2018 Ohio 4-H Delegation to Japan

Participating in the Ohio 4-H Delegation to Japan gives Ohio youth the opportunity to learn more about themselves and the lives of others. Delegates live with a Japanese family for either one or two months and take part in Labo camps and activities with host brothers and sisters. Many Ohio youth stay with the family of the Japanese youth who has previously visited them in Ohio, although this is not a requirement.

Language fluency is not a prerequisite, but basic language study is required in advance of departure. Applicants need not be current or former 4-H members to apply ... in fact, they become 4-H participants through participation on this exchange! (Note that applicants who have never participated in any 4-H program in the past are not eligible for scholarships.)

Ohio sends a delegation to Japan every year. Ohio youth aged 12 to 18 (12 by date of departure and still 18 on date of return) who are willing to prepare for the exchange by studying the language, country and culture of Japan are invited to apply. Delegates should be willing to become an active member of their host family.
