

FROM AKC – July 29, 2020

Good Afternoon,

As we move into August and the questionable opening of schools in the fall I wish to provide the following:

Resources that the AKC Public Education Staff have developed. Please review the attached power point that describes the many different programs and activities that are all accessible from the AKC Web-site: <https://www.akc.org/public-education/education-summit/public-education-resources/>

In addition, the Public Education Department has launched a new program, AKC Canine and Me: <https://vimeo.com/442090091>

The Companion Events Department has launched Intermediate Rally Virtually: <https://www.akc.org/sports/rally/rally-virtual-entry-pilot/>

Virtual ACT , Beginner Agility: <https://www.akc.org/sports/agility/act-program/act-virtual-program/>

The Rally and ACT Virtual events do require the entry fee.

The Breeder Education courses in Canine College are free for Juniors. <https://www.caninecollege.akc.org/search?type=product&q=breeder+courses>

The AKC Juniors Department is still offering to process the CGC Test and the Virtual Trick Tests for free. Attached is the Form to enroll a youth to obtain a Junior number and a dog as an AKC PAL or Canine Partner which we will do for free. A PAL is the Purebred Alternative Listing, if the dog is identifiable as purebred, photos need to be submitted with the form.

Please keep us advised if you are having any events, even at the local or county level and if there are additional materials we can provide. Please share this information with fellow leaders, teachers or youth organizations.

Please stay safe and enjoy the rest of the summer.
