Canine tests will NOT be offered.

Canine Good Citizen Test Items

Test #1: Accepting a Friendly Stranger – This test demonstrates that the dog will allow a friendly stranger to approach it and speak to the handler in a natural, everyday situation. The evaluator walks up to the dog and handler and greets the handler in a friendly manner, ignoring the dog. The evaluator and handler shake hands and exchange pleasantries. The dog must show no sign of resentment or shyness.

Test #2: Sitting Politely for Petting – This test demonstrates that the dog will allow a friendly stranger to touch it while it is out with its handler. With the dog sitting at the handler’s side, to begin the exercise, the evaluator pets the dog on the head and body. The handler may talk to his or her dog throughout the exercise. The dog may stand in place as it is petted. The dog must not show shyness or resentment.

Test #3: Appearance and Grooming – This practical test demonstrates that the dog will welcome being groomed and examined and will permit someone, such as a veterinarian, groomer or friend of the owner, to do so. It also demonstrates the owner’s care, concern and sense of responsibility. The evaluator inspects the dog to determine if it is clean and groomed. The dog must appear to be in healthy condition (i.e. proper weight, clean, healthy and alert). The handler should supply the comb or brush commonly used on the dog. The evaluator then softly combs or brushes the dog, and in a natural manner, lightly examines the ears and gently picks up each front foot. It is not necessary for the dog to hold a specific position during the examination, and the handler may talk to the dog, praise it and give encouragement throughout.

Test #4: Out for a Walk (Walking on a Loose Lead) – This test demonstrates that the handler is in control of the dog. The dog may be on either side of the handler. The dog’s position should leave no doubt that the dog is attentive to the handler and is responding to the handler’s movements and changes of direction. The dog need not be perfectly aligned with the handler and need not sit when the handler

stops. The evaluator may use a pre-plotted course or may direct the handler/dog team by issuing instructions or commands. In either case, there should be a right turn, left turn, and an about turn with at least one stop in between and another at the end. The handler may talk to the dog along the way, praise the dog, or give commands in a normal tone of voice. The handler may sit the dog at the halts if desired.

Test #5: Walking Through a Crowd – This test demonstrates that the dog can move about politely in pedestrian traffic and is under control in public places. The dog and handler walk around and pass close to several people (at least three). The dog may show some interest in the strangers but should continue to walk with the handler, without evidence of over-exuberance, shyness or resentment. The handler may talk to the dog and encourage or praise the dog throughout the test. The dog should not jump on people in the crowd or strain on the leash.

Test #6: Sit and Down on Command and Staying in Place – This test demonstrates that the dog has training, will respond to the handler's commands to sit and down and will remain in the place commanded by the handler (sit or down position, whichever the handler prefers). The dog must do sit AND down on command, then the owner chooses the position for leaving the dog in the stay. Prior to this test, the dog's leash is replaced with a line 20 feet long. The handler may take a reasonable amount of time and use more than one command to get the dog to sit and then down. The evaluator must determine if the dog has responded to the handler's commands. The handler may not force the dog into position but may touch the dog to offer gentle guidance. When instructed by the evaluator, the handler tells the dog to stay and walks forward the length of the line, turns and returns to the dog at a natural pace. The dog must remain in the place in which it was left (it may change position) until the evaluator instructs the handler to release the dog. The dog may be released from the front or the side.

Test #7: Coming When Called – This test demonstrates that the dog will come when called by the handler. The handler will walk 10 feet from the dog, turn to face the dog, and call the dog. The handler may use encouragement to get the dog to come. Handlers may choose to tell dogs to "stay" or "wait" or they may simply walk away, giving no instructions to the dog.

Test #8: Reaction to Another Dog – This test demonstrates that the dog can behave politely around other dogs. Two handlers and their dogs approach each other from a distance of about 20 feet, stop, shake hands and exchange pleasantries, and continue on for about 10 feet. The dogs should show no more than casual interest in each other. Neither dog should go to the other dog or its handler.

Test #9: Reaction to Distraction – This test demonstrates that the dog is confident at all times when faced with common distracting situations. The evaluator will select and present two distractions. Examples of distractions include dropping a chair, rolling a crate dolly past the dog, having a jogger run in front of the dog, or dropping a crutch or cane. The dog may express natural interest and curiosity and/or may appear slightly startled but should not panic, try to run away, show aggressiveness, or bark. The handler may talk to the dog and encourage or praise it throughout the exercise.

Test #10: Supervised Separation – This test demonstrates that a dog can be left with a trusted person, if necessary, and will maintain training and good manners. Evaluators are encouraged to say something like, "Would you like me to watch your dog?" and then take hold of the dog's leash. The owner will go out of sight for three minutes. The dog does not have to stay in position but should not continually bark, whine, or pace unnecessarily, or show anything stronger than mild agitation or nervousness. Evaluators

may talk to the dog but should not engage in excessive talking, petting, or management attempts (e.g. “there, there, it’s alright”).

Awards

Youth meeting the requirements to earn an AKC Canine Good Citizen Certificate and Title will receive an AKC CGC ribbon. All youth will receive participation ribbons for each class in which they exhibit. An exhibitor may earn 1 point toward their OSF Championship Title for participation in ONE Canine Good Citizen class.
