Clarification about youth in both 4-H and FFA: Youth are sometimes both Ohio 4-H members and also FFA members, often within the same county or in an adjacent county. These members especially need to keep in mind the 4-H policy about 4-H projects being separate from FFA projects. To keep work in both organizations clearly separate, 4-H members are advised to take different species or non-livestock projects in the two organizations or, at the very least, to take market animals in one and breeding animals in the other. The idea is to refrain from exhibiting the same project more than once. Please check your junior fair exhibition rules about exhibiting both 4-H and FFA projects and animals (Source: 2018 Ohio 4-H Family Guide).

For questions about or updates to this document, contact Dustin Homan at homan.64@osu.edu or 614-247-8305.
