County-Use of Ohio 4-H/OSF Dog Rules and Regulations

County usage of all Ohio 4-H/Ohio State Fair Dog Show Rules and Regulations is recommended for consistency and continuity in the 4-H dog programs throughout the state. However, counties may adapt The Ohio 4-H/Ohio State Fair Dog Show Rules and Regulations for county level evaluations to allow for a more positive experience for youth.

Some examples include:

- *Adding, deleting or modifying classes offered to accommodate entry numbers or experience, such as dividing Pre-Novice into Pre-Novice A and Pre-Novice B classes*
- *Adding "C" classes when needed.* At the Ohio State Fair, except for certain advanced obedience classes, youth are required to move to a higher level if winning. However, depending on the size of classes at the county level, it may not be feasible for a youth to move to a higher level after winning. They may be the only youth in the class or may not be ready as a team to move to the higher level. Therefore, either permitting youth winning first place to repeat a class or creating a "C" class for certain obedience classes, allows that youth to continue training at the same level to become successful and not get discouraged, dropping out of the dog project.
- *Adapting age divisions for participation.* For example, Showmanship and You and Your Dog are divided into Junior, Intermediate, and Senior classes at the State Fair. Counties may offer Junior and Senior classes, or even just one Showmanship class, depending on numbers.
- *Combining A and B classes.* Counties may combine an A and B class into one class provided the class exercise requirements are the same. However, record-keeping is required to ensure that youth/dog teams who are inexperienced "A" teams, are recognized as such so that they are not excluded from participating at the "A" level at the Ohio State Fair in the same 4-H year, if applicable.

2023 General Dog Show Rules for Ohio 4-H/Ohio State Fair Participation

Note: Changes and/or additions for 2023 are underlined.

Preface

Below are the rules for participating in the 2023 Ohio State Fair Junior Fair Dog Show. It is your responsibility to read, understand, and follow these rules. Please refer to the *County-Use of Ohio/OSF Dog Rules and Regulations* at the beginning of this section to find examples of how these rules can be modified for county use.

1. Prior to participating in 4-H dog activities with a dog (which includes the Ohio State Fair Dog Show), a *2023 Permission to Participate in Ohio 4-H Dog Activities Disclosure and Release of Claims* form **MUST** be signed by the 4-H member and a parent or guardian for this year's 4-H dog projects. **This form for the current year must be on file in the county Extension office for each youth before they can participate in the Ohio 4-H Dog Program activities with a dog.**
2. Individuals who violate any rule and/or exhibit poor sportsmanship during the Ohio State Fair Junior Fair Dog Show will be disqualified from showing.
3. Any dog exhibiting unsafe or threatening behavior *at any time before, during, or after exhibition* **MUST** be removed from the fairgrounds and will not be permitted to return at any time throughout the Dog Show. Determination of the show committee and/or judge will be final.
4. A dog that snaps, bites, or attempts to bite while in the ring must be immediately excused from the ring and then removed from the Fairgrounds for the remainder of the Dog Show.

4-H Exhibitor Versatility Award

The purpose of the 4-H Exhibitor Versatility Award (EVA) is to: (1) encourage youth to participate in several classes (including Skillathon and Poster) at the Ohio State Fair Dog Show, and (2) award youth for achieving excellence in the classes in which they are showing or participating. To earn a 4-H Exhibitor

Versatility Award, exhibitors must place in FIVE (5) classes as follows: (1) receive a gold medal in Agility; (2) meet all of the expectations according to the score sheet in the Assistance Dog class; (3) meet all of the criteria according to the score sheet in the 4-H PetPALS dog class; (4) place in the top five in all classes receiving placings, including the Skillathon and Poster Contest. Youth violating any of the *2023 Ohio State Fair Junior Fair Dog Show Rules* or with points taken off for poor sportsmanship will not be eligible for this award. An exhibitor must show in five (5) classes and earn one placing as described above per class, with one dog in each of those classes. The 4-H Exhibitor Versatility Award is based on the number of classes, not number of dogs per class (i.e. for agility and rally). An exhibitor may earn one 4-H Exhibitor Versatility Award a year.

