

For Breeding, Market, and Pet

If you plan on showing your animal, get your animal used to the idea by practicing with it at least weekly. Practice more frequently, even daily, as the show date nears. Use the chart below to record how often you practice flipping, posing, grooming, and otherwise preparing your animal for showing. If you need more show ring readiness pages, they are available at **go.osu.edu/4hrabbitresources**.

Date	Ear No.	Activity	Time Spent	Notes
3/15/YR	45	positioning	10 minutes	Needs more practice!
