## 2019 Ohio 4-H Shooting Sports Shotgun Competition

April 13, 2019

**Registration Fee \$40**

Cardinal Shooting Center  
Marengo, OH

Ohio's 2020 National 4-H Shooting Sports Team is searching for Ohio 4-H's top shotgun competitors. This year's competition is open to all Ohio 4-H youth members in good standing who are between the ages of 13-18 as of Jan. 1, 2019.

Each participant completes 50 rounds of trap, skeet and sporting clays. Awards are given to the top 10 competitors in each event and the top 5 overall.

### Ohio's Shotgun Team Selection

This competition serves as part of our selection process for the 2020 Ohio 4-H shotgun team.

Selection of the four shotgun team members is based on:

- 60% shooting ability,
- 20% application/portfolio, and
- 20% interview.

The National 4-H Shooting Sports Competition is the largest 4-H function in the United States. Hosted by Nebraska 4-H, this week-long event offers states the opportunity to enter four team members in each of the following nine disciplines:

- Air Pistol
- Air Rifle
- Compound Archery
- Recurve Archery
- Hunting Skills
- Shotgun
- Muzzleloading
- .22 Rifle
- .22 Pistol

A team member who has participated in a discipline at the national competition cannot return in that same discipline. Each year is a unique experience. Youth have to become competitive in different disciplines if they want to return to the national competition in subsequent years. Youth must be between the ages of 14 and 18 as of Jan. 1 of the current competition year and be active Ohio 4-H members in good standing to be eligible to represent Ohio.

## Ohio's National 4-H Shooting Sports Team History

Beginning in 2012, Ohio's National Shooting Sports Competition team was represented by 11 youth on three discipline teams. Since then,

Ohio has sent over 160 team members representing many Ohio counties. We fielded a full state team in 2016, 2017 and 2018. The 2018 team placed 8th in the nation overall out of 670 participants across 37 states.
