Dr. Charles Lifer
Assistant Director, 4-H

Dear Chuck:

Thank you for your superior leadership in initiating the idea for placing a 4-H plaque in the Rotunda of the State House. This plaque will give 4-H recognition forever. You are to be commended for your endless hours to help strengthen the Cooperative Extension Service in Ohio, and especially 4-H for young people.

Thank you for everything that you do as State 4-H Leader to initiate new ideas which makes 4-H unique throughout the State. This is also very important to make progress and to keep from status quo. It is great to be on the same team where the Leader is interested in being out front with 4-H programs throughout the country.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Jim'.
