1981  
Ohio 4-H  
Foundation  
Annual Report

## **A Message From President Calhoon**

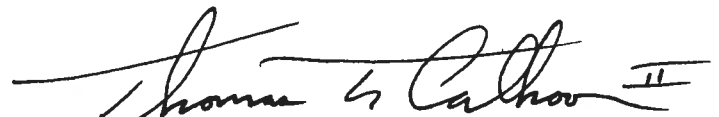

As president of the Ohio 4-H Foundation, I want to extend a very special thank you to the many individuals, companies, organizations and foundations for your tremendous support and financial contributions to 4-H this past year.

4-H has been and continues to be one of the most significant influences on my life. For this reason, I am personally aware of the tremendous impact 4-H has on boys and girls throughout the world. I am referring to the unique and special, day-to-day development of relationships and personal commitments that teach us to be more responsive, understanding and sensitive toward one another, thereby enhancing our quality of life.

It is my hope, and that of the Board of Directors, that you will always share the dedicated interest which supports the leadership and organization which have contributed so greatly to the millions of boys and girls who strive "To Make the Best Better" through "Learning by Doing."

This report by the Board of Directors is a tribute to you and to your influence on the growth of 4-H and the future leadership in your committees. Because of the firm foundation you have helped establish in 1981, Ohio will again be recognized as a world leader in the 4-H program. We sincerely hope that the 4-H program will continue to merit your interest and confidence as it develops new pathways for the future.

With sincere appreciation.

A handwritten signature in black ink that reads "Thomas F. Calhoon II". The signature is written in a cursive style with a long horizontal line extending to the left.

Thomas F. Calhoon, II  
President  
Board of Directors  
Ohio 4-H Foundation

## YOUR CONTRIBUTIONS MADE IT POSSIBLE IN 1981

**Volunteer leader training:** scholarships to Leader Forum at the National 4-H Center in Washington, D.C.; county and multi county 4-H advisor resource aids and training; new advisor training; volunteer leader recognition and an indepth study of the contributions made by Ohio 4-H advisors.

**4-H member programs:** 4-H camp counselor training; energy conservation training; mentally, physically and emotionally handicapped youth programs; consumer education; public speaking and recognition; Jr. Fair Board training; teen citizenship and leadership; 4-H member recognition; older youth personal development training; officer training; subject matter training in food-nutrition, clothing, home furnishings, saddle horse, urban gardening, nature, plants and soils; camp scholarships; international programs; chick embryology; career exploration; bike safety; and hunter safety.

**Statewide programs:** Ohio 4-H Congress, Leadership Camp, Conservation Camp, IFYE (International 4-H Youth Exchange), National 4-H Congress, National 4-H Conference and A. B. Graham Memorial plaque at the State House.

**Scholarships:** twenty-one college scholarships were awarded in 1981.

**4-H Program Development:** 4-H promotion, slide sets for teaching at 4-H club meetings, 4-H program review and projection, area and state 4-H committee support, new project development, Ohio 4-H Hall of Fame recognition, National 4-H Congress support, and Ohio 4-H Foundation Board support.

Because you care and share, you helped make "The Best Better" through 244 county, area and state 4-H programs.

## SELECTED HIGHLIGHTS OF STUDY OF OHIO 4-H ADVISOR CONTRIBUTIONS

The dollar value of advisor contributions in working with 4-H youth can never be adequately measured. You may be interested in some of the preliminary findings of a study currently underway regarding 4-H advisor contributions to 4-H.

Each Ohio 4-H advisor averaged the following contributions to 4-H for one year:

- Contributed 265 hours
- Made 127 phone calls
- Served refreshments to 107 people
- Drove 262 miles on 4-H business
- Donated supplies worth \$81.40

The average value of each 4-H advisor's contribution was \$1,575, or more than \$32,000,000 for Ohio's 20,768 4-H advisors. Nationally, the U.S. Department of Agriculture reports that 4-H volunteers donate more than \$600 million annually to 4-H.

The results of this study reflect the many contributions 4-H volunteer leaders are making to 4-H.

"I, Joan Bolen, would like to thank the Ohio 4-H Foundation for their help in sponsoring our trip to Washington for the National 4-H Leader Forum and the Ohio State 4-H Advisory Committee meeting."

"We received information at Leader Forum on leadership, citizenship, legislative procedure, leader recruitment, and how to work with parents and members together."

"It is a pleasure to work with Ohio 4-H girls and boys."

## A. B. Graham Club—continued

The first seventy-five donors listed are charter members of the A. B. Graham Club. Their names appear on the A. B. Graham exhibit at the Ohio State Fair Rhodes Center.

As of December 31, there were 109 members. They are also members of the Presidents Club of The Ohio State University Development Fund.

A. B. Graham individuals, organizations and firms are to be greatly commended for their belief in 4-H. Their financial support provides extended opportunities for youth and adult volunteer advisors. In addition, the support encourages increased quality in 4-H programs throughout Ohio.

April 10, 1981 was a special day for 4-H. A bronze plaque dedicated to A. B. Graham, founder of 4-H, was unveiled in the rotunda of the Ohio State House by Governor James A. Rhodes. Thomas Calhoon, president of The Ohio 4-H Foundation, and Dr. Roy M. Kottman, Ohio State University vice president for agricultural affairs, participated.

The words of two Ohio 4-H delegates to National 4-H Congress document the value of donor support:

"4-H has turned out to be the major factor in shaping my school and career goals."

"4-H has helped me become aware of my responsibility to my community as well as to my family and myself."

## 4-H AREAS OF EMPHASIS 1982

**Focus on problems facing today's society:** teach economics through the 4-H "Trade-Offs" series; educate about energy conservation.

**Aim programs at older youth:** deal with issues facing teens, such as alcohol, smoking and drug abuse; form teen ambassador groups; leadership and career exploration opportunities.

**Reach new audiences:** offer new programs to handicapped and other deprived audiences; initiate alumni associations; involve senior citizens as volunteers and supporters.

**Improve 4-H camping:** strengthen counselor leadership training; develop high quality curriculums with skills and experiences best taught in the out-of-doors.

**Strengthen 4-H offerings to members, parents and volunteer leaders:** revise 4-H project books, develop educational packages for agents and volunteers; conduct correspondence courses; improve recruitment, education and recognition of 4-H volunteers and members.

**Increase the quantity and quality of 4-H membership:** involve higher percentage of 4-H potential, going above the present 10 percent enrollment of the youthful population; help 4-H'ers become more involved in leadership and experiences that will contribute to their adult lives.

**Expand the image and awareness of 4-H in Ohio through:** news features, radio and television spots; Chris Clover cartoons and animated figures; mall shows; and recreation days at amusement parks.

### 4-H Pledge

I pledge:

My HEAD to clearer thinking,  
My HEART to greater loyalty,  
My HANDS to larger service, and  
My HEALTH to better living,  
for my club, my community,  
my country, and my world.

### 4-H Motto

"To make the best better."
