QUESTION TYPES:

1. **Regular Questions** are worth two (2) points during one-on-one competition, when only one member of each team may respond. Regular questions during one-on-one competition will be addressed to only one member of each team, beginning with the contestants in the #1 chairs (nearest the control operator) on either team and progressing with subsequent questions going to the contestants in #2, #3, and #4 chairs, respectively, until the one-on-one competition is completed. There will be an equal number of one-on-one questions per contestant per match.

- a. The moderator will clearly indicate the start of one-on-one play by announcing the chair number of the contestants eligible to respond, prior to reading the question.

- b. Toss-up/Bonus questions will not be used during the one-on-one competition.

The regular questions are worth one (1) point during **Open** questions, when any member of either team may respond. These questions count toward individual and team scores. **All incorrect answers during the one-on-one and open play receive a (-1) deduction.**

2. **Toss-up Questions** are worth one (1) point and are open for response to any member of either team. The toss-up question is only used in the OPEN part of the match. If the correct answer to the toss-up question is given, a bonus question will be attached. Toss-up questions are generally a little more difficult than a regular question, and may have two or three required answers. All answers are required to be correct. **All incorrect answers receive a (-1) deduction. Toss-up questions will only be used when bonus questions are included in a round.**
3. **Bonus Questions** will be worth three (3) points. They are attached to a correctly answered toss-up question. When multiple answers are required, (3) points will be awarded only if ALL of the required answers are correct. No points will be awarded or taken away if there is less than the required number of answers, or

State 4-H Horse Bowl Contest Rules (1/1/2019)

if there are no correct answers. No part of the bonus question will be repeated, nor will any additional information be given to the contestants relative to the question.

- a. A bonus question attached to an unanswered or incorrectly answered toss-up question will be transferred to the next regular open question (which becomes the new toss-up question), until a correct answer is given.
 - b. The team should allow the moderator to read the complete bonus question. The team will be given 10 seconds to confer. The moderator will call time at the end of 10 seconds. The team captain or designee must then start giving the required number of answers within 5 seconds. Team members may feed answers to the captain/designee during the 30-second answering period.
 - c. If the match ends with an unanswered bonus question, the bonus question will not be utilized.
4. The number of questions used per round will be up to the contest management, but must include at least four (4) one-on-one questions and sixteen (16) open questions. The number of questions may be increased in later matches.
5. **Response Penalty** – if any contestant, other than the designated contestant, responds to a one-on-one or regular question, that team will lose two (2) points. **A contestant that responds out of turn for a second time to a one-on-one or regular question directed to another contestant will be replaced at the panel by their team alternate. If an alternate is not available, the remainder of the match will be played with less than a full team, and all one-on-one questions normally addressed to the eliminated contestant will be addressed to the contestant in the opposite numbered chair. The dismissed contestant may return to further matches in the contest unless it was their third offense. A third such penalty will disqualify them from the competition. The (-2) penalty will continue to apply for the second and third offense.

READING & ANSWERING THE QUESTIONS:

1. The moderator will read all questions – identify the type and number of questions and designate the chairs eligible to respond when necessary. Five (5) seconds will be allowed for starting a response. If an answer is not given or is incorrect, the moderator will give the correct answer, and the next question read. If the answer given is the same or means the same as the expected answer, it will be accepted. If the answer is different than the expected answer, it will be referred to the judge(s) for a decision.
2. Once a contestant activates a buzzer, they must be **ACKNOWLEDGED** before they can answer the question. After they have been acknowledged, the contestant has five (5) seconds to start an official answer. First answers given will be considered valid answers. It is the responsibility of the a moderator to determine if an official answer was started within the 5-second time limit. **The answer must be completed within 20 seconds after initiating the response.**
3. An acknowledgement penalty of one (1) point will be deducted from the team score if a contestant answers a question before being acknowledged.
 - a. The first answer(s) given will be accepted as the official answer, including multiple response questions. Repeating the questions will not be considered the initiation of the answer.
 - b. If a question was read to completion, the judge(s) may ask the contestant to explain, expand, be more specific, or clarify their answer.
4. If a question is **INTERRUPTED** during the reading of it, the moderator will stop reading as soon as a buzzer is activated. The contestant responding has five (5) seconds after being acknowledged to begin their answer. If the answer given is correct for the way the question was written, it will be accepted. If the answer given is correct for only the portion of the question heard, but wrong for the way the question was written, the answer will not be accepted. If the question was interrupted, the judges will not be allowed to ask for any type of clarification of the answer given.