4-H Exhibitor Versatility Award Forms: Exhibitors must request an EVA form from the registration table. The exhibitor must keep track of their points toward earning the 4-H Exhibitor Versatility Award on this form. Once enough points have been earned to receive this award the completed form must be turned in at the registration table for verification. After verification that points earned are adequate to receive this award, the award will be presented.

Ohio State Fair Entry Information

Terminology

1. **Discipline** – refers to a show category. Each of the following is a Discipline: Showmanship, Obedience (including Team and Brace), Rally, Agility, You and Your Dog, Drill Team, Canine Freestyle, 4-H PetPALS, Assistance Dogs, Tricks, and Canine Good Citizen.
2. **Level** – refers to sub-categories within certain disciplines. For example, Novice is a level in the Obedience discipline; Rally Excellent is a level in the Rally discipline.
3. **Class** – refers to the two classes within certain disciplines and/or discipline levels. The letters “A” and “B” refer to the experience of the youth **and** dog.
 - a. “A” classes are for handlers or dogs with **NO** training or showing experience prior to the county’s current project year. “A” classes can never be repeated by the same youth, regardless of what dog is shown. “A” classes can never be repeated by the same dog, regardless of what youth shows that dog. Refer to “A” class information in the rules for each show discipline.
 - b. “B” classes can be repeated by the same youth regardless of what dog is shown, and by the same dog, regardless of who shows that dog, provided the youth and/or dog are not the class winners (exception: Showmanship and You & Your Dog). If/when a youth and/or dog wins first place in a “B” class, the youth and dog must move to the next level (exception: Showmanship, You & Your Dog, and specified advanced obedience classes). A dog must move to a higher level within a discipline, once that dog begins performing at that higher level. (Refer to each of the show discipline’s rules for rules specific to that discipline.)

Eligibility

Youth may enter any of the disciplines, levels, and classes they are eligible for as outlined in the *2023 Ohio State Fair Junior Fair Dog Show Rules*. The handler and dog must be able to perform the exercises required of the disciplines/levels/class(s) entered. *Youth may not enter classes without both youth and dogs being prepared prior to the State Fair to perform the required exercises. A zero (0) will be given to any handler/dog team not attempting an exercise, except as provided otherwise specifically in the rules.*

A zero (0) on the exhibitor's score sheet will result in an incomplete for that class, and therefore the exhibitor will not be eligible for an award, except as provided otherwise specifically in the rules.

Exhibitors may show one or more project dogs, provided the exhibitors and dogs meet the eligibility requirements of each respective class, as follows (refer to each respective show discipline rulebook for more detailed and complete information).

Rally Rules for Ohio 4-H/Ohio State Fair Participation

Note: These Rules and Regulations are in effect for the 2023 Ohio State Fair. It is strongly recommended that these Rules and Regulations be followed at the county level. Rally signs required for use in competition by the American Kennel Club (AKC), effective November 2017, must be used.

AKC Rally Information

AKC Rally information including signs can be found at <https://www.akc.org/sports/rally/>.

AKC Rally Regulations can be found at http://images.akc.org/pdf/AKC1193_ROR001_1217_WEB.pdf.

Introduction

Rally is a sport in which the dog and handler complete a course that has been designed by the rally judge. All exhibitors in a class are required to perform the same signs in substantially the same way so the relative quality of the various performances may be compared and scored. The judge tells the handler to begin, and the dog and handler proceed at a brisk pace through a course designed by the rally judge, of designated signs. Each of these signs provides instructions regarding the next skill to be performed via words, directional arrows, colors, and geometric shapes. After the judge's order of "Forward," the team is on its own to complete the entire sequence of numbered signs correctly. The dog and handler move continuously throughout the course with the dog under control at the handler's left side. There is a clear sense of teamwork between the dog and handler both during and between the numbered signs; however, perfect heel position is not required.

Refer to the AKC Rally Regulations for more information:

http://images.akc.org/pdf/AKC1193_ROR001_1217_WEB.pdf.

