Older youth 14 to 18 who plan to serve as camp counselors can come and learn innovative ideas to help them create the Most eXtreme Camps, ever! Youth will leave with skills that enable them to assist in the planning, programming and teaching process at their county 4-H camps.

All participants will receive a t-shirt, bag, supplies and tons of new ideas. MXC participants also will be able to share with teens from other counties across the state.

County professionals/Camp Directors are NOT required to attend with their counselors. Agenda and registration materials will be posted by January 1.