State 4-H Horse Bowl Contest Rules (1/1/2019)

5. The judge(s) will be allowed to verify an answer, or the validity of a question. If verification cannot be made, the question will be replaced.
6. The moderator will not repeat (reread) any of the questions. However, when a question is interrupted before it is read to completion, the entire question may be read after the contestant has completed their response.

PLAYING TEAMS AND ALTERNATES:

1. Only four contestants shall be seated at the panel at any one time. Seat position must be declared prior to competition and youth must remain in this seat for the duration of the entire contest. The only exception is when an alternate replaces a seated player during a match or the competition. See #2 below.
2. During any match, only one alternate may be replaced at the panel when:
 - a. The moderator, team captain, team coach deems it impossible for a seated member to continue.
 - b. The captain/coach of a team requests the replacement of a team member.
3. The team member removed from a match becomes ineligible to return to that particular match. The team member removed and the replacement member are both eligible to participate in further matches. A five-member team is strongly recommended.
4. Members removed from the game table for disciplinary reasons, may not come back to any more matches in the competition.

DOUBLE ELIMINATION:

1. Each team will play in a pre-determined position according to a random drawing of team numbers.
2. A total of two losses are needed to eliminate a team from further competition.

INDIVIDUAL SCORES

1. Scores will be kept for each individual contestant.
2. Only those contestants who have participated in three or more matches will be considered for individual awards.
 - a. The high three match scores for each individual will be used in cases where individuals participate in more than three matches.
3. Ties for individual awards will be broken as follows:
 - * First tie breaker: High average score for the entire contest
 - * Second tie breaker: High individual match scores
 - * Third tie breaker: Total number of points earned in the contest

SCORE KEEPING:

1. The point value of correct responses, bonuses, and penalties are as follows:

Correct Answer – One-on-one Regular Questions	2 points
Correct Answer – Open Regular Questions	1 point
Toss-up Question – All answers required	1 point
Bonus Question – All answers required	3 points

State 4-H Horse Bowl Contest Rules (1/1/2019)

Team Participation – 1 correct answer by each chair	2 points
All Incorrect Answers to Regular and Toss-up Questions	-1 point
Response Penalty – No answer started in 5 seconds	-2 points
Response Penalty – Contestant not acknowledged	-1 point
Response Penalty – Out of Turn	-2 points
Response Penalty – Out of Turn, second time in same match	-2 points & Elimination from Match
Response Penalty – Out of Turn, third time in contest	-2 point & Elimination from Contest

2. During the second portion of the match, all regular/open questions will be worth one (1) point, and open to all members seated at the game table. All toss-up questions will be worth one (1) point and all bonus questions will be worth three (3) points, if the number of required answers given is correct.

TEAM PARTICIPATION POINTS:

1. In order to encourage full team participation, each team member will have a bonus card at the game table. Teams of three are not eligible for team participation bonus points. When a member gives a correct response to a regular, or toss-up question, that member will then turn their card around to face the score keeper(s). A bonus worth two (2) points will be awarded to the team, when all four bonus cards face the score keeper(s). The value of the question (1 or 2 points) will be added to the score of the team and the 2 point bonus will also be added to the score, thus making that question worth 3 or 4 points to the team depending on the value of the question. The contestant will receive the value of the question on their individual score and the team will receive both the individual points and the bonus points on the team score.
2. When an alternate comes to the game table, if a bonus card is showing for that chair, it must be forfeited (turned around) and earned by the contestant coming into the game.
3. When a team bonus has been earned once, the bonus cards will be turned around and the team has an opportunity to earn it again. A team may earn this bonus as many times as possible within a match.

TIME OUTS:

1. The team captain, coach, or any staff member may call for a “time out” for clarification of a rule, score, to seat an alternate, or to allow for any unexpected problem. The “timeouts” may be called only after a question has been answered and before the next question starts.

HOLDING ROOMS:

1. All teams, alternates, and coaches must remain in the designated holding area until it is their turn to play.
2. After their round match is played, they must go to an appropriate designated area, until the conclusion of the round in progress.
3. After the round is completed, all teams/alternates and coaches (not eliminated from the contest) must return to the designated holding area to await their next match.
4. All coaches in the holding area are responsible for the supervision of their teams. These rules are a matter of ethics and require the cooperation of all team members and coaches.