Ring Size and Conditions

The ring sizes for Rally shall be 40 x 50 feet to 50 x 60 feet (between 2,000 and 3,000 square feet) with a minimum width of 30 feet. The floor must have firm footing, using rubber or similar non-slip material at least 4 feet wide for the takeoffs and landings of all jumps, unless the judge feels the surface does not require it. At an outdoor show, the ground should be clean and level. Any grass should be cut short.

Rally Signs

Rally signs required for use in competition by the American Kennel Club (AKC), effective November 2017, must be used. The designated wording and symbols must be used for all Rally signs. Signs must be a minimum of 8 ½ X 11 inches and a maximum of 11 x 17 inches. Colors used are optional. Refer to the AKC Rally Regulations for more information about Rally signs.

Handler's Appearance

Exhibitors should be neat, clean, and well-groomed in appearance. They should wear clothing that is comfortable to handle in and appropriate for dog shows. Clothing should not distract, limit or hinder the judge's view of the dog. Youth with long hair should tie it back to keep it from interfering with handling or the judge's view.

- **Acceptable clothing** for all Rally classes includes slacks, dressy shorts, skorts, capri or crop pants, colored dress jeans, collared blouses and shirts, polo shirts, or similar attire, closed-toe shoes, rubber-soled shoes, flats, and similar type footwear.
- **Inappropriate clothing** includes clothing that is too tight or too revealing, such as short skirts, short shorts, tank tops, halter tops, spaghetti straps, low cut blouses or shirts, shorts hanging

too low on the waist, clothing with holes or tears in the fabric, blue jeans, faded or torn jeans of any kind, or other similar types of clothing. Do not wear shirts with club names or logos, or clothing with lettering and distracting or offensive wording or designs. Do not wear hats. Do not wear sandals, open-toed shoes, high-heeled shoes, clogs, or similar type footwear. *Exhibitors dressed inappropriately will have points deducted or may be excused from the show ring.*

Dog's Appearance

Dogs must be clean, well-brushed and in good physical condition appropriate for the dog's age. The coat must be free from mats and loose hair. Dogs are not permitted to be dyed or colored in any way. If coat or nails show any evidence of dye or coloring, the score sheet will reflect a major point deduction.

Hair in Dog's Eyes

Any dog whose hair surrounding the eyes, ears, or beard interferes with its performance may have its hair tied back with elastic bands or small plain barrettes. Ribbons or bows are not permitted.

Collars

Acceptable collars while in the rally show ring: Well-fitting plain buckle or quick release collars, martingales, or slip collars of an appropriate single length of leather, fabric or chain with two rings, one on each end. Flat securely attached tags are permitted on these collars. Nothing may be hanging from the dog's collar.

- ***Acceptable collars while outside the show ring:*** Head halters, fancy collars, harnesses and studded collars are permitted on dogs.
- ***Unacceptable collars anywhere on the Fairgrounds:*** Pinch collars, collars with prongs or spikes on inside or outside, electronic collars, or any other special training collars, or muzzles. Youth are subject to disqualification from showing and removal from the Fairgrounds if their dogs are seen wearing these collars or devices.

Leashes

For Rally Novice classes, leashes must be made of fabric or leather and long enough to provide adequate slack.

All dogs must be kept on leash except when in the show ring or exercise area, and must be brought into and taken out of the ring on leash. Dogs must be kept on leash in the ring when brought in to receive awards.

Interference and Double Handling

Assistance, interference, or attempts to control a dog from outside the ring is not permitted. A judge who is aware of such double handling or interference must substantially penalize the dog.

Fouling the Ring

A 25-point deduction will be made for any dog fouling the ring. The exhibitor and his/her dog are not to be excused from the ring. Judging is to continue once the area is properly cleaned.

Fouling includes urine, feces or vomit. In exceptionally poor ring conditions, judges must confer with the show committee and other judges to determine scoring if fouling should occur.

Levels and Classes

Level refers to a Rally sub-category, such as Rally Novice. **Class** refers to the two classes within the Rally sub-category. The letters “A” and “B” refer to the experience of the youth and dog. “A” classes are for handlers or dogs with NO training or showing experience prior to the county’s current project year. “A” classes can never be repeated by the same youth, regardless of what dog is shown. “A” classes can never be repeated by the same dog, regardless of what youth shows that dog. “B” classes can be repeated by the same youth regardless of what dog is shown, and by the same dog, regardless of who shows that dog, provided the youth and/or dog are not the class winners. Handlers or dogs winning first place in a “B” class, must move to the next level the next project year. A dog must move to a higher level, once that dog begins performing at that higher level.

