2017 Excellence in 4-H Award Nominations

Once again it is time to make nominations for the Excellence in 4-H Award. This award honors superior accomplishments by an Extension Educator in developing dynamic, innovative, broad-based 4-H educational programs. The award, funded through the Charles W. Lifer Excellence in 4-H Fund, is dedicated to the recognition of outstanding professionals who serve as examples in setting standards of excellence in ten major areas of the County 4-H program.

A peer may nominate any Ohio State University Extension Educator who provides leadership to 4-H programs. Nomination forms are due to Lisa Jinks by Thursday, November 30, 2017, jinks.2@osu.edu. Note individuals who have completed an application in the past three years will be considered for the award again this year and will just need to update their profile for 2017 (forms will be e-mailed to you). Please nominate one or more individuals, whom you think are deserving of this recognition.