CONTEST PROCEDURES

State 4-H Horse Bowl Contest Rules (1/1/2019)

1. Teams are assembled and seated at their respective panels, with the designated team captain seated in the #1 chair, nearest to the middle or the timer operator. Each contestant is given the opportunity to check the equipment prior to the start of the match.
2. The designated set of questions for each round is opened by the moderator and verified with the judge's panel before starting the game. Prior to reading a question, the moderator will announce the number, type of question and the contestants eligible to respond. Each succeeding question will be read in this manner, until all of the questions for that match are read. The correct answer will be given for all unanswered questions or wrong answers.
3. Contestants, who respond to a question, will receive the appropriate points applied to a particular question. Appropriate penalties will be deducted as warranted.
4. If the time (5 seconds) in which a member may buzz in to answer a question elapses without a contestant activating a buzzer, there will be no loss or awarding of points to either team. After the response time has elapsed, the answer will be given, and the next question read.
5. If the buzzer is activated and an answer is not started within the 5 second allowable time, there will be a 2 point penalty imposed against the contestant who activates the buzzer and their team.

3. If after checking the device it is determined that there is an equipment malfunction/failure the faulty part(s) or unit will be replaced and play resumed.
4. Scores accumulated to the point of the "time out" shall stand and all further points awarded during the remainder of the match added to or subtracted from this total.
5. If the judges or moderator deem it advisable, points awarded for the two questions asked immediate prior to determination of the equipment failure, maybe recalled and two additional questions used.
6. Under no conditions shall there be a replay of match in which there was an equipment failure.

5. If an "Official" protest is acknowledged, play will be stopped, and the designated official(s) will consider the protest and make a decision. A one (1) point penalty will be assessed to the team making the protest if the protest is not upheld.
6. To sustain a protest, the judge and moderator must agree, to keep or replace a question, or to determine the validity of an answer.
7. If the protest is sustained by the officials, the moderator and score keeper(s) will take one of the following actions:
 - a. If the question is determined by the officials to be a poor question, it will be replaced and open to a specific chair on each team or to all contestants seated at the game table, depending on the type of play (one-on-one or open).
 - b. If the answer to the question received a call for verification, the designated judge(s) will determine the validity of the answer. Points will then be awarded or subtracted as appropriate.

State 4-H Horse Bowl Contest Rules (1/1/2019)

- Judge(s)** – The judges (minimum of two – moderator may be one of the two) will consist of knowledgeable horsemen. Judges should give reasons for not accepting an answer to a question. The judges will rule jointly on the acceptability of any question or answers to all questions. In case of a challenge of a question or answer, the judges must agree on accepting or rejecting the question or answer, and agree on the actions to be taken.

If an answer was not clearly heard, the contestant may be asked to repeat their answer. If a question was read to completion, and the answer given is different than the one expected, if it is technically or logically correct you may accept the answer. If the answer given is “in the ball park”, the judges may request the contestant to be more specific, expand, explain or clarify their answer. If the question was interrupted, the judges may not ask for any kind of clarification. The answer is either correct or incorrect according to the way the question was written.

All answers given must be correct for the way the question is written. Any answer may be correct for a portion heard of a question that was interrupted, but wrong for the way the question was written. The judge may not ask any questions, and the answer will be counted as a wrong answer. If the answer is correct for the way the question was written, it will be accepted.

All of the game questions will have a reference and page number. The required reference books will be available to look up information or to verify answers.

- Time Keeper(s)/Control Operator** – The time keeper(s) will monitor all the time intervals and designate when the time of response has been exceeded, and will handle all controls of the game equipment. The table score keeper will keep a written record of the official team and individual scores. The visual scores will be set up so that they are visible to the table score keeper, the contestants, moderator and spectators, if possible. The written record of the scores must match the visual scores and will be the official record of all individual team scores. A special score sheet will be available for the table score keepers.

EQUIPMENT:

- Time Recorders** – A stopwatch, control panel timer, or other appropriate time device will be used.

State 4-H Horse Bowl Contest Rules (1/1/2019)

A blackboard, flip chart, overhead projector or electronic display, will be used to maintain team scores that are visible to the contestants and score keepers and if possible to the spectators.