Earning Rally Titles Outside of 4-H

Exhibitors showing their dogs at any Licensed or Member Rally Obedience Trial or at a Sanctioned Match must show their dogs at the same or higher level B classes than they are showing in AKC, UKC, or other titling shows. Dogs completing their Rally Novice (RN) title (or UKC or other titling equivalents) prior to July 1, 2023, must show in Rally Intermediate classes. Dogs completing their Rally Intermediate (RI) Title (or UKC or other titling equivalents) must show in Rally Advanced classes. Dogs completing their Rally Advanced (RA) title (or UKC, or other titling equivalents) prior to July 1, 2023, must show in the Rally Excellent class. Any dog receiving one or more legs toward a title anytime during the project year must then move into the appropriate B class at the time the first leg was earned. Fun matches do not apply.

The following Rally classes will be offered at the Ohio State Fair:

Rally Classes Information

Rally is a different discipline than Obedience. Moving up in one discipline does not mean a mandatory move-up in another discipline.

Unless otherwise specified in the Rally Regulations, handlers are permitted to talk, praise, encourage, give additional commands and or signals using one or both arms, clap their hands, pat their legs or use any verbal means of encouragement. The handler must move in a natural manner. The handler’s arms need not be maintained in any particular position.

At any time during the performance, loud or harsh commands, intimidating signals, and touching the dog (unless specified in the Rally Regulations) or any physical corrections will be penalized. Any kind of whistling is prohibited.

Youth may show a maximum of two project dogs per Rally level. Rally levels include Rally Novice, Rally Intermediate, Rally Advanced, and Rally Excellent. Youth may enter Rally classes each day.

Rally Novice A and B classes and Rally Intermediate A and B classes are performed entirely on leash. Rally Advanced is performed off leash. Rally Excellent is performed off leash.

Awards for exhibitors placing in Rally will be presented each day.

Rally Novice

All exercises are judged on leash. All dogs must enter and leave the ring on leash. Rally Novice A and B must have 10 to 15 signs (Start and Finish not included) with a minimum of three (3) and a maximum of five (5) stationary signs per class. There are no jumps in this class.

Once winning this class, the exhibitor and/or dog must move to Rally Intermediate A at the very minimum the next project year. Exhibitors who place second (2nd) through fifth (5th) in three (3) Rally Novice B classes at the Ohio State Fair in the same year or over an accumulate period of time with the same dog must move to Rally Intermediate A at the very minimum.* Exhibitors and dogs must meet the eligibility requirements of the *2023 Ohio State Fair Junior Fair Dog Show* to participate in Rally at the Ohio State Fair.

Courses shall have a minimum of three Advanced level signs plus one required jump per class. The dog is required to jump once in this class.

This class is for the exhibitor and/or dog who have not had any training or showing experience at the Rally Advanced level prior the county's current project year. If an exhibitor and/or dog wins first place at the Ohio State Fair, they must move to Rally Excellent the next project year. If an exhibitor and/or dog wins first place at the Ohio State Fair, they can repeat this class at the Ohio State Fair provided the county requirements have been met. Exhibitors and dogs must meet the eligibility requirements of the *2023 Ohio State Fair Junior Fair Dog Show* to participate in Rally at the Ohio State Fair. Dogs shown in this class are not permitted to show in any lower levels of Rally.

Jumps

A dog is required to jump once in the Advanced class and twice in the Excellent class.

Jumps may be any jumps used as standard equipment in obedience classes (broad jump, high jump, or bar jump), except that 4-foot wide jumps may be used in place of 5-foot wide jumps. Designs should be such that they do not interfere with the jumping of a dog. Various colors and decorations are allowed; however, there must be nothing hanging from the jump.

