

Ohio 4-H Shooting Sports · 1362 Caves Road · Jackson, Ohio 45640 · (740)-286-4058

Dear Friend of Ohio 4-H Shooting Sports,

I would like to personally thank you for your generosity and commitment to teaching life skills through the Ohio 4-H Shooting Sports program.

4-H is a valued youth organization in this country. Through 4-H shooting sports, learning opportunities occur emphasizing: welcoming and safe environments, service for others, mastery of skills, positive relations with caring adults, learning to be an active participant in the future, engagement in learning, and self-determination. What better way for all youth to be involved than through 4-H shooting sports?

The opportunity has arisen to build a financial base for the Ohio 4-H Shooting Sports Program for future generations of shooting sports youth. We have established an endowment fund through the Ohio 4-H Foundation, named The "Ohio 4-H Shooting Education Endowment Fund," (fund number 645318). That request has been approved, and we are now in a campaign that will generate at present annual earnings of approximately \$1,023.00, as we increase the base amount our annual earnings will increase. These funds can be used for the financial needs and development of the program, and secure the future continued success of the of the Ohio 4-H shooting sports program.

Our goal is to keep the Ohio 4-H shooting sports program moving forward and provide youth the opportunity to enjoy learning life skills that may never otherwise have presented itself. We need your help contributing to this worthy cause.

I am asking you for a monetary donation, to whatever you deem appropriate, to support the Ohio 4-H Shooting Sports Program. In the words of the late Woody Hayes, "You can't pay back, but you can pay forward." I hope you will consider making a contribution to the Ohio 4-H Shooting Education Endowment Fund as a way to "pay forward" to reinforce the benefits of the Ohio 4-H Shooting Sports that youth will remember having a positive effect in not only their lives, but in your life as well. Donations to the endowment fund are tax-deductible. Thank you again for all of your help!

Sincerely,

Larry Harris
State Extension Coordinator

Enter the fund number 645318 into the search dialog box, then click the search button and the current information will be displayed.

Ohio 4-H Shooting Sports Endowment Fund

The Ohio 4-H Shooting Sports Endowment Fund was established April 8, 2011, by the Board of Trustees of The Ohio State University in accordance with the guidelines approved by the Board of Directors of The Ohio State University Foundation, with gifts from friends of the Ohio 4-H Shooting Sports Program.

The annual distribution from this fund shall be used to support Ohio 4-H Shooting Sports. This support may include, but is not limited to, educational workshops and training for volunteers, educational camps and workshops for youth, and awards and recognition opportunities for youth and volunteers. Expenditures shall be recommended by the Extension professional responsible for Ohio 4-H Shooting Sports and approved by the vice president for Agricultural Administration and executive dean for Food, Agricultural, and Environmental Sciences in consultation with the assistant director of OSU Extension – 4-H Youth Development.

In any given year that the endowment distribution is not fully used for its intended purpose, the unused portion should be held in the distribution account to be used in subsequent years and only for the purposes of the endowment, or reinvested in the endowment principal at the discretion of the vice president for Agricultural Administration and executive dean for Food, Agricultural, and Environmental Sciences in consultation with the assistant director for OSU Extension – 4-H Youth Development.

The investment and management of and expenditures from all endowment funds shall be in accordance with University policies and procedures as approved by the Board of Trustees. As authorized by the Board of Trustees, a fee may be assessed against the endowment portfolio for the University's costs of development and fund management.

It is the desire of the donors that the endowment established herein should benefit the University in perpetuity. Should unforeseen circumstances arise in the future so that the need for this endowment ceases to exist, then another use as nearly aligned with the original intent of the contribution as good conscience and need dictate shall be designated by the Foundation's Board of Directors and the University's Board of Trustees. In making this alternate designation, the Boards shall seek advice from a representative of the donors, if possible, and from the vice president for Agricultural Administration and executive dean for Food, Agricultural, and Environmental Sciences in consultation with the assistant director for OSU Extension – 4-H Youth Development.