The **Broad Jump** will consist of three telescoping hurdles, each approximately 8 inches wide. The largest hurdle will measure about 4 feet 10 inches long (if from a 5-foot set) and about 5 inches at the highest point. In the ring, broad jump hurdles will be arranged in order of size from smallest to largest. They will be evenly spaced, covering a distance equal to twice the height of the high jump set for each dog. Three hurdles will be used for a jump of 32 inches and two hurdles for a jump of 16 or 24 inches, and one hurdle will be used for a jump of 8 inches. When decreasing the number of hurdles in the jump, the highest hurdle will be removed first.

The **High Jump** will consist of two uprights and solid boards of varying widths that combine to make each dog's required jump height. The high jump will be 5 feet wide (if from a 5-foot set) and built to be at a height of 4 inches and adjustable in increments of 4 inches up to 16 inches. The uprights of the high

jump will be 4 feet high. In additions, two 8-inchboards and one 4-ince board should be available for use. The height of each board will be indicated in black 2-inch numbers.

A 4-inch high jump board will be supplied for dogs that have a height at the withers of less than 10 inches. This jump height will be constructed so the maximum height does not exceed 4 inches, with a half-inch tolerance. This can be a separate board or support system placed between the two standard uprights. The high jump board used to create this 4-inch jump height can be supported by a means other than the two standards.

The **Bar Jump** has two uprights that are constructed to support only a striped bar which is set at the dog's required jump height. The bar jump will consist of a bar that is between 2- and 2 ½-inches square with the edges rounded to remove any sharpness. The bar will be black and white in alternate sections each about 3 inches wide. The bar will have the weight of wood. It will be supported by two unconnected 4-foot upright posts about 5 feet apart (if from a 5-foot set) and built to be set at a height of 4 inches and adjustable in increments of 4 inches up to 16 inches. The bar jump may be used in the same way as the high jump. However, if the bar jump is to be used as a jump in both directions, the uprights must be offset to allow the bar to be knocked off from either direction without affecting the uprights.

Height of Dog at Withers	Height to be Jumped
Less than 10 inches	4 inches
10 inches to less than 15 inches	8 inches
15 inches to less than 20 inches	12 inches
20 inches and over	16 inches

Note: After sending the dog to the jump the handler may pause as needed, but must not pass the jump until the dog has returned to the heel position.

Jump Heights

The dog's jump height shall be listed on the entry form. Entries may be arranged according to the jump height of the dogs, from either high to low or low to high. All 4-H dogs jump the height listed above.

Timing

All performances will be timed. Timing will begin when the judge gives the order "Forward" and will end when dog and handler cross the Finish sign. Times will be used only in the event of ties for a placement. The maximum course time for Rally classes is four (4) minutes. **A handler/dog team who exceeds the 4-minute time limit will not be eligible for placings/awards.** Times will be recorded but not posted.

Rally Scoring

The maximum number of points that can be deducted for any sign is 10, with the exception of a Maximum Point Deduction. **There will be an additional 25-point deduction for each Station not attempted by the handler.**

Incorrectly Performed (IP) signs occur when a team attempts a sign and fails to perform the principal parts of the station on the first attempt. The handler may choose to retry the sign once for a correct performance, accepting the mandatory 3-point deduction for the retry of the sign. The sign is considered

an IP if the handler chooses not to retry or fails to perform the sign correctly on the second attempt. (This means the handler and dog have two (2) attempts to correctly perform a sign.) **Handler errors** can be assessed from 1 to 10 points up to Maximum Point Deductions. Handler errors can be assessed at any sign or during movement between signs on a course. Once a handler has stopped on any halt exercise, the handler cannot move their feet to assist a dog without incurring a handler error.

Ties will be broken by the fastest time, with the fastest time winning.

Awards

A trophy will be presented to the first-place winner in Rally Novice A, Rally Novice B, Rally Intermediate A, Rally Intermediate B, Rally Advanced, and Rally Excellent classes each day. First through fifteenth place rosettes will be awarded in Rally Novice A, Rally Novice B, Rally Intermediate A, Rally Intermediate B, Rally Advanced, and Rally Excellent classes each day. All Rally exhibitors will receive participation ribbons.
